Public funds include public deposits, bank finance and all funds received whether directly or indirectly from outside sources such as funds raised by issue of Commercial Papers, debentures etc

(vi) Institutional set-up for liquidity risk management

We have an asset liability management committee (ALCO) that is formed in accordance with the Directions issued by the Reserve Bank of India. Our Asset Liability Committee takes into account interest rate forecasts and spreads, the internal cost of funds, operating results, projected funding needs, projected loan disbursements, liquidity position, loan loss reserves to outstanding loans, funding strategies. This committee reviews the fund position, asset liability maturity profile, variance between forecast and actuals of the concluded quarter, analysis of sensitivity of interest rates variation in various buckets, what if scenario analysis, etc. The Company maintains a positive cumulative mismatch in all buckets.

Notes:

1. Significant counterparty: A "Significant counterparty" is defined as a single counterparty or group of connected or affiliated counterparties accounting in aggregate for more than 1% of the NBFC's total liabilities.

2. Significant instrument/product: A "Significant instrument/product" is defined as a single instrument/product of group of similar instruments/products which in aggregate amount to more than 1% of the NBFC's total liabilities.

3. Total liabilities: Total liabilities include all external liabilities (other than equity)

X. Overseas assets (for those with joint ventures and subsidiaries abroad)

The Company does not have any joint ventures and subsidiaries abroad during the year ended 31 March 2023 and 31 March 2022 and hence this disclosure is not applicable.

Y. Off-balance sheet SPVs sponsored (which are required to be consolidated as per accounting norms)

There were no off-balance sheet SPVs sponsored by the Company during the year ended 31 March 2023 and 31 March 2022.

Z. Customer complaints*

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF HINDUJA LEYLAND FINANCE LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Hinduja Leyland Finance Limited ('the Parent' / 'Holding Company') and its subsidiaries (the Parent / Holding Company and its subsidiaries together referred to as 'the Group'), which includes Group share of profit / loss in its associate and joint venture, as listed in Annexure A, which comprise the Consolidated Balance Sheet as at 31 March 2023, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, associate and joint venture, referred to in paragraph 15 of Other Matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS') and other accounting principles generally accepted in India of the consolidated state of affairs of the Group, its associate and joint venture, as at 31 March 2023, and their consolidated profit (including their consolidated total comprehensive income), consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associate and joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 15 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, associate and joint venture, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

A. Key Audit Matters of the Parent

Key audit matter	How our audit addressed the key audit matter
1. Impairment of Financial Assets (loans) based on Expected Credit Losses (ECL) (Refer note 4.6 for accounting policies and notes 8, and 44 for financial disclosures in the accompanying consolidated financial statements) As at 31 March 2023, the Parent reported total gross loans of ₹ 23,06,471 lakhs (31 March 2022: ₹ 18,83,703 lakhs) and expected credit loss provisions of ₹ 63,599 lakhs (31 March 2022: ₹ 77,388 lakhs). Ind AS 109, Financial Instruments ('Ind AS 109') requires the Parent to provide for impairment of its financial assets using the expected credit loss ('ECL') approach involving an estimation of probability of loss on the financial assets, considering reasonable and supportable information about past events, current conditions and forecasts of future economic conditions which could impact the credit quality of the Parent's financial assets. Expected credit loss cannot be measured precisely but can only be estimated through use of statistics. The estimation of impairment loss allowance on financial instruments involves significant judgement and estimates and applying appropriate measurement principles, including additional considerations on account of Reserve Bank of India guidelines in relation to COVID-19 regulatory package and restructuring. The Parent has involved an external expert to measure probability of default (PD), loss given default (LGD) in accordance with Ind AS 109. The Parent measures 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. Significant management judgment and assumptions involved in measuring ECL is required with respect to: • segmentation of loan book in buckets based on common risk characteristics • staging of loans and in particular determining the criteria, which includes qualitative factors for identifying a significant increase in credit risk (i.e. Stage 2) and credit-impaired (i.e. Stage-3) including the days past due. • factoring in future macro-economic and industry specific estimates and forecasts	Our audit focused on assessing the appropriateness of management's judgment and estimates used in the expected credit losses through procedures which included, but were not limited to, the following: - Examined the policy approved by the Board of Directors ('Board') with respect to process and procedures for assessing and measuring credit risk on the lending exposures of the Parent and evaluated it appropriateness in accordance with the requirements of Ind AS 109. • Evaluated the design and tested the operating effectiveness of controls across the process relevant to ECL measurement, including around the judgements and estimates made by the management. These controls, amongst others, included controls over the allocation of assets into stages along with management's monitoring of and completeness of the underlying data used in the models, credit monitoring, passing of journal entries and preparing disclosures. • With respect to management expert involved for Parent's modelling approach, we obtained the deliverables of the expert submitted to the management and assessed the professional competence and objectivity of such management expert. • Tested the completeness of loans included in the ECL calculations as of 31 March 2023 by reconciling such data with the balances as per loan book register. • Tested, on a sample basis, the appropriateness of determining exposure at default, the data used in the PD and LGD model for ECL calculation by reconciling it to the source information systems of the Parent. Further, tested classification of assets into stage 1, 2 and 3 categories, on a sample basis, to verify that these were allocated to the appropriate stage. • Obtained an understanding of the modelling techniques adopted by the Parent including the key inputs and assumptions. Challenged the management on post model adjustments, considering the size and complexity of management overlays, in order to assess the reasonableness of the adjustments.

Key audit matter	How our audit addressed the key audit matter
• past experience and forecast data on customer behaviour on repayments • varied statistical modelling techniques to determine probability of default, loss given default and exposure at default basis the default history of loans, subsequent recoveries made and other relevant factors using probabilityweighted scenarios. • effect of discounting the cash flows by estimating the timing of expected credit shortfalls associated with the defaults. Impairment losses in addition to the model-driven ECL results are recorded as overlays by management, to address known impairment model limitations or emerging trends as well as risks not captured by models. As at 31 March 2023, overlays represent approximately 19% of the Parent's ECL balances. These adjustments required significant management judgement. Determining ECL on the financial assets also requires compliance with key disclosure requirements as prescribed under the standards and by the Reserve Bank of India, to explain the key judgements and assumptions made by the management in the measurement. Considering the significance of the above matter to the consolidated financial statements and since the matter required our significant attention to test the calculation of expected credit losses, we have identified this as a key audit matter for current year audit.	• Performed an overall assessment of the ECL provision levels at each stage, including management's assessment and provision on account of the Parent's portfolio as well as the macroeconomic environment. • On a test check basis, ensured compliance with RBI Master Circular on 'Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to advances' ('IRACP') read with RBI circular on 'Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances – Clarifications' dated 12 November 2021 along with RBI notification RBI/2021-2022/158 dated 15 February 2022, in relation to identification, upgradation and provisioning of non-performing assets (NPAs) and ensured that the Parent has considered NPAs as credit impaired loans. • Obtained written representations from the management in relation to appropriateness of such ECL methodology and reasonableness of the judgements and assumptions used. • Assessed the appropriateness and adequacy of the related presentation and disclosures in the accompanying consolidated financial statements in accordance with the applicable accounting standards and related RBI circulars and Resolution Framework.

Key audit matter	How our audit addressed the key audit matter
2. Financial assets measured at fair value through other comprehensive income (FVTOCI) (Refer note 4.3(A)(ii) for significant accounting policies and 8 of Consolidated Financial Statements) As at 31 March 2023, the Parent has loans amounting to ₹ 14,91,487 lakhs (31 March 2022: ₹ 10,22,791 lakhs) that are carried and measured at fair value through other comprehensive income (FVOCI) in accordance with Ind AS 109.	Our audit procedures in relation to financial assets measured at FVTOCI included, but were not limited, to the following: • Obtained an understanding of the 'Business Model Policy Note' approved by the Board of Directors of the Parent, and evaluated whether the identified loan portfolio would satisfy the conditions of Ind AS 109 for measurement at FVTOCI. • Assessed the design and tested the operating effectiveness of management's key internal controls over inputs used in the valuation model.

Key audit matter	How our audit addressed the key audit matter
The classification of such loans at FVTOCI is dependent on the business model adopted by the Parent to manage such financial assets in order to generate cash flows. The management has determined that their business model of aforesaid loans is to collect contractual cash flows (solely payments of principal and interest on the amount outstanding) and also to sell such financial assets, and hence, such loans are classified at FVTOCI in accordance with the principles of Ind AS 109. In measuring these loans, valuation methods are used based on inputs that are not directly observable from market information and certain other unobservable inputs. The management has used the services of an independent professional valuer for arriving at the fair value of aforesaid loan assets. Such fair value is derived using discounted cash flow models wherein the key assumptions include discount rate and adjustment for credit risk including default risk. Given the subjectivity involved in ascertaining the business model and the fair valuation of the aforesaid loans, relative significance of these loans to the consolidated financial statements and the nature and extent of audit procedures involved, we determined this to be a key audit matter.	• Obtained the valuation report of the management's valuation expert involved and assessed the expert's competence and objectivity in performing the valuation of these loans. • With the support of our valuation specialists, assessed whether the valuation methodology adopted by the management's expert is appropriate and tested the reasonableness of the underlying assumptions used such as discount rates to estimate the fair value of the said loans by performing independent sensitivity analysis. Also, tested the completeness of source data and arithmetical accuracy of the management working. • Assessed the appropriateness and adequacy of disclosures made in the consolidated financial statements with respect to Parent's exposure to financial instrument valuation risk as per the requirements of the Indian Accounting standards. • Obtained written representations from the management in relation to reasonableness of the assumptions and judgements used in the valuation of these loans

Key audit matter	How our audit addressed the key audit matter
3. Information Technology ("IT") Systems and Controls for the financial reporting process The Parent is highly dependent on its information technology (IT) systems for carrying on its operations which require large volume of transactions to be processed in numerous locations on a daily basis. The financial accounting system of the Parent is integrated with several other modules including Loan Management and Originating modules and other workflows. As a result, there is a high degree of reliance and dependency on such IT systems for the financial reporting process of the Parent. Appropriate IT general controls and application controls are required to ensure that such IT systems are able to process the data, as required, completely, accurately and consistently for reliable financial reporting.	In our audit, our focus was on user access management, change management, segregation of duties, system reconciliation controls and system application controls over key financial accounting and reporting systems. We performed a range of audit procedures with the involvement of our IT specialists, which included but were not limited to, the following: • Obtained an understanding of the Parent's IT related control environment, IT applications, databases and IT Infrastructure. Based on our understanding, we have evaluated and tested relevant IT general controls and IT application controls on the systems identified as relevant for our audit of the consolidated financial statements.

Key audit matter	How our audit addressed the key audit matter
The accuracy and reliability of the financial reporting process depends on the IT systems and the related control environment, including: • IT general controls over user access management and change management across applications, networks, database, and operating systems; • IT application controls. Due to the pervasive nature and importance of the role of IT systems and related control environment on the Parent's financial reporting process, we have identified testing of such IT systems and related control environment as a key audit matter for the current year audit.	• On such in-scope IT systems, we have tested key IT general controls with respect to the following domains: a. User access management, which includes user access provisioning, de-provisioning, access review, password policies, sensitive access rights and segregation of duties to ensure that privileged access to applications, operating system and databases in the production environment were granted only to authorized personnel; b. Program change management, which includes controls on moving program changes to production environment by authorised personnel as per defined policy and procedures along with adequate segregation of environment; c. Other areas that were assessed under the IT control environment included backup management, incident management, batch processing and interfaces. • Reviewed the report of Information System Audit carried out in the current and previous years by a firm engaged by management, pertaining to IT systems general controls including access rights over applications, operating systems and databases relied upon for financial reporting and discussed the deficiencies with the management along with corresponding mitigating actions undertaken. • Evaluated the design and tested the operating effectiveness of key automated controls within various business processes, including testing of relevant system logic and corresponding automated calculations and process for automated accounting entries, as applicable. Where deficiencies were identified, tested compensating controls and/or performed additional substantive audit procedures as required to mitigate any risk of material misstatement with respect to related financial statement line item. • Obtained written representations from management on whether IT general controls and automated IT controls are designed and were operating effectively during the year.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Parent's Board of Directors are responsible for the other information. The other information comprises the information included in the Board's Report, but does not include the consolidated financial statements and our auditor's report thereon. The reports are expected to be made available to us after the date of this auditor's report. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The accompanying consolidated financial statements have been approved by the Parent's Board of Directors. The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associate and joint venture in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associate and its joint venture for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for overseeing the financial reporting process of the group and of its associate and joint venture.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of

the Act we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls;

• Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

• Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate and joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate and joint venture to cease to continue as a going concern; and

• Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

• Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group, and its associate and joint venture, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of entities or business activities included in the consolidated financial statements, of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

• Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of three subsidiaries, whose financial statements reflect total assets of ₹ 6,21,154 lakhs, total revenues of ₹ 70,183 lakhs and net cash inflows (net) amounting to ₹ 7,782 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net (loss) (including other comprehensive income) of (₹ 314) lakhs for the year ended 31 March 2023, as considered in the consolidated financial statements, in respect of one associate and one joint venture, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associate and joint venture, and our report in terms of sub-section (3) of section 143 of the Act in so far as it relates to the aforesaid subsidiaries, associate and joint venture, is based solely on the reports of the other auditors.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

The audit of consolidated financial statements for the year ended 31 March 2022 were conducted by Deloitte Haskins & Sells, Chennai and Suresh Surana & Associates LLP who had expressed an unmodified opinion on those consolidated financial statements vide their audit report dated 17 May 2022. Accordingly, Walker Chandiok & Co LLP do not express any opinion, as the case may be, on the figures reported in the consolidated financial statements for the year ended 31 March 2022.

Report on Other Legal and Regulatory Requirements

As required by section 197(16) of the Act based on our audit and on the consideration of the reports of the other auditors, referred to in paragraph 15, on separate financial statements of the subsidiaries, associate and joint venture, we report that the Parent and one subsidiary company incorporated in India whose financial statements have been audited under the Act have paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act. Further, we report that two subsidiary companies, one associate company and one joint venture company incorporated in India whose financial statements have been audited under the Act have not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable in respect of such subsidiary companies, associate company and joint venture company.

As required by section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, associate and joint venture referred to in the other matters section above, we report, to the extent applicable, that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;

b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;

c) The consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;

d) In our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act;

e) On the basis of the written representations received from the directors of the Parent, and taken on record by the Board of Directors of the Parent, and the reports of the statutory auditors of its subsidiary companies, associate company and joint venture company incorporated in India, none of the directors of the Group, its associate company and joint venture company incorporated in India, is disqualified as on 31 March 2023 from being appointed as a director in terms of section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls with reference to financial statements and the operating effectiveness of such controls, refer to our separate report in 'Annexure B' which is based on the auditors' reports of the Parent, subsidiary companies, associate company and joint venture company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to financial statements; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements and other financial information of the subsidiaries, associate and joint venture incorporated in India whose financial statements have been audited under the Act:

i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associate and joint venture (Refer Note 37) to the consolidated financial statements;

ii. The Parent has made provision, as required under the applicable law or Ind AS, for material foreseeable losses, if applicable, on long-term contracts including derivative contracts. The subsidiary Companies, associate and joint venture did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2023;

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Parent, and its subsidiary Companies, associate and joint venture incorporated in India, during the year ended 31 March 2023;

iv. a. The respective managements of the Parent and its subsidiary Companies, associate and joint venture incorporated in India whose financial statements have been audited under the Act have represented to us and to the other auditors of such subsidiaries, associate and joint venture respectively that, to the best of their knowledge and belief , as disclosed in note 53 to the consolidated financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Parent or any of such subsidiary companies, its associate company or its joint venture company to or in any persons or entities, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent, or any such subsidiary companies, its associate company or its joint venture company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

b. The respective managements of the Parent and its subsidiary Companies, associate and joint venture incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries, associate and joint venture respectively that, to the best of their knowledge and belief, as disclosed in the note 53 to the accompanying consolidated financial statements, no funds (which are material either individually or in the aggregate) have been received by the Parent or any of such subsidiary companies, or its associate company or its joint venture company from any persons or entities, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Parent, or any such subsidiary companies, its associate company or its joint venture company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and those performed by the auditors of the subsidiaries, associate and joint venture which are companies incorporated in India whose financial statements have been audited under the act, nothing has come to our or other auditors' notice that has caused us or the other auditors to believe that the representations under sub-clauses (i) and (ii) of Rule 11(e), as provided under (a) and (b), above contain any material misstatement.

v. The Group has not declared or paid any dividend during the year and has not proposed final dividend for the year ended 31 March 2023;

vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 requires all companies which use accounting software for maintaining their books of account, to use such an accounting software which has a feature of audit trail, with effect from the financial year beginning on 1 April 2023 and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 (as amended) is not applicable for the current financial year.

As required by clause (xxi) of paragraph 3 of Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act based on the consideration of the Order reports issued by us and by the respective other auditors as mentioned in paragraph 15 above, of companies included in the consolidated financial statements and covered under the Act we report that there are no qualifications or adverse remarks reported in the respective Order reports of such companies.

Annexure B to the Independent Auditor's Report of even date to the members of Hinduja Leyland Finance Limited on the consolidated financial statements for the year ended 31 March 2023

(Referred to in paragraph 19(f) under 'Report on Other Legal and Regulatory Requirement' section of our report of even date)

Report on the internal financial controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of Hinduja Leyland Finance Limited ('the Parent' / 'the Holding Company') and its subsidiaries (the Parent and its subsidiaries together referred to as 'the Group'), its associate and joint venture as at and for the year ended 31 March 2023, we have audited the internal financial controls with reference to consolidated financial statements of the Parent, its subsidiary companies, its associate and joint venture, which are Companies incorporated in India, as of that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The respective Board of Directors of the Parent, its subsidiary Companies, its associate and joint venture, which are Companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Consolidated Financial Statements

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Parent, its subsidiary Companies, its associate and joint venture, which are companies incorporated in India and where such reporting under Section 143(3) of the Act is applicable, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material

misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, associate and joint venture, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Parent, its subsidiary companies, its associate and joint venture, which are companies incorporated in India and where such reporting under Section 143(3) of Act is applicable.

Meaning of Internal Financial Controls with Reference to Consolidated Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanation given to us and based on the consideration of the other auditors referred to in the Other Matters paragraph below, the Parent, its subsidiary companies, its associate and joint venture, which are companies incorporated in India and where such reporting under Section 143(3) is applicable, have in all material respects, an adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note.

Other Matter

We did not audit the internal financial controls with reference to financial statements insofar as it relates to three subsidiary Companies, which are companies incorporated in India and where such reporting under Section 143(3) is applicable, whose financial statements reflect total assets of ₹ 6,21,154 lakhs, total revenues of ₹ 70,183 lakhs and net cash inflows (net) amounting to ₹ 7,782 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net (loss) (including other comprehensive income) of ₹ (314) lakhs for the year ended, in respect of one associate and one joint venture, which are companies incorporated in India and where such reporting under Section 143(3) is applicable, whose internal financial controls with reference to financial statements have not been audited by us. The internal financial controls with reference to financial statements in so far as it relates to such subsidiary companies, associate and joint venture have been audited by other auditors whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements for the Parent, its subsidiary companies, its associate and joint venture, as aforesaid, under Section 143(3)(i) of the Act in so far as it relates to such subsidiary companies, associate and joint venture is based solely on the reports of the auditors of such companies. Our opinion is not modified in respect of this

matter with respect to our reliance on the work done by and on the reports of the other auditors.

Our opinion is not modified in respect of the above matter.

Notes to consolidated financial statements for year ended 31 March 2023

(All amounts are in Indian Rupees in lakh, except share data and as stated)

1 Reporting entity

Hinduja Leyland Finance Limited ('the Parent Company'), incorporated on 12 November 2008 and headquartered in Chennai, India is a Non Banking Finance Company engaged in providing asset finance. The Parent company is a systemically important Non Deposit taking Non Banking Finance Company (ND-NBFC) as defined under Section 45 – IA of the Reserve Bank Of India Act, 1934. The non-convertible debentures (NCD) of the Parent company are listed on the BSE Limited ("BSE") in India (Debt-listed). The Parent company received the certificate of registration dated 22 March 2010 from the Reserve Bank of India ("RBI") to carry on the business of Non Banking Financial Institution without accepting public deposits ("NBFC-ND"). Subsequently the Parent company was granted Investment and Credit Company status pursuant to Reserve Bank of India notification No. RBI/2018-19/130 DNBR (PD) CC.No.097/03.10.001/2018-19 dated 22 February 2019.

The subsidiary and associate and joint venture of the Group are listed below:

Name of the Group	Relationship	Percentage holding
Hinduja Housing Finance Limited*	Subsidiary company	100%
Gaadi Mandi Digital Platforms Limited	Subsidiary company	100%
HLF Services Limited	Associate company	45.90%
Gro Digital Platforms Limited	Joint venture	49.90%

* - a housing finance company registered with National Housing Bank (NHB) under section 29A of the National Housing Bank Act, 1987 with effect from 30 September 2015. the Group is primarily engaged in the business of providing loans for the purchase or construction of residential houses.

The parent company, subsidiary and associate and joint venture are collectively referred to as Group.

2 Basis of preparation

2.1 Statement of compliance

The financial statements of the Group have been prepared under historical cost convention on an accrual basis in accordance with the Indian Accounting Standards (Ind AS) and the relevant provisions of the Companies Act, 2013 (the "Act") along with other relevant provisions of the Act, the Master Direction – Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') and notification for Implementation of Indian Accounting Standard vide circular RBI/2019-20/170 DOR(NBFC).CC.PD. No.109/22.10.106/2019-20 dated 13 March 2020 ('RBI Notification for Implementation of Ind AS') issued by RBI (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Details of the Group accounting policies are disclosed in Note 3.

These consolidated financial statements have been approved by the Company's Board of Directors and authorised for issue on 18 May 2023.

2.2 Presentation of financial statements

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

As required by Division III issued under Schedule III of the Act, the Group presented the assets and liabilities in the balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non–current) is presented separately.

Financial assets and financial liability are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognized amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

(i) The normal course of business

(ii) The event of default

Previous year figures have been restated / regrouped / re-classified wherever necessary in line with the standalone financial statements for the year ended March 31, 2023. The impact of such restatements/ regroupings are not material to the consolidated financial statements.

2.3 Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (INR), which is also the Group's functional currency. All amounts have been rounded-off to the nearest lakhs, unless otherwise indicated.

2.4 Basis of measurement

The consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values.

A historical cost is a measure of value used in accounting in which the price of an asset on the balance sheet is based on its nominal or original cost when acquired by the Group.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102 Share based Payment, leasing transactions that are within the scope of Ind AS 116 Leases.

Fair value measurements under Ind AS are categorised into fair value hierarchy based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access on measurement date.

- Level 2 inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

- Level 3 where unobservable inputs are used for the valuation of assets or liabilities.

2.5 Use of estimates and judgments

The preparation of the consolidated financial statements in conformity with Indian Accounting Standards (“Ind AS”) requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the year. Accounting estimates could change from period to period. Actual results could differ from those estimates. Revisions to accounting estimates are recognised prospectively. The Management believes that the estimates used in preparation of the consolidated financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

(i) Business model assessment

Classification and measurement of financial assets depends on the results of business model and the solely payments of principal and interest ("SPPI") test. The Group determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgment reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Group monitors financial assets measured at amortized cost or fair value through other comprehensive income that are derecognized prior to their maturity to understand the reason for their

disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Group's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

(ii) Impairment of financial asset

The measurement of impairment losses across all categories of financial assets requires judgment, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

The Group's expected credit loss ("ECL") calculations are outputs of complex models with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL models that are considered accounting judgments and estimates include :

a) The Group's criteria for assessing if there has been a significant increase in credit risk and so allowances for financial assets should be measured on a life time expected credit loss ("LTECL") basis.

b) Development of ECL models, including the various formulas and the choice of inputs.

c) Determination of associations between macroeconomic scenarios and economic inputs, such as gross domestic products, lending interest rates and collateral values, and the effect on probability of default ("PD"), exposure at default ("EAD") and loss given default ("LGD").

d) Selection of forward-looking macroeconomic scenarios and their probability weightings, to derive the economic inputs into ECL models.

(iii) Fair value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values.

(iv) Defined Benefit plans

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(v) Leases

A. Determining the lease term of contracts with renewal and termination options - Group as lessee

The Group determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised. The Group applies judgment in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination

B. Estimating the incremental borrowing rate

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Group would have to pay to for its borrowings.

(vi) Provisions and other contingent liabilities

When the Group can reliably measure the outflow of

economic benefits in relation to a specific case and considers such outflows to be probable, the Group records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed.

Given the subjectivity and uncertainty of determining the probability and amount of losses, the Group takes into account a number of factors including legal advice , the stage of the matter and historical evidence from similar incidents. Significant judgment is required to conclude on these estimates.

3. Principles and Particulars of Consolidation

The consolidated financial statements relate to Hinduja Leyland Finance (referred as "the Parent Company" or "the Holding Company"), its subsidiary companies and share of profit / (loss) in its associate and joint venture (Collectively referred to as "the group").

The Financial statements of the Subsidiaries and Associates and Joint venture used in the consolidation are drawn up to the same reporting date as that of the holding company i.e. 31 March 2023.

Basis of Consolidation

a Subsidiaries

Subsidiaries are entities over which the Group has control. The group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. The acquisition method of accounting is used to account for business combinations by the group. The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intra-group transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

b Investment in Associate and Joint Venture

An associate and joint venture is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies. The results, assets and liabilities of associates and joint venture are incorporated in these consolidated financial statements using the equity method of accounting.

Under the equity method, the investment in an associate and joint venture is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate and joint venture. Distributions received from associate and joint venture is recognised as reduction in the carrying amount of the investments. When the Group's share of losses of an associate and joint venture exceeds the Group's interest in that associate and joint venture (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate and joint venture), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate and joint venture.

An investment in an associate and joint venture is accounted for using the equity method from the date on which the investee becomes an associate and joint venture. On acquisition of the investment in an associate and joint venture, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised directly in equity as capital reserve in the period in which the investment is acquired. After application of the equity method of accounting, the Group determines whether there any is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the net investment in an associate and that event (or events) has an impact on the estimated future cash flows from the net investment that can be reliably estimated. If there exists such an objective evidence of impairment, then it is necessary to recognise

impairment loss with respect to the Group's investment in an associate and joint venture.

When a group entity transacts with an associate and joint venture of the Group, profit or losses resulting from the transactions with associate and joint venture are recognised in the Group's consolidated financial statements only to the extent of interests in the associate and joint venture that are not related to the Group.

4. Significant accounting policies

4.1 Recognition of Income

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

A. Interest income

Interest income on financial instruments is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate applicable.

Effective Interest Rate ("EIR")

The EIR is the rate that exactly discounts estimated future cash flows of the financial instrument through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount. The future cash flows are estimated taking into account all the contractual terms of the instrument.

The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts.

Interest income/expenses is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets/liabilities (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets, interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses). If the financial asset cures and is no longer credit impaired, the Group reverts to calculating interest income on a gross basis.

B. Dividend income

Dividend income is recognised when the Group's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group and the amount of the dividend can be measured reliably. This is generally when the shareholders approve the dividend.

C. Rental income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms and is included in rental income in the statement of profit and loss, unless the increase is in line with expected general inflation, in which case lease income is recognised based on contractual terms.

D. Fees and commission income

The Group recognises revenue from contract with customers based on five step model as set out in Ind AS 115, Revenue from Contracts with Customers to determine when to recognise revenue and at what amount.

Revenue is measured based on the consideration specified in the contract with a customers. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur.

If the consideration promised in a contract includes a variable amount, the group estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses, or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.Fees income includes fees other than those that are an integral part of EIR.

E. Income from transfer and servicing of Assets

The Group transfers loans through securitisation and direct assignment transactions. The transferred loans are de-recognised and gains/losses are accounted for, only if the Group transfers substantially all risks and rewards specified in the underlying assigned loan contract. In accordance with the Ind AS 109, on de-recognition of a financial asset under assigned transactions, the difference between the carrying

amount and the consideration received are recognised in the Statement of Profit and Loss.

The Group recognises either a servicing asset or a servicing liability for servicing contract. If the fee to be received is not expected to compensate the Group adequately for performing the servicing activities, a servicing liability for the servicing obligation is recognised at its fair value. If the fee to be received is expected to be more than adequate compensation for the servicing activities, a servicing asset is recognised. Corresponding amount is recognised in Statement of Profit and Loss.

F. Interest income on Investments in Pass Through Certificates and Security Receipts

Interest on Pass Through Certificates (PTC) and Security Receipts (SRs) is recognised in accordance with the contractual terms of the instrument.

G. Sale of Product

Revenue from sale of products is recognised at the point in time when control of the asset is transferred to the customer, generally on delivery of the product.

H. Other income

Other Income represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

4.2 Financial instrument - initial recognition

A. Date of recognition

Debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

B. Initial measurement of financial instruments

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments. Financial instruments are initially measured at their fair value, except in the case of financial assets and financial liabilities recorded at FVTPL, transaction costs are added to, or subtracted from this amount.

C. Measurement categories of financial assets and liabilities

The Group classifies all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either:

(i) Amortised cost (AC)

(ii) Fair value through other comprehensive income (FVOCI)

(iii) Fair value through profit or loss (FVTPL)

4.3 Financial assets and liabilities

Solely payments of principal and interest (SPPI) test

As a second step of its classification process, the Group assesses the contractual terms of financial to identify whether they meet SPPI test.

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of financial asset (for example, if there are repayments of principal or amortisation of the premium/ discount).

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk. To make the SPPI assessment, the Group applies judgement and considers relevant factors such as the period for which the interest rate is set.

In contrast, contractual terms that introduce a more than de minimis exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement do not give rise to contractual cash flows that are solely payments of principal and interest on the amount outstanding. In such cases, the financial asset is required to be measured at FVTPL.

Accordingly, financial assets are measured as follows

A. Financial assets

(i) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Since, the loans and advances are held to sale and collect contractual cash flows, they are measured at FVTOCI.

(iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

(iv) Other equity investments

All other equity investments are measured at fair value, with value changes recognised in Other Comprehensive Income.

B. Financial liability

(i) Initial recognition and measurement

All financial liability are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liability, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition

(ii) Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method.

4.4 Reclassification of financial assets and liabilities

The Group does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Group acquires, disposes of, or terminates a business line. Financial liabilities are never reclassified. The Group did not reclassify any of its financial assets or liabilities in the year ended 31 March 2023 and 31 March 2022.

4.5 Derecognition of financial assets and liabilities

A. Derecognition of financial assets due to substantial modification of terms and conditions

The Group derecognises a financial asset, such as a loan to a customer, when the terms and conditions have been renegotiated to the extent that, substantially, it becomes a new loan, with the difference recognised as a derecognition gain or loss, to the extent that an impairment loss has not already been recorded. The newly recognised loans are classified as Stage 1 for ECL measurement purposes.

B. Derecognition of financial assets other than due to substantial modification

(i) Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised when the contractual rights to the cash flows from the financial asset expires or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

On derecognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of derecognition) and the consideration received (including any new asset obtained less any new liability assumed) is recognised in the statement of profit and loss.

Accordingly, gain on sale or derecognition of assigned portfolio are recorded upfront in the statement of profit and loss as per Ind AS 109. Also, the Group recognises servicing income as a percentage of interest spread over tenure of loan in cases where it retains the obligation to service the transferred financial asset.

(ii) Financial Liability

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in the statement of profit and loss.

4.6 Impairment of financial assets

A. Overview of ECL principles

In accordance with Ind AS 109, the Group uses ECL model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to

(i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

(ii) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

Both LTECLs and 12 months ECLs are calculated on collective basis.

Based on the above, the Group categorizes its loans into Stage 1, Stage 2 and Stage 3, as described below:

Stage 1:

When loans are first recognised, the Group recognises an allowance based on 12 months ECL. Stage 1 loans includes those loans where there is no significant credit risk observed and also includes facilities where the credit risk has been improved and the loan has been reclassified from stage 2 or stage 3.

Stage 2:

When a loan has shown a significant increase in credit risk since origination, the Group records an allowance for the life time ECL. Stage 2 loans also includes facilities where the credit risk has improved and the loan has been reclassified from stage 3

Stage 3:

Loans considered credit impaired are the loans which are past due for more than 90 days. The Group records an allowance for life time ECL.

Loan commitments:

When estimating LTECLs for undrawn loan commitments, the Group estimates the expected portion of the loan commitment that will be drawn down over its expected life. The ECL is then based on the present value of the expected shortfalls in cash flows if the loan is drawn down

B. Calculation of ECLs

The mechanics of ECL calculations are outlined below and the key elements are, as follows:

EAD:

Exposure at Default ("EAD") is an estimate of the exposure at a future default date, taking into account

expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities after considering the credit conversion factor (for Stage 1 and Stage 2 assets), and accrued interest from missed payments.

PD:

Probability of Default (PD) is the probability of whether borrowers will default on their obligations which is calculated based on historical default rate summary of past years using origination vintage analysis.

LGD:

Loss Given Default ("LGD") is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realisation of any collateral. It is usually expressed as a percentage of the EAD

The Group has calculated EAD, PD and LGD to determine impairment loss on the portfolio of loans and discounted at an approximation to the EIR. At every reporting date, the above calculated EAD, PDs and LGDs are reviewed and changes in the forward looking estimates are analysed.

The mechanics of the ECL method are summarised below:

Stage 1:

The 12 months ECL is calculated as the portion of LTECLs that represent the ECLs that result from default events on a financial instrument that are possible within the 12 months after the reporting date. The Group calculates the 12 months ECL allowance based on the expectation of a default occurring in the 12 months following the reporting date. These expected 12-months default probabilities are applied to a forecast EAD and multiplied by the expected LGD and discounted by an approximation to the original EIR.

Stage 2:

When a loan has shown a significant increase in credit risk since origination, the Group records an allowance for the LTECLs. The mechanics are similar to those explained above, but PDs and LGDs are estimated over the lifetime of the instrument. The expected cash shortfalls are discounted by an approximation to the original EIR.

Stage 3:

For loans considered credit-impaired, the Group recognises the lifetime expected credit losses for these loans. The method is similar to that for Stage 2 assets, with the PD set at 100%.

Forward looking information

The Group considers a broad range of forward looking information with reference to external forecasts of economic parameters such as GDP growth, Inflation etc., as considered relevant so as to determine the impact of macro-economic factors on the Group's ECL estimates.

The inputs and models used for calculating ECLs are recalibrated periodically through the use of available incremental and recent information. Further, internal estimates of PD, LGD rates used in the ECL model may not always capture all the characteristics of the market / external environment as at the date of the financial statements. To reflect this, qualitative adjustments or overlays are made as temporary adjustments to reflect the emerging risks reasonably.

4.7 Impairment of non-financial assets

The Group determines periodically whether there is any indication of impairment of the carrying amount of its non-financial assets. The recoverable amount (higher

of net selling price and value in use) is determined for an individual asset, unless the asset does not generate cash inflow that are largely independent of those from other assets or group of assets. The recoverable amounts of such asset are estimated, if any indication exists and impairment loss is recognized wherever the carrying amount of the asset exceeds its recoverable amount. Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

4.8 Write-offs

Loans and debt securities are written off when the Group has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Group determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Group may apply enforcement activities to financial assets written off. Recoveries resulting from the Group's enforcement activities could result in impairment gains.

4.9 Fair value

i) Fair value hierarchy

The Group uses the following hierarchy to determine the fair values of its financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-thecounter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3. There were no transfers between levels 1, 2 and 3 during the year. The Group recognises transfers in and transfers out of fair value hierarchy levels as at the end of the reporting period.

ii) Valuation process

The management of the Group performs the valuations of financial assets and liabilities required for financial reporting purposes. The carrying amounts of trade receivables, trade payables, capital creditors and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

The fair values for loans are calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The fair values of borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Valuation processes and Technique

Type of Instrument	Reference Price
Investment in Mutual Funds	NAV as on the reporting date.
Investment in Security Receipts	NAV as on the reporting date
Investment in Listed Equity Shares	Quoted price on exchange as on the reporting date.

4.10 Foreign currency transaction

Transactions in foreign currencies are translated into -- the functional currency of the Group , at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognized in profit or loss.

4.11 Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation andaccumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

(ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group and the cost of the item can be measured reliable.

(iii) Depreciation

Depreciation on property, plant and equipment is provided using the straight line method over the estimated useful lives of the assets, and is generally recognised in the statement of profit and loss.

The Group follows estimated useful lives which are given under Part C of the Schedule II of the Companies Act, 2013. The estimated useful lives of items of property, plant and equipment for the current period is as follows:

Asset category	Estimated Useful life
Buildings	60 years
Furniture and fittings	10 years
Office equipment	5 years
Servers and computers	Computers 3 years, Servers 6 years
Vehicles	Motor Cars 8 years, Motor Cycles 10 years
Leasehold improvements (Yard)	10 years
Vehicles under lease	Over the lease term of the respective agreements

Assets individually costing less than or equal to Rs. 5,000/- are fully depreciated in the year of acquisition. the Group has estimated a Nil residual value at the end of the useful life for all block of assets. Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed of).

Property plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / expense in the statement of profit and loss in the year the asset is derecognised. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

(iv) Capital Work-in-progress

Capital work in progress includes assets not ready for the intended use and is carried at cost, comprising direct cost and related incidental expenses

4.12 Intangible assets

(i) Intangible assets

Intangible assets including those acquired by the Group are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

(ii) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

(iii) Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight line method, and is included in depreciation and amortisation in Statement of Profit and Loss.

Asset category	Estimated Useful life
Computer softwares	5 years

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

Intangible assets is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / expense in the statement of profit and loss in the year the asset is derecognised. The date of disposal of an item of Intangible assets is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

4.13 Employee benefits

(i) Post-employment benefits

Defined contribution plan

'The Group's contribution to provident fund are considered as defined contribution plan and are charged as an expense as they fall due based on the amount of contribution required to be made and when the services are rendered by the employees

Defined benefit plans

Gratuity

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements. Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses and the effect of the asset ceiling (if any,

excluding interest), are recognised in OCI. The Group determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. the Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

(ii) Other long-term employee benefits

Compensated absences

The employees can carry forward a portion of the unutilised accrued compensated absences and utilise it in future service periods or receive cash compensation on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of such period, the benefit is classified as a long-term employee benefit. The Group records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method.

(iii) Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the year in which the employee renders the related service. The cost of such compensated absences is accounted as under :

(a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and

(b) in case of non-accumulating compensated absences, when the absences occur.

(iv) Stock based compensation

The grant date fair value of equity settled share based payment awards granted to employees is recognised as an employee expense, with a corresponding increase in equity, over the period that the employees unconditionally become entitled to the awards. The amount recognised as expense is based on the estimate of the number of awards for which the related service and non-market vesting conditions are expected to be met, such that the amount ultimately recognised as an expense is based on the number of awards that do meet the related service and non-market vesting conditions at the vesting date. The Group revisits its estimate each year of the number of equity instruments expected to vesting.

4.14 Provisions, contingent liabilities and contingent assets

Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. When the effect of the time value of money is material, the Group determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liability

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or; present obligation that arises from past events where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the

obligation cannot be measured with sufficient reliability are disclosed as contingent liability and not provided for.

Contingent asset

Contingent assets are not recognised in the financial statements. Contingent assets are disclosed where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

4.15 Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

a) Estimated amount of contracts remaining to be executed on capital account and not provided for;

b) Uncalled liability on shares and other investments partly paid;

c) Funding related commitment to associate; and

d) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

4.16 Leases

The Group evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

The Group assesses, whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract involves–

a) The use of an identified asset,

b) The right to obtain substantially all the economic benefits from use of the identified asset, and

c) The right to direct the use of the identified asset.

The Group at the inception of the lease contract recognizes a Right-of-Use (RoU) asset at cost and a corresponding lease liability, for all lease arrangements in which it is a lessee, except for leases with term of less than twelve months (short term) and low-value assets.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease plus any initial direct costs, less any lease incentives received. Subsequently, the right-of-use assets is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

For lease liabilities at inception, The Group measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate is readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate.

The Group recognizes the amount of the re-measurement of lease liability as an adjustment to the right-of-use assets. Where the carrying amount of the right-of-use assets is reduced to zero and there is a further reduction in the measurement of the lease liability, The Group recognizes any remaining amount of the re-measurement in the Statement of profit and loss.

For short-term and low value leases, The Group recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

Lease liability has been presented in Note 17 “Other Financial Liabilities” and ROU asset has been presented in Note 11C “Property, Plant and Equipment” and lease payments have been classified as financing cash flows.

Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. The Group has given certain vehicles on lease where it has substantially retained the risks and rewards of ownership and hence these are classified as operating leases.

These assets given on operating lease are included in PPE. Lease income is recognised in the Statement of profit and loss as per contractual rental unless another systematic basis is more representative of the time pattern in which the benefit derived from the leased asset is diminished. Costs including depreciation are recognised as an expense in the Statement of profit and loss. Initial direct costs are recognised immediately in Statement of profit and loss.

4.17 Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) **Deferred tax**

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction; temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

4.18 Borrowing cost

Borrowing costs are interest and other costs incurred in connection with the borrowings of funds. Borrowing

costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as part of the cost of the asset. Other borrowings costs are recognized as an expense in the statement of profit and loss account on an accrual basis using the effective interest method.

Interest expenses are calculated using the EIR and all other Borrowing costs are recognised in the Statement of profit and loss in the period in which they are incurred.

4.19 Cash and cash equivalents

Cash and cash equivalents comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

4.20 Segment reporting- Identification of segments:

An operating segment is a component of the Group that engages in business activities from which it many earn revenues and incur expenses, whose operating results are regularly reviewed by the Group's Chief Operating Decision Maker (CODM) to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Group's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

4.21 Earnings per share

The Group reports basic and diluted earnings per equity share in accordance with Ind AS 33, Earnings Per Share. Basic earnings per equity share is computed by dividing net profit / loss after (Before other Comprehensive Income) tax attributable to the equity share holders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share is computed and disclosed by dividing the net profit/ loss after tax attributable to the equity share holders for the year after giving impact of dilutive potential equity shares for the year by the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

4.22 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non–cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, financing and investing activities of the Group are segregated. Cash flows in foreign currencies are accounted at the actual rates of exchange prevailing at the dates of the transactions. Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

4.23 Securities premium

Securities premium is credited when shares are issued at premium. It can be used to issue bonus shares, to provide for premium on redemption of shares and issue expenses of securities which qualify as equity instruments.

4.24 Goods and Services Input Tax Credit

Goods and Services tax input credit is recognised for in the books in the period in which the supply of goods or service received is recognised and when there is no uncertainty in availing/utilising the credits.

4.25 Collateral Repossessed

The Group generally does not use the assets repossessed for the internal operations. The underlying loans in respect of which collaterals have been repossessed with an intention to realize by way of sale are considered as Stage 3 assets and the ECL allowance is determined based on the past history of net realizable value of the repossessed asset . Any surplus funds are returned to the borrower and accordingly collateral repossessed are not recorded on the balance sheet and not treated as non-current assets held for sale.

5. STANDARD ISSUED BUT NOT YET EFFECTIVE

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

On 31 March 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1 - Presentation of Financial Statements - This

amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after 1 April 2023. The Group has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after 1 April 2023. The Group has evaluated the amendment and there is no significant impact on its standalone financial statements.

Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after 1 April 2023. The Group has evaluated the amendment and there is no significant impact on its standalone financial statement

Nature and purpose of reserve

Securities premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes such as issuance of bouns shares in accordance with the provisions of the Companies Act 2013.

Employee stock option outstanding

The Group has established various equity settled share based payment plans for certain categories of employees of the Group.

Statutory Reserve

(a) Reserve u/s. 45-IA of the Reserve Bank of India Act, 1934 ("the RBI Act, 1934")

Reserve u/s 45-IA of the RBI Act, 1934, the Group is required to transfer at least 20% of its net profits every year to a reserve before any dividend is declared

(b) Statutory Reserve u/s. 29C of National Housing Bank Act, 1987 ("the NHB Act, 1987")

Section 29C (i) of The National Housing Bank (NHB), 1987 defines that every housing finance institution which is a company shall create a reserve fund and transfer therein a sum not less than twenty percent of its net profit every year as disclosed in the statement of profit and loss before any dividend is declared. For this purpose any special reserve created by the company under section 36(1)(viii) of the Income Tax Act,1961, is considered to be an eligible transfer.

Surplus in the statement of profit and loss

Surplus in the statement of profit and loss is the accumulated available profit of the Group carried forward from earlier year These reserve are free reserves which can be utilised for any purpose as may be required.

Other comprehensive income

a) The Group has elected to recognise changes in the fair value of certain loans and advances where the business model is to collect contractual cash flows and also sell financial assets loans and advances in other comprehensive income. These changes are accumulated within the FVOCI - loans and advances reserve within equity.

b) Remeasurement of the net defined benefit liabilities comprise actuarial gain or loss, return on plan assets excluding interest and the effect of asset ceiling, if any.

32 Income Tax

The components of income tax expense for the years ended 31 March 2023 and 31 March 2022 are:

Current tax	15,152	8,092
Deferred tax	1,139	2,630
Tax pertaining to earlier years	-	71
Total tax charge	**16,291**	**10,793**

32.1 Income tax recognised in other comprehensive income

Arising on income and expenses recognised in other comprehensive income:		
Remeasurement of defined benefit obligation	(37)	(27)
(Loss)/Gain on fair valuation of loans	(3,095)	7,006
Total income tax recognised in other comprehensive income	**(3,132)**	**6,979**

32.2 Reconciliation of the total tax charge

The tax charge shown in the statement of profit and loss differs from the tax charge that would apply if all profits had been charged at India corporate tax rate. A reconciliation between the tax expense and the accounting profit multiplied by India's domestic tax rate for the years ended 31 March 2023 and 31 March 2022 is, as follows:-

INR in Lakh

Particulars	Year ended 31 March 2023	Year ended 31 March 2022
Accounting profit before tax	65,651	44,764
Applicable tax rate	25.17%	25.17%
Computed tax expense	**16,523**	**11,266**
Tax effect of :		
Permanent differences on account of CSR expenditure	(193)	(384)
Others	(39)	(89)
Tax expenses recognised in the statement of profit and loss	**16,291**	**10,793**
Effective tax rate	24.81%	24.11%

The tax rate used for the reconciliations above is the corporate tax rate of 25.17% for the year 31 March 2023 and 31 March 2022 payable by corporate entities in India on taxable profits under tax law in Indian jurisdiction.

32.3 Deferred tax liablities (net)

Diluted	9.80	7.25

34 Employee stock option

The Parent company has granted certain stock options to its employees under Employee stock option scheme, 2013 ("ESOP Scheme"). The employee stock options granted entitle the employees to purchase equity shares at an exercise price either at INR 10/- per option or fair value at the date of the grant or as determined by the Nomination and Remuneration Committee at the date of grant.

During the current year, the Group has not granted options to its employees under the ESOP Scheme.

Options to employees are usually granted with a four-year rateable vesting. The options would need to be exercised within a 5 years period from the date of vesting.

The vesting pattern is indicated below

Particulars	Vesting pattern	Vesting pattern	Vesting pattern	Vesting pattern	Vesting pattern
Grant date	3-Jun-21	22-May-19	29-Jan-18	23-May-17	10-Nov-16
At the end of one year of service from grant date	20%	20%	20%	20%	20%
At the end of two years	20%	20%	20%	20%	20%
At the end of three years	30%	30%	30%	30%	30%
At the end of four years	30%	30%	30%	30%	30%

Share based payment expense

The expense recognised during the current year under the intrinsic value method:

Particulars	Year ended 31 March 2023	Year ended 31 March 2022
Share based payment expense:		
Total expense recognised in 'employee benefits' (refer note 29)	80	159

Reconciliation of outstanding options

The number and the weighted average exercise prices of share options under employee stock option plan are as follows:

INR in Lakh

Particulars	Year ended 31 March 2023		Year ended 31 March 2022	
	No. of options	Weighted average exercise price	No. of options	Weighted average exercise price
Outstanding at beginning of the year	14,44,500	84.55	12,19,000	81.79
Granted during the year	-	-	3,25,000	92.87
Reinitated during the year	-	-	1,48,500	48.09
Forfeited during the year	7,000	54.40	1,84,000	61.95
Exercised during the year	1,27,000	88.89	64,000	55.10
Expired during the year	-	-	-	-
Outstanding at the end of the year	13,10,500	84.20	14,44,500	84.55

The options outstanding at the year-end have an exercise price and a weighted average contractual life as given below:

INR in Lakh

Particulars	As at 31 March 2023			As at 31 March 2022		
	No .of outstanding options	Range of exercise price	Weighted average remaining life	No .of outstanding options	Range of exercise price	Weighted average remaining life
ESOP Scheme	13,10,500	INR/- 28.00 to 110	1 – 4 years	14,44,500	INR/- 28.00 to 110	1 – 4 years

Measurement of fair values

The fair value of employee stock options is measured using the Black Scholes Model.

The inputs used in the computation of fair value of the grant date fair value are as follows:

Grant date	03-Jun-2021	22-May-2019	29-Jan-2018	23-May-2017	10-Nov-2016
No of shares	3,25,000	1,60,000	4,10,000	50,000	11,90,000
Value of the share at the grant date	100	110	110	95	79
Exercise price	92.97	110	110	75	54.4
Expected volatility	0.00%	0.00%	0.00%	0.00%	0.00%
Expected dividends	0.00%	0.00%	0.00%	0.00%	0.00%
Risk-free interest rate (based on government bonds)	7.08%	7.08%	7.08%	7.08%	6.88%
Expected life	4 years	4 years	4 years	4 years	4 years

Note: The Exercise Period shall commence from the date of Vesting and the Vested Options can be Exercised within a period of 5 years from date of Vesting of Option or till it is cancelled as per the provisions of the Scheme.

35 Employee benefit (post employment benefit plans)

a) Defined contribution plans

The Group operates defined contribution plan (Provident fund) for all qualifying employees of the Group. The employees of the Group are members of a retirement contribution plan operated by the government. The Group is required to contribute a specified percentage of payroll cost to the retirement contribution scheme to fund the benefits. The only obligation of the Group with respect to the plan is to make the specified contributions.

The group's contribution to Provident Fund aggregating INR 859 lakhs (31 March 2022 : INR 743 lakhs) (refer note 29) has been recognised in the Statement of Profit and Loss under the head employee benefits expense.

b) Defined benefit obligation

Gratuity benefit plan

The Group operates a defined benefit plan (the Gratuity plan) covering eligible employees. The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age/ resignation date.

The liability under the Payment of Gratuity Act, 1972 are determined on the basis of actuarial valuation made at the end of each financial year using the projected unit credit method.

The plan is of a final salary defined benefit in nature which is sponsored by the Group and hence it underwrites all the risks pertaining to the plan. The actuarial risks associated are:

Interest rate risk: The risk of government security yields falling due to which the corresponding discount rate used for valuing liabilities falls. Such a fall in discount rate will result in a larger value placed on the future benefit cash flows whilst computing the liability and thereby requiring higher accounting provisioning.

Longevity risk: Longevity risks arises when the quantum of benefits payable under the plan is based on how long the employee lives post cessation of service with the Group. The gratuity plan provides the benefit in a lump sum form and since the benefit is not payable as an annuity for the rest of the lives of the employees, there is no longevity risks.

Salary risk: The gratuity benefits under the plan are related to the employee's last drawn salary. Consequently, any unusual rise in future salary of the employee raises the quantum of benefit payable by the Group, which results in a higher liability for the Group and is therefore a plan risk for the Group.

Particulars	As at 31 March 2023	As at 31 March 2022
Significant assumptions		
Discount rate	7.00%	5.70%
Expected rate of salary escalation	8.00%	10.00%
Other assumption		
Mortality rate	Indian Assured Lives Mortality 2006-08 Ultimate	Indian Assured Lives Mortality 2006-08 Ultimate

The defined benefit plans expose the Group to risks such as Actuarial risk, Investment risk, Liquidity risk, Market risk, Legislative risk. These are discussed as follows:

Actuarial risk: It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:

Adverse salary growth experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in obligation at a rate that is higher than expected.

Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity Benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

Investment risk: For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

Liquidity risk: Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the Group there can be strain on the cash flows.

Market risk: Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in defined benefit obligation of the plan benefits and vice versa. This assumption depends on the yields on the government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

Legislative risk: Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the Payment of Gratuity Act, 1972, thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the defined benefit obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

Amount recognised in balance sheet in respect of these defined benefit obligation :

INR in Lakh

Particulars	As at 31 March 2023	As at 31 March 2022

Actuarial assumptions

INR in Lakh

Particulars	As at 31 March 2023	As at 31 March 2022
Discount rate	7.00%	5.70%
Estimated rate of return on plan assets	7.00%	5.70%
Attrition rate	M1 - M7: 38% M8 - M12: 18.5%	25.00%
Future salary increases	8.00%	10.00%
Retirement age	58 years	58 years

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market. Assumptions regarding future mortality are based on published statistics and mortality tables. The calculation of the defined benefit obligation is sensitive to the mortality assumptions.

Five year information

INR in Lakh

Gratuity	As at 31 March 2023	As at 31 March 2022	As at 31 March 2021	As at 31 March 2020	As at 31 March 2019
Defined benefit obligation	792	813	751	552	353

Experience adjustments on plan assets	(11)	(9)	4	2	2

Sensitivity analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase.The sensitivity analysis below have been determined based on reasonable possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant.The results of sensitivity analysis is as follows :

INR in Lakh

Particulars	Year ended 31 March 2023		Year ended 31 March 2022	
	Increase	Decrease	Increase	Decrease
100 basis points increase / decrease				
Discount rate	(20)	22	(25)	27
Future salary growth	20	(19)	25	(24)
Attrition rate	(26)	34	(8)	9

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There in no change in the method of valuation for the prior periods in preparing the sensitivity analysis. For change in assumptions refer to note (a) above.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation asset recognised in the balance sheet.

INR in Lakh

Particulars	As at 31 March 2023	As at 31 March 2022
Expected benefits for year 1	205.38	155.45
Expected benefits for year 2	171.48	141.20
Expected benefits for year 3	156.38	162.08
Expected benefits for year 4	142.68	164.72
Expected benefits for year 5	158.53	166.71
Expected benefits for year 6	143.35	173.08
Expected benefits for year 7	136.66	151.84

Expected benefits for year 9	96.16	123.02
Expected benefits for year 10 and above	69.88	105.62

The weighted average duration of the payment of these cash flows is 3 years (FY 2021-22 - 4 years)
The excepted contributions for the next year is INR 224 lakh.

c) Other long term employee benefits

The liability for compensated absences as at 31 March 2023 is INR 318 lakhs and as at 31 March 2022 is INR 293 lakhs.

d) The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Group towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Group will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

36 Segment reporting

The Group is primarily engaged into lending business. The Group has its operations within India and all revenues are generated within India. As such, there are no separate reportable segment as per the provisions of Ind AS 108 'Operating Segments'.

37 Contingent liabilities and commitments

INR in Lakh

Particulars	As at 31 March 2023	As at 31 March 2022
Claims against the Group not acknowledged as debts: Value added taxes	139	139
Bank guarantee against securitisation transactions	205	200
Claims against the Group not acknowledged as debts: Direct taxes	819	991
Commitments: Sanctioned and undisbursed amounts of loans	18,571	12,355

The Group also receives claims, including those on collection and repossession related matters, which arise in the ordinary course of the business. However, the management does not believe that such matters would have a material effect on the financial statements.

There are no significant capital commitments as at the year end.

40 Leases

The Group has adopted Ind AS 116 "Leases" and applied the standard to all outstanding lease contracts using modified retrospective method. The Group recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use assets at an amount equal to the lease liability discounted at the incremental borrowing rate at the date of initial application.

The following is the summary of practical expedients elected on initial application:

(a) Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.

(b) Applied the exemption not to recognise right to use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.

(c) Excluded the initial direct costs from the measurement of the right to use asset at the date of initial application.

Following are the changes in the carry value of the right of use assets for the year ended 31 March 2023.

A Fair value measurement

Valuation principles

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions i.e, exit price. This is regardless of whether that price is directly observable or estimated using a valuation technique.

B Measurement of fair values

Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the financial statements. These fair values were calculated for disclosure purposes only.

Short-term financial assets and liabilities

The Group has not disclosed the fair values for financial instruments which are short term in nature because their carrying amounts are a reasonable approximation of fair value.

Borrowings

The debt securities, borrowings and subordinated liabilities are primarily variable rate instruments. Accordingly, the fair value has been assumed to be equal to the carrying amount.

Loans, Dealer trade advances and other receivables

The fair values of loans and receivables are estimated by discounted cash flow models that incorporate assumptions for credit risks, foreign exchange risk, probability of default and loss given default estimates.

Investments

The fair values financial of held-to-maturity investments are estimated using a discounted cash flow model based on contractual cash flows using actual or estimated yields and discounting by yields incorporating the counterparties' credit risk.

Transfers between levels I and II

There has been no transfer in between level I and level II.

C Capital management

The Group maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the local banking supervisor, Reserve Bank of India (RBI). The adequacy of the Group's capital is monitored using, among other measures, the regulations issued by RBI.

The primary objectives of the Group's capital management policy are to ensure that The Group complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value

The Group manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, The Group may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

44 Financial risk management objectives and policies

The Group's principal financial liabilities comprise borrowings from banks and debentures. The main purpose of these financial liabilities is to finance the Group's operations and to support its operations. The Group's financial assets include loan and advances, investments and cash and cash equivalents that derive directly from its operations.

The Group's is exposed to credit risk, liquidity risk and market risk. the Group's board of directors has an overall responsibility for the establishment and oversight of the Group's risk management framework. The board of directors has established the risk management committee and asset liability committee, which is responsible for developing and monitoring the Group's risk management policies. The committee reports regularly to the board of directors on its activities.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

The Group's risk management committee oversees how management monitors compliance with the Group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Group.

(i) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counter-party to financial instrument fails to meet its contractual obligations and arises principally from the Group's receivables from customers and loans

The carrying amounts of financial assets represent the maximum credit risk exposure.

A Loans and advances

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry.

The Board has established a credit policy under which each new customer is analysed individually for creditworthiness before the Group's standard payment and delivery terms and conditions are offered. the Group's review includes external ratings, if they are available, financial statements, credit agency information, industry information etc.

The Group's exposure to credit risk for loans and advances by type of counterparty is as follows. All these exposures are with in India.

INR in Lakh

Particulars	As at 31 March, 2023	As at 31 March, 2022
Retail Loans	27,10,494	21,08,343
Term Loans	1,86,414	1,27,788
Repossessed loans	17,619	24,456
	29,14,527	**22,60,587**
Less : Impairment loss allowance	(72,967)	(83,833)
	28,41,560	**21,76,754**

An impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purposes of this analysis, the loan receivables are categorised into groups based on days past due. Each group is then assessed for impairment using the Expected Credit Loss (ECL) model as per the provisions of Ind AS 109 - financial instruments.

Staging:

As per the provision of Ind AS 109 general approach all financial instruments are allocated to stage 1 on initial recognition. However, if a significant increase in credit risk is identified at the reporting date compared with the initial recognition, then an instrument is transferred to stage 2. If there is objective evidence of impairment, then the asset is credit impaired and transferred to stage 3.

The Group considers a financial instrument defaulted and therefore Stage 3 (credit-impaired) for ECL calculations in all cases when the borrower becomes 90 days past due on its contractual payments.

For financial assets in stage 1, the impairment calculated based on defaults that are possible in next twelve months, whereas for financial instrument in stage 2 and stage 3 the ECL calculation considers default event for the lifespan of the instrument.It excludes the financial instruments - Investment in PTC and SRs.

As per Ind AS 109, Group assesses whether there is a significant increase in credit risk at the reporting date from the initial recognition. Group has staged the assets based on the Day past dues criteria and other market factors which significantly impacts the portfolio.

Holding Company

Days past dues status	Stage	Provisions
Current	Stage 1	12 Months Provision
1-30 Days	Stage 1	12 Months Provision
31-90 Days	Stage 2	Lifetime Provision
90+ Days	Stage 3	Lifetime Provision

Subsidiary Group

Days past dues status	Stage	Provisions
Current	Stage 1	12 Months Provision
1-30 Days	Stage 1	12 Months Provision
31-60 Days	Stage 2	Lifetime Provision
61-90 Days	Stage 2	Lifetime Provision
90+ Days	Stage 3	Lifetime Provision

Grouping

As per Ind AS 109, Group is required to group the portfolio based on the shared risk characteristics. Group has assessed the risk and its impact on the various portfolios and has divided the portfolio into following groups:

- Commercial vehicle loans (ICV, LCV, MCV, MUV, Buses)
- Heavy commercial vehicles
- Small commercial vehicles
- Two wheeler loan
- Tipper
- Tractor
- Car
- Construction equipments
- Three wheeler loan
- Housing Loan
- Loan against property
- Investments.
- Term Loans

Expected credit loss ("ECL"):

ECL on financial assets is an unbiased probability weighted amount based out of possible outcomes after considering risk of credit loss even if probability is low. ECL is calculated based on the following components:

a. Marginal probability of default ("MPD")
b. Loss given default ("LGD")
c. Exposure at default ("EAD")
d. Discount factor ("D")

Probablity of default:

PD is defined as the probability of whether borrowers will default on their obligations in the future. Historical PD is derived from the internal data which is calibrated with forward looking macroeconomic factors.

The Group has made overlays to the ECL Model to consider the impact of the Covid-19 pandemic on the provision. The probabilty of default has been stressed depending on the type of portfolio, credit risk and likely consequential default due to pandemic. The impact on collateral values is also stressed for determination of loss given default wherever necessary as appropriate.

For computation of probability of default ("PD"), Through the Cycle (TTC), PD was calculated based on average of Observed Default Rates (ODRs) using transition matrix approach. This is based on the delinquency status of accounts tracked at a time horizon of one year, the yearly migration of borrowers in each DPD Bucket to default. (NPA or greater than 90 DPD). The model rolls this behavior forward until all receivables are either paid or written off or closed. The output of the model is the probability of an account in each state rolling to Closure stated as a %.

The transition matrix was calculated for each historical year and TTC PD was calculated as average of ODR. The PDs for each bucket was calibrated to form an exponential PD curve.

As per Vasicek model, given long term PD and current

macroeconomic conditions, conditional PD corresponding to current macroeconomic condition is estimated.

The probability of default was calculated for 3 scenarios: upside (10%), downside (10%) and base (80%). This weightage has been decided on best practices and expert judgement. Marginal conditional probability was calculated for all 3 possible scenarios and one conditional PD was arrived as conditional weighted probability.

LGD:

LGD is an estimate of the loss from a transaction given that a default occurs. Under Ind AS 109, lifetime LGD's are defined as a collection of LGD's estimates applicable to different future periods. Various approaches are available to compute the LGD. The Group has considered the workout LGD approach by considering historical losses and recoveries. The following steps are performed to calculate the LGD:

1) Analysis of historical credit impaired accounts at cohort level.

2) The computation consists of five components, which are:

a) Outstanding balance (POS)

b) Recovery amount (discounted yearly) by initial contractual rate.

c) Expected recovery amount (for incomplete recoveries), discounted to reporting date using initial contractual rate.

d) Collateral (security) amount

e) Foreclosure cases

The formula for the computation is as below:

% Recovery rate = (discounted recovery amount + security amount + discounted estimated recovery) / (total POS)

% LGD = 1 – recovery rate

EAD:

As per Ind AS 109, EAD is estimation of the extent to which the financial entity may be exposed to counterparty in the event of default and at the time of counterparty's default. the Group has modelled EAD based on the contractual and behavioral cash flows till the lifetime of the loans considering the expected prepayments.

Group has considered expected cash flows for all the loans at DPD bucket level for each of the segments, which was used for computation of ECL. Moreover, the

EAD comprised of principal component, accrued interest and also the future interest for the outstanding exposure. So discounting was done for computation of expected credit loss.

Discounting:

As per Ind AS 109, ECL is computed by estimating the timing of the expected credit shortfalls associated with the defaults and discounting them using effective interest rate.

ECL computation:

Conditional ECL at DPD pool level was computed with the following method:

Conditional ECL for year (yt) = EAD (yt) * conditional PD (yt) * LGD (yt) * discount factor (yt)

The calculation is based on provision matrix which considers actual historical data adjusted appropriately for the future expectations and probabilities. Proportion of expected credit loss provided for across the stage is summarised below:

INR in Lakh

Particulars	Provisions	As at 31 March, 2023	As at 31 March, 2022
Stage 1	12 month provision	0.14%	0.15%
Stage 2	Life time provision	5.80%	3.86%
Stage 3	Life time provision	39.51%	41.38%
Amount of expected credit loss provided for		**72,967**	**83,833**

The loss rates are based on actual credit loss experience over past years. These loss rates are then adjusted appropriately to reflect differences between current and historical economic conditions and the Group's view of economic conditions over the expected lives of the loan receivables. Movement in provision of expected credit loss has been provided in below note.

Analysis of changes in the gross carrying amount and the corresponding ECL allowances:

INR in Lakh

Collateral and other credit enhancements

The amount and type of collateral required depends on an assessment of the credit risk of the counterparty. Guidelines are in place covering the acceptability and valuation of each type of collateral.The main types of collateral obtained are, vehicles, loan portfolios and mortgaged properties based on the nature of loans. Management monitors the market value of collateral and will request additional collateral in accordance with the underlying agreement. The Group advances loan to maximum extent of 70% of the value of the mortgaged properties and 100% in case of vehicles respectively.

The Group also physically reposses commercial vehicles for the recovery of loans. These balances are also disclosed in loan to customers as such repossessed assets are disposed.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure is the total of the carrying amount of the aforesaid balances.

(ii) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting its obligations associated with its financial liabilities. The Group's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due.

The Group is monitoring its liquidity risk by estimating the future inflows and outflows during the start of the year and planned accordingly the funding requirement. The Group manages its liquidity by unutilised cash credit facility, term loans and direct assignment and market instruments.

The composition of the Group's liability mix ensures healthy asset liability maturity pattern and well diverse resource mix.

The total cash credit along with overdraft limit available to the Group is INR 1,57,800 lakhs spread across 21 banks. The utilization level is maintained in such a way that ensures sufficient liquidity on hand.

The Group's portfolio is loans which qualifies as Priority Sector Lending. The Group has also made sales through direct assignment route (off book) approximately 10% to 25% of assets under management. This further strengthens the liability management.

The table below summarises the maturity profile of the Group's non derivative financial liabilities based on contractual undiscounted payments along with its carrying value as at the balance sheet date.

(iii) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk includes interest rate risk and foreign currency risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

(iv) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's investment in bank deposits and variable interest rate lending. Whenever there is a change in borrowing interest rate for the Group, necessary change is reflected in the lending interest rates over the timeline in order to mitigate the risk of change in interest rates of borrowings.

Fair value sensitivity analysis for Floating-rate instruments

Loans extended by the Group are fixed and floating rate loans.

The sensitivity analysis have been carried out based on the exposure to interest rates for bank deposits, lending and borrowings carried at variable rate.

INR in Lakh

Particulars	For the Year ended 31 March 2023		For the Year ended 31 March 2022	
	increase	decrease	increase	decrease
Change in interest rates (25 bps)				
Impact on profit for the year	(7,468)	7,468	(5,215)	5,215

45 Unhedged foreign currency exposure:

The Group has a process and procedure for managing currency induced credit risk. The Group enters into forward exchange contracts, forward rate agreements, coupon only swaps and interest rate swaps to mitigate interest rate risk on it's borrowings, as hedging instruments. The Group undertakes such transactions for hedging its balance sheet. The total borrowing covered under hedged exposure is Nil lakhs and unhedged exposure to borrowing is Nil as on March 31, 2023.

46 There are no transactions which have not been recorded in the books of accounts and has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Also, there are no previously unrecorded income and related assets.

47 Hinduja Leyland Finance Limited (HLF) has made an application to BSE Limited (Stock Exchange) for the proposed Merger with Nxtdigital Limited on 25 November 2022 and the said application is under process. HLF is also in the process of filing application to Competition Commission of India (CCI) for the proposed merger and in this regard had a pre-filing consultation meetings with CCI during March / April 2023. Nxtdigital Limited (Transferee Company, whose name has been changed to NDL Ventures Limited w.e.f. 20 April 2023) has also submitted application to Bombay Stock Exchange (BSE) and National Stock Exchange of India Ltd (NSE) where its shares are listed and merger and they will be also filing application to CCI for the proposed merger. NDL Ventures Limited has also submitted application to RBI for registration as NBFC on 23 December 2022.

48 The Group has registered all the charges with ROC within the statutory period.

The Group has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017.

The Group has not traded or invested in Crypto currency or Virtual Currency during the financial year.

49 RBI vide Circular dated 12 November 2021 and further clarified vide circular dated 15 February 2022. - "Prudential norms on Income Recognition, Asset Classification and Provisioning (IRACP) pertaining to Advances - Clarifications" has clarified / harmonized certain aspects of extant regulatory guidelines with a view to ensuring uniformity in the implementation of IRACP norms across all lending institutions. The Group has complied with the said norms with effect from 01 October 2022.

50 The Group hold immovable property and leases as on 31 March 2023 and 31 March 2022. All the title deeds for the immovable property are in the name of the Group and all the leases agreements are duly executed in favour of the Group for properties where the Group is the lessee.

The Group is not a declared wilful defaulter by any bank or financial institution or other lender, in accordance with the guidelines on wilful defaulters issued by the Reserve Bank of India, during the year ended 31 March 2023 and 31 March 2022.

51 The Group does not have any transactions with the companies struck off under section 248 of Companies Act, 2013 or section 560 of Companies Act, 1956 during the year ended 31 March 2023 and 31 March 2022.

52 No proceedings have been initiated or pending against the Group for holding any benami property under the Benami Transactions (prohibition) Act 1988 and rules made thereunder, as at 31 March 2023 and 31 March 2022.

The Group has sanctioned facilities from banks on the basis of security of current assets. The quarterly returns filed by the Group with such banks are in agreement with the books of accounts of the Company.

The Group does not have any investment property and hence its related disclosure is not applicable.

As per the Company's accounting policy, Property, Plant and Equipment (including Right of Use Assets) and intangible assets are carried at historical cost (less accumulated depreciation and impairment, if any), hence the revaluation related disclosures required as per Additional Regulatory Information of Schedule III (revised) to the Companies Act, is not applicable.

53 Reporting under rule 11(e) and 11(f) of Companies (Audit and Auditors) Rules, 2014

As a part of normal lending business, the Group grants loans and advances on the basis of security / guarantee provided by the borrower/ co-borrower. These transactions are conducted after exercising proper due diligence.

a. No funds have been advanced or loaned or invested by the Group to or in any other person(s) or entity(is) including foreign entities ("Intermediaries") with the understanding that the Intermediary shall lend or invest in a party identified by or on behalf of the Group (Ultimate Beneficiaries);

b. No funds have been received by the Group from any party(s) (Funding Party) with the understanding that the Group shall whether, directly or indirectly, lend or invest in other persons or entities identified by or on behalf of the Group ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

54 Share of individual companies in the consolidated net assets and consolidated profit or loss

a Share in net assets i.e. total assets minus total liabilities as a % of consolidated net assets

CHAIRMAN'S MASSAGE

Dear Shareholders,

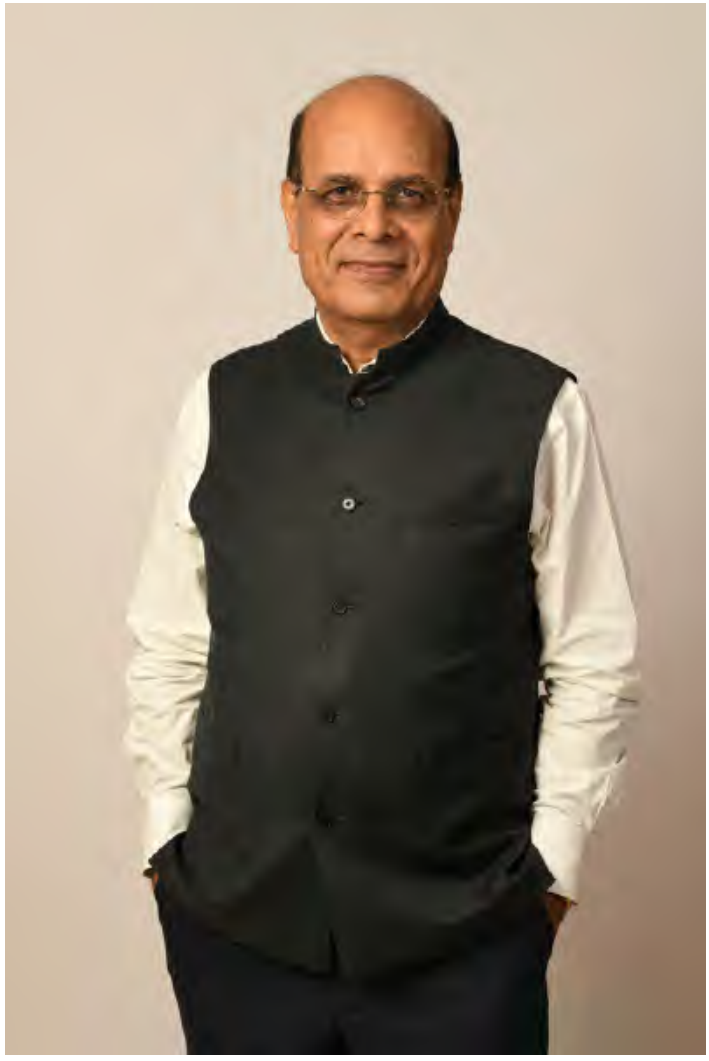
Greetings! I hope you and your families are in the best of health and good cheer!

Another year has passed and it is appropriate that I update you on where your Company stands today and a glimpse into your Company's journey to the future.

The Environment:

Global and domestic economic environments have a direct bearing on the financial markets of any economy. A glimpse into these would be relevant given your company's aspirations to expand in the financial services sector.

Taking off from the unstable environment of the previous year, the global economy exhibited steady yet uneven growth across regions during the year 2024 and early part of 2025. While global manufacturing sector saw a slowdown due to various factors, the services sector performed relatively better supporting growth in many economies. It was clearly a year where the services sector outperformed the manufacturing sector. Financial markets remained volatile with central banks of different countries adopting varying polices to hold inflation and ensure stability.



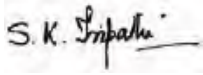
In this global context, India displayed steady economic growth. As per the first advance estimates of national accounts, India's real GDP is estimated to grow by 6.4 per cent in the year 2025-26. Fiscal discipline and strong external balance supported by a services trade surplus and healthy remittance growth contributed to macroeconomic stability. Together, these factors provided a solid foundation for sustained growth amid external uncertainties.

With respect to the financial services sector in India, the environment has generally been stable. With the recent interest rate cuts the Reserve Bank of India has given a big thumbs up for growth and is likely to continue its impetus for growth which bodes very well for the financial services sector.

The recent RBI policy actions supporting NBFC operations related to liquidity measures, regulatory framework and oversight, and, specific support to Affordable housing Finance augurs well for the sector.

The way forward:

As you are aware, the Company had applied to the Reserve Bank of India (RBI) for being registered as a Non-Banking Finance Company to enable it to enter the financial services sector. Your Company's entry into the financial services sector has been planned by way of a merger by absorption of Hinduja Leyland Finance Limited (HLFL) into the Company. You would be pleased to note that while the RBI has communicated to the Company that such registration is not required at this moment of the merger process and will be provided on approval of the merger by the relevant authorities, it has also advised HLFL to obtain a No Objection Certificate (NOC) from the RBI for the merger. HLFL has already made an application for the same and is awaiting response from then RBI.



Corporate Governance:

The Company has over the decades of operations maintained highest standards of governance and conducted business with integrity and fairness. This philosophy in no small measure has contributed also to the creation of stakeholder value. Corporate governance for the Company goes well beyond meeting mandatory compliance requirements. Transparency in dealings and good governance have become a culture in the organization.

Conclusion

My sincere appreciation for your continued support to the Company and look forward to such progressive support in the years to come. I would also like to thank the Directors who have been providing guidance to the Company, the Management which is rigorously pursuing the plans of the Company, Employees and Associates of the company. Also, my gratitude to our Bankers, Auditors, and Advisors for their continuous help and guidance during the year to help maintaining the highest standards of corporate governance, which is accorded the top priority at the Hinduja Group.

I conclude by wishing you all good health and happiness.

Sudhanshu Tripathi
Chairman

BOARD'S REPORT

Dear Members,

The Board of Directors of NDL Ventures Limited (formerly known as NXTDIGITAL Limited) ("the Company") are pleased to present the 40th (Fortieth) Annual Report of the Company along with the Audited Financial Statements for the financial year ended March 31, 2025.

In compliance with the applicable provisions of the Companies Act, 2013, **("the Act")**, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 **("SEBI Listing Regulations")**, this Board's Report is prepared based on the standalone financial statements of the Company for the year under review.

OVERVIEW OF FINANCIAL PERFORMANCE

Key highlights of the Company's financial performance for the financial year ended March 31, 2025, are summarized as under:

(₹ in Lakh)

Particulars	FY 2024-25	FY 2023-24
Total income	**494.31**	590.15
Total expenses	**390.46**	410.04
Earnings before Interest, Depreciation, and taxes	**103.85**	180.11
Finance Costs	**-**	-
Depreciation and Amortization	**-**	-
Profit/(Loss) before tax from continuing operations	**103.85**	180.11
Tax		
- Current Tax	**25.48**	31.55
- Deferred Tax	**19.29**	(13.02)
Profit/(Loss) after tax for the year.	**59.08**	161.58

Since the Company has no subsidiaries, the consolidated financial results are not required to be prepared and hence, not provided. The Company presently holds real estate as part of its Real Estate business segment and has invested surplus funds in inter-corporate deposits. In 2022, the Company has amended its Memorandum of Association to enable it to carry on business in the financial services sector.

The "Merger by Absorption" of Hinduja Leyland Finance Limited with the Company, as proposed by the Board of Directors of the Company, subject to shareholders and necessary statutory/regulatory approvals, is in progress.

DIVIDEND

The Board of Directors, at their meeting held on April 29, 2025, recommended the payment of dividend of ₹ 0.50 (Paise fifty only) per equity share (previous year ₹ 1.00 per equity share), i.e., 5% of the face value of equity share of ₹ 10/- each for the financial year 2024-25. The proposal for such a dividend is subject to approval of the shareholders at the ensuing Annual General Meeting of the Company.

The dividend recommended is in accordance with the Dividend Distribution Policy of the Company. The Dividend Distribution Policy, in terms of Regulation 43A of the SEBI Listing Regulations is available on the Company's website at https://ndlventures.in/investors/corporate-policies/

TRANSFER TO RESERVES

No amount has been proposed to be transferred to the General Reserve during the financial year ended March 31, 2025.

CHANGES IN SHARE CAPITAL

The paid-up equity capital of the Company as on March 31, 2025, was ₹ 33,67,16,210/- comprising of 3,36,71,621 Equity Shares of ₹ 10/- each. The said shares are listed on the BSE Limited and the National Stock Exchange of India Limited. There was no change in the paid-up equity capital of the Company during the year under review.

As on March 31, 2025, out of the Company's total paid-up equity capital comprising of 3,36,71,621 Equity Shares, 3,30,42,498 Equity Shares (98.13%) were held in dematerialized mode. The Company's equity shares are compulsorily tradable in electronic form.

UPDATE ON SCHEME OF MERGER

The Company has been informed by the Reserve Bank of India that the Company would be granted Certificate of Registration (CoR) as a Non Banking Finance Company once the merger of Hinduja Leyland Finance Limited (HLFL) with the Company is approved by the NCLT and that simultaneously on merger and surrender of CoR by HLFL. Thus, in order to take forward the proposal for the Merger by Absorption of Hinduja Leyland Finance Limited (HLFL) into itself and as suggested by RBI, HLFL has re-initiated the process of obtaining NOC from RBI regarding its merger with NDL Ventures Limited. The process of approval is underway, and the Company has been providing information as required by the RBI for the purpose. Post receipt of NOC by HLFL, the Company will initiate seeking approvals of statutory/regulatory authorities in line with the requirements of relevant applicable provisions of the Companies Act, 2013, SEBI Listing Regulations and other laws for the proposed merger of HLFL.

BUSINESS REVIEW

State of the Indian Economy

The global economy witnessed continued global uncertainty marked by geopolitical tensions, inflationary pressures, and shifting monetary policies across major economies. Growth was uneven across regions, with advanced economies (AEs) recording stable expansion while emerging markets and developing economies (EMDEs) reporting mixed trends. Global manufacturing weakened, particularly in Europe and parts of Asia, due to supply-chain disruptions and reduced external demand. The services sector remained resilient and contributed positively to economic activity. Inflation pressures eased in most economies but remained persistent in the services sector. Key geopolitical risks include the Russia-Ukraine conflict, the Israel-Hamas conflict, cyber threats and global trade route disruptions. Inflation declined globally due to monetary tightening but remained high in services, driven by wage growth.

Despite these challenges, the GDP growth estimated at 6.4% for FY25, maintaining strong domestic economic momentum. The service sector expanded by 7.2% in FY25, led by financial services, IT and public administration. This growth has positively impacted the financial services sector, particularly the NBFC segment, which continued its recovery post-COVID.

Nature of Company's Business and future outlook

The Company has taken steps to focus on the financial services sector and towards this the Board of Directors of the Company have proposed a "Merger by Absorption" of Hinduja Leyland Finance Limited with the Company. The financial services sector in India is booming and with the encouragement given by the Government of India for boosting of the economy, and with the interest rate cuts announced by the Reserve Bank of India to boost economic growth, the financial services sector is expected to do exceedingly well in the years to come.

SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES

As on March 31, 2025, the Company does not have any subsidiary, associate, or joint venture company. As such, a statement containing the salient features of financial statements of subsidiaries of the Company in the prescribed Form AOC-1 is not required to be prepared, hence, does not form a part of this Annual Report.

BOARD OF DIRECTORS

The Board of the Company is comprised of eminent people with proven competence and integrity. Besides their experience, strong financial acumen, strategic astuteness, and leadership qualities, they have a significant degree of commitment towards the Company and devote adequate time to the meetings and preparation.

Re-appointment of Director retiring by rotation

In accordance with the provisions of Section 152(6) of the Act and in terms of the Articles of Association of the Company, Mr. Sachin Pillai, Director (DIN: 06400793) is liable to retire by rotation at the ensuing 40th Annual General Meeting ("40th AGM") and being eligible, seeks reappointment. The Board recommends his reappointment for the consideration of the members of the Company at the forthcoming 40th AGM.

Change in Independent Directors

Mr. Anil Harish (DIN: 00001685) who was on the Board of our Company for over a decade resigned from the Board of the Company vide his resignation letter dated July 8, 2024 due to his pre-occupation on the Boards of various other companies and his busy engagements in the charitable work he is carrying out with respect to different colleges and educational institutions supported by him and his family. The Board places on record its appreciation for the all the valuable support and guidance provided by Mr Anil Harish to the Board and the management during his tenure as the Independent Director of the Company.

The Board, at its meeting held on August 8, 2024, based on the recommendation of the Nomination and Remuneration Committee of the Company, appointed Mr. Debabrata Sarkar (DIN: 02502618) as Independent Director for a period of five consecutive

years, which was subsequently approved by the shareholders of the Company at 39th Annual General Meeting held on 13th September, 2024.

In Accordance with Section 149(09) and Section 149(10) which outline the requirement of maximum tenure for independent director on the boards of company, Ms. Bhumika Batra (DIN: 03502004) was appointed initially on the Board of company on 11th March 2015 as a non-executive independent director and reappointed on 11th March 2020 for a period of 5 years ending on 10th March 2025 subject to approval of shareholders which was subsequently approved by shareholders at 35th Annual General Meeting of the Company held on 30th September 2020. Ms. Bhumika Batra (DIN: 03502004) successfully completed 2 consecutive terms of 5 years each on 10th March 2025 and retired from the board and Committees of the company adhering to the provisions of section 149 of the companies Act, 2013 from the closure of business hours of 10th March 2025.

The Board places on record its appreciation for the all the valuable support and guidance provided by Ms. Bhumika Batra to the Board and the management during her tenure as the Independent Director of the Company.

The Board, at its meeting held on February 18, 2025, based on the recommendation of the Nomination & remuneration Committee of the Company, appointed Ms. Vandana Jaisingh (DIN: 06674779) as an Independent Director for a period of 2 (two) years subject to the approval of the shareholders through Postal Ballot Notice dated March 26, 2025 which was approved by the shareholders of the company through requisite majority on 27th April, 2025. The results of postal ballot and scrutinizers report was submitted to the exchange on 28th April, 2025.

KEY MANAGERIAL PERSONNEL

In accordance with the provisions of Section 2(51) read with Section 203 of the Act, the following are the Key Managerial Personnel of the Company as on the date of this report:

- Mr. Amar Chintopanth, Whole - Time Director & Chief Financial Officer
- Ms. Sumati Sharma, Company Secretary

Change in Key Managerial Personnel

Mr. Ashish Pandey, has ceased to act as Company Secretary and Compliance Officer of the company with effect from closure of business hours of November 30, 2024, due to an internal transfer.

The Board places on record its appreciation for the all the valuable support and expertise in dealing with legal and compliance aspect of the company by Mr. Ashish Pandey during his tenure as the Company Secretary and Compliance Officer of the Company.

The Board, at its meeting held on November 28, 2024, based on the recommendation of the Nomination & remuneration Committee of the Company, appointed Ms. Sumati Sharma (M.No.-A51019) as the Company Secretary and Compliance Officer of the Company with effect from 01st December 2024.

Brief Profile of Ms. Sumati Sharma (Company Secretary & Compliance Officer)

Ms. Sumati Sharma has over 8 years of work experience across companies in varied industry segments. She is Associate Member (ACS-51019) of the Institute of Company Secretaries of India. In addition, she has done B. Com. from Vikram University, Ujjain, Madhya Pradesh.

MEETINGS OF BOARD OF DIRECTORS

The Board meets at regular intervals to discuss and decide on the Company's business policy and strategy apart from other Board business. The Board/Committee meetings are pre-scheduled, and a tentative annual calendar of the Board and Committee meetings is circulated to the Directors well in advance to help them plan their schedule and ensure meaningful participation in the meetings. Only in case of special and urgent business, if the need arises, the Board's or Committee's approval is taken by passing resolutions through circulation or by calling the Board / Committee meetings at a shorter notice, in accordance with the applicable laws. The agenda for the Board and Committee meetings includes detailed notes on the items to be discussed to enable the Directors to make an informed decision.

During the financial year 2024-25, the Board met 6 (six) times. The details of the meetings of the Board of Directors of the Company held and attended by the Directors are given in the Corporate Governance Report which forms part of this Report.

The maximum interval between any two meetings did not exceed 120 days, as prescribed by the Act and the SEBI Listing Regulations.

BOARD COMMITTEES

As required under the applicable laws, the Board delegated certain functions to its various committees that are established for that purpose. These committees conduct detailed reviews of the items under their purview before presenting them to the Board for consideration. The committees appointed

by the Board are dedicated to specific areas and have the delegated authority to make informed decisions within their respective scopes. Generally, committee meetings are held before the Board meeting, and the Chairperson of each committee reports to the Board about the deliberations and decisions taken by the committees. They also provide specific recommendations to the Board on matters within their purview. All decisions and recommendations made by the committees are presented to the Board for either approval or information. During the year under review, all recommendations made by the committees have been accepted by the Board. The details of the composition of the Committees, their meetings held during the year including their terms of reference are provided in the Corporate Governance Report. The composition and terms of reference of all the Committees of the Board of Directors of the Company is in line with the provisions of the Act and the SEBI Listing Regulations.

As on March 31, 2025, the Board has 6 (six) Committees:

1. Audit Committee,
2. Nomination & Remuneration Committee,
3. Corporate Social Responsibility Committee,
4. Risk Management Committee,
5. Stakeholders Relationship Committee, and
6. Committee of Directors – Integration Committee.

Details of composition, role and responsibilities of the said Committees, the particulars of meetings held, and attendance of the Members at such Meetings are mentioned in the Report on Corporate Governance attached as **"Annexure B"**, which forms part of this Annual Report.

COMPOSITION AND MEETINGS OF AUDIT COMMITTEE

The Board has established a qualified and independent Audit Committee in accordance with the requirements of Section 177 of the Act and Regulation 18 of the SEBI Listing Regulations. The Audit Committee was comprised of four (04) Members till 10th March, 2025. The Committee was chaired by Mr. Anil Harish, Independent Director, ceased w.e.f. July 08, 2024, and thereafter, by Mr. Munesh Khanna, Independent Director. The other Members of the Committee are Ms. Bhumika Batra, Independent Director till March 10, 2025, Mr. Debabrata Sarkar, Independent Director from August 08, 2024, Mr. Sudhanshu Tripathi, Non-Executive Director till August 08, 2024, and Mr. Sachin Pillai, Non- Executive Non-Independent Director from August 08, 2024. Currently, the Audit Committee is comprised of three (03) members, viz., Mr. Munesh Khanna, Independent Director & Chairman of the Committee, Mr. Debabrata Sarkar, Independent Director and Mr. Sachin Pillai, Non-Executive Non-Independent Director. The Committee met 4(four) times in the financial year 2024-25. The Board has accepted all the recommendations of the Audit Committee during the year under review.

Details of the role and responsibilities of the Audit Committee, the particulars of meetings held, and attendance of the Members at such Meetings are mentioned in the Report on Corporate Governance, which forms part of this Annual Report.

COMPOSITION AND MEETINGS OF NOMINATION AND REMUNERATION COMMITTEE

The Nomination and Remuneration Committee is comprised of three Members. The Committee was chaired by Mr. Anil Harish, Independent Director, ceased w.e.f. July 8, 2024, and thereafter, by Ms. Bhumika Batra, Independent Director, till March 10, 2025, and thereafter by Mr. Munesh Khanna, Independent Director. The other Members of the Committee are Mr. Debabrata Sarkar from August 08, 2024, Independent Director and Mr. Sudhanshu Tripathi, Non-Executive Director. The Committee met 3(three) times in the financial year 2024-25.

Details of the role and responsibilities of the Nomination and Remuneration Committee, the particulars of meetings held, and attendance of the Members at such Meetings are mentioned in the Report on Corporate Governance, which forms part of this Annual Report.

COMPOSITION AND MEETINGS OF STAKEHOLDERS RELATIONSHIP COMMITTEE

The Stakeholders Relation Committee is comprised of three Members. The Committee was chaired by Ms. Bhumika Batra, Independent Director till March 10, 2025 and thereafter by Ms. Vandana Jaisingh, Independent Director. The other Members of the Committee are Mr. Sudhanshu Tripathi, Non-Executive Director and Mr. Amar Chintopanth, Whole-Time Director & Chief Financial Officer. The Committee met once in the financial year 2024-25.

Details of the role and responsibilities of the Stakeholders Relationship Committee, the particulars of meetings held, and attendance of the Members at such Meetings are mentioned in the Report on Corporate Governance, which forms part of this Annual Report.

DECLARATION BY INDEPENDENT DIRECTORS

As on date of this report, Mr. Anil Harish (ceased w.e.f. July 8, 2024), Ms. Bhumika Batra (till March 10, 2025),

Mr. Munesh Khanna, Mr. Debabrata Sarkar (from August 08, 2024) and Ms. Vandana Jaisingh (from February 18, 2025) are the Independent Directors of the Company. All the Independent Directors of the Company have submitted their declaration, *inter alia*, confirming that:

- they meet the criteria of independence as prescribed under the provisions of the Act, read with the Schedule and Rules made thereunder, and the SEBI Listing Regulations. There has been no change in the circumstances affecting their status as Independent Directors of the Company.
- they have complied with the Code for Independent Directors prescribed under Schedule IV to the Act; and
- they have registered themselves with the Independent Director's Database maintained by the Indian Institute of Corporate Affairs.

In terms of Regulation 25(8) of the SEBI Listing Regulations, the Independent Directors have confirmed that they are not aware of any circumstance or situation that exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties with an objective independent judgment and without any external influence.

None of the Directors of the Company are disqualified for being appointed as Directors as specified under Section 164(2) of the Act read with Rule 14(1) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

CODE OF CONDUCT FOR DIRECTORS AND SENIOR MANAGEMENT

All the Directors and senior management have affirmed the compliance of the Code of Conduct as approved and adopted by the Board of Directors and a declaration to this effect signed by the Whole-Time Director & Chief Financial Officer has been annexed as **"Annexure A"** to this Report in line with the requirement of Regulation 26(3) read with Schedule V(D) of the SEBI Listing Regulations. The Code of Conduct of the Company is available on the website of the Company at http://ndlventures.in/investors/code-of-conduct/.

FAMILIARISATION PROGRAMME FOR DIRECTORS INCLUDING INDEPENDENT DIRECTORS

The Company has an orientation process/ familiarization program for its directors (including Independent Directors), which includes sessions on various business and functional matters and strategy sessions. The Company ensures induction and training programs are conducted for newly appointed Directors. New Directors are taken through a detailed induction and familiarization program, including briefing on their role, responsibilities, duties, and obligations, the nature of the business and business model, matters relating to Corporate Governance, Code of Business Conduct, Risk Management, Compliance Programs, Internal Audit, etc. This is in compliance with the requirements of Regulation 25(7) of the SEBI Listing Regulations. The Company's Whole-Time Director & CFO makes presentations to Board members every quarter, sharing updates about the Company's business strategy, operations, and the key trends in the industry relevant for the Company. These updates help the Board members in keeping abreast of the key changes and their impact on the Company. The Board members are regularly updated on business updates, business models and the competitive environment. The Board is also updated on organizational risks, industry review, internal financial controls, changes in corporate and allied laws through presentations.

The details of the Familiarization Programme conducted are available on the website of the Company at https://ndlventures.in/contents/static/uploads/inv/sebi-clause46/Familiarisation_programme_of_Independent_Directors_(1)_.pdf

DIRECTOR'S RESPONSIBILITY STATEMENT

Pursuant to the requirements of Sections 134(3)(c) and 134(5) of the Act, the Board of Directors, to the best of their knowledge and ability, confirm that for the financial year ended March 31, 2025:

a. in the preparation of the annual accounts for the year ended March 31, 2025, the applicable accounting standards read with requirements set out under Schedule III to the Act, have been followed and there are no material departures from the same;

b. the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as of March 31, 2025, and of the profit/loss of the Company for the year ended on that date;

c. the Directors have taken proper and enough care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.

d. the Directors have prepared the annual accounts on a going concern basis;

e. the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and

f. the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

ANNUAL EVALUATION OF THE BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

The Board evaluation is an essential part of the Company's commitment to good corporate governance. By conducting an annual evaluation of its Board, Committees, and individual members, the Company demonstrates its commitment to transparency, accountability, and effective governance. It enables the Board to identify areas where it can improve its performance and ensures that the Company's governance practices remain in line with best practices. The Company's Corporate Governance Guidelines require an annual evaluation of all Board Members and the functioning of the Board and its mandatory Committees. These mandatory Committees includes the Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee, Corporate Social Responsibility Committee, and Risk Management Committee. The purpose of the evaluation is to assess the performance of the Board, and its committees and identify areas for improvement. During FY2024-25, the Board, its committees, and individual directors, including the Chairman, underwent a comprehensive performance evaluation.

The Company engaged the services of an external agency to undertake the evaluation process. The manner in which the Board has carried out the evaluation in consultation with such an external agency has been explained in the Corporate Governance Report, which forms part of this report. The Independent Directors at their separate meeting held on February 18, 2025 reviewed the performance of Non-Independent Directors and the Board as a whole, Chairman of the Board after taking into account the views of Executive Director and Non-Executive Directors, the quality, quantity and timeliness of flow of information between the Company's management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

CORPORATE GOVERNANCE REPORT

Maintaining high standards of Corporate Governance has been fundamental to the business of the Company since its inception. The Board of Directors reaffirm their continued commitment to good Corporate Governance and ethical practices.

Your Company has complied with the Corporate Governance requirements specified under SEBI Listing Regulations during the year under review. A detailed report on Corporate Governance as required under Regulation 34 read with Schedule V of the SEBI Listing Regulations is annexed as **"Annexure B"** to this report.

As required by Schedule V(E) of the SEBI Listing Regulations, a certificate from Practicing Company Secretary certifying that the Company has complied with the conditions of Corporate Governance as required therein is annexed as **"Annexure C"** to this Report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

In compliance with Regulation 34 of the SEBI Listing Regulations, the separate section on Management Discussion and Analysis, as approved by the Board, which includes details on the state of affairs of the Company, forms part of this Annual Report as **"Annexure D".**

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

Regulation 34(2)(f) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI vide Circular No. SEBI/HO/CFD/CFD-SEC-2/P/CIR/2023/122 dated July 12, 2023, requires Top One Thousand listed entities based on market capitalization, to submit Business Responsibility and Sustainability Report (BRSR) as per the format specified by SEBI. As the name of NDL Ventures Limited did not fall under the list of top 1000 listed Companies based on market capitalization provided by NSE and BSE. Business Responsibility and Sustainability Report (BRSR) for the FY2024-25 is not applicable to NDL Ventures Limited.

DEPOSITS FROM PUBLIC

The Company has not accepted any deposits from the public within the meaning of Chapter V of the Act, and rules made thereunder during the financial year 2024-25.

LOANS, GUARANTEES, AND INVESTMENTS

Particulars of loans given, investments made, guarantees given, and securities provided are given in Note nos. 5 and 6 of the Notes forming part of Financial Statements.

INTERNAL FINANCIAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has comprehensive internal control mechanism and also has in place adequate policies and procedures for the governance of orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding its assets, prevention, and detection

of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial disclosures. The Company's internal control systems are commensurate with the nature of its business, and the size and complexity of its operations and such internal financial controls concerning the Financial Statements are adequate. The Company's Internal Auditor (IA) reports to the Audit Committee and submits its report annually. The remediation of deficiencies as identified by the IA has resulted in a robust framework for internal controls. Further, Statutory Auditors in its report expressed an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls.

The Company has complied with specific requirements as laid under Section 134(5)(e) of the Act, which calls for establishment and implementation of the Internal Financial Control framework that supports compliance with requirements of the Act in relation to the Director's Responsibility Statement.

The Audit Committee, based on its evaluation, has concluded that as on March 31, 2025, your Company's internal financial controls were adequate and operating effectively.

ANNUAL RETURN

Pursuant to Section 134(3)(a) of the Act, the Annual Return of the Company prepared as per Section 92(3) of the Act for the financial year ended March 31, 2025, is available on the Company's website and can be accessed at https://ndlventures.in/investors/annual-reports/.In terms of Rules 11 and 12 of the Companies (Management and Administration) Rules, 2014, the Annual Return shall be filed with the Registrar of Companies, within prescribed timelines.

STATUTORY AUDITORS AND THEIR REPORT

Based on the recommendation of the Audit Committee and Board of Directors, the shareholders of the Company at the 37th Annual General Meeting held on September 27, 2022 appointed M/s. S. K. Patodia & Associates, Chartered Accountants (Firm Registration No. 112723W) as Statutory Auditors of the Company for a period of three years commencing from the conclusion of 37th Annual General Meeting till the conclusion of 40th Annual General Meeting of the Company. M/s. S. K. Patodia & Associates, Chartered Accountants (Firm Registration No. 112723W) confirmed their eligibility for appointment as Statutory Auditors of the Company.

M/s. S. K. Patodia & Associates, Chartered Accountants, Statutory Auditors of the Company have issued an unmodified opinion on the Financial Statements for the financial year 2024-25 and the Auditor's Report forms part of this Annual Report.

Further, subject to the approval of Shareholders in their 40th Annual General Meeting, the Board has approved the re-appointment of M/s. S. K. Patodia & Associates, Chartered Accountants (Firm Registration No. 112723W) as Statutory Auditors of the Company for a period of 5 (five) consecutive years commencing from the conclusion of 40th Annual General Meeting till the conclusion of 45th Annual General Meeting of the Company.

REPORTING OF FRAUDS BY AUDITORS

The Statutory Auditors have not reported any instance of fraud committed against the Company by its officers or employees under Section 143(12) of the Act.

SECRETARIAL AUDITORS AND THEIR REPORT

According to the provisions of Section 204 of the Act and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board had appointed Ms. Rupal Jhaveri, a Practicing Company Secretary (CP: 4225) to undertake Secretarial Audit for the financial year 2024-25. The Secretarial Audit Report in the Form No. MR-3 for the year ended March 31, 2025 is annexed as **"Annexure E"** to this Report.

The Secretarial Audit Report for the year under review does not contain any qualifications, reservations, or adverse remarks.

In accordance with the Regulation 24A of the SEBI Listing Regulations, the Company has obtained Annual Secretarial Compliance Report from Ms. Rupal Jhaveri, Practicing Company Secretary, confirming compliances with all applicable SEBI Regulations, Circulars and Guidelines for the year ended March 31, 2025.

Ms. Rupal Jhaveri, Practicing Company Secretary, has issued a certificate confirming that none of the Directors on the Board of the Company has been debarred or disqualified from being appointed or continuing as Directors of companies by SEBI/MCA or any such statutory authority. The said certificate is annexed to this Report.

In line with the amended Regulation 24A of the Listing Regulations, subject to the approval of Shareholders in their 40th Annual General Meeting, the Board has approved the appointment of Ms. Rupal Jhaveri, Practicing Company Secretary as the Secretarial Auditors of the Company for a term of 5 (five) consecutive years with effect from FY 2025-26 to FY 2029-30.

COMPLIANCE OF SECRETARIAL STANDARDS

Section 118 of the Act mandates compliance with the Secretarial Standards on board meetings and general meetings issued by the Institute of Company Secretaries of India, as amended from time to time. During the year under review, the Company has complied with the applicable Secretarial Standards (SS).

COST RECORDS AND AUDIT

The Company is not presently engaged in any activity on which cost audit is applicable.

RELATED PARTY TRANSACTIONS

The Company has a well-defined process of identification of related parties and transactions with related parties, its approval and review process. The Company's Policy on dealing with materiality of related party transactions is available on the website of the Company at https://ndlventures.in/investors/corporate-policies/. There are no materially significant related party transactions that may have potential conflict with interest of the Company at large.

All related party transactions during the financial year 2024-25 were in the ordinary course of business and at an arm's length basis and do not attract the provisions of Section 188 of the Act, hence, no particulars in Form AOC-2 have been furnished.

Related party transactions entered during the financial year under review are disclosed in note no. 24 of notes to the financial statements of the Company for the financial year ended March 31, 2025. These transactions entered were at an arm's length basis and in the ordinary course of business. All the transactions with related parties were reviewed and approved by the Audit Committee and were in accordance with the Policy on dealing with and materiality of related party transactions and the related party framework, formulated and adopted by the Company.

In terms of Regulation 23 of the SEBI Listing Regulations, the Company submits within the stipulated time from the date of publication of its financial results for the half year, disclosures of related party transactions, in the specified format to the Stock Exchanges i.e. BSE and NSE. The said disclosures are available on the website of the Company at https://www.ndlventures.in/investors/financial-results-2/.

Approval of the Shareholders was sought with respect to the material related party transactions with Hinduja Realty Ventures Limited, Hinduja Global Solutions Limited, IndusInd Media & Communications Limited, IN Entertainment (India) Limited and One OTT Intertainment Limited, all during the period from April 1, 2024, to September 30, 2024, or till the date of the Annual General Meeting to be held in the financial year 2024-25 whichever was earlier. The Company then took further approval of shareholders of the Company at the 39th Annual General Meeting held on September 13, 2024, for the proposed material related party transactions to be entered during the period from September 14, 2024, to September 13, 2025, or till the date of next Annual General Meeting to be held in the financial year 2025-26 whichever is earlier with the specified limits.

Approval of the Shareholders is being sought on material related party transactions with the related parties at the ensuing Annual General Meeting for a period of one year from conclusion of the ensuing Annual General Meeting till the conclusion of the next Annual General Meeting.

CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility committee comprises of Mr. Munesh Khanna, Independent Director as Chairman, Mr. Sudhanshu Tripathi, Non-Executive Director and Mr. Amar Chintopanth, Whole-Time Director & CFO as members. The Committee met once during the year 2024-25. The Committee has formulated and recommended to the Board, Corporate Social Responsibility ("CSR") Policy indicating activities to be undertaken by the Company, which has been approved by the Board. The contents of the CSR Policy of the Company as approved by the Board on the recommendation of the CSR Committee are available on the website of the Company and can be accessed through the web link: https://www.ndlventures.in/investors/corporate-policies/ .

The CSR Committee at its meeting held on January 23, 2025, arrived at a conclusion that considering average loss for the last three years, as computed for the financial year 2024-25, there would not be any statutory obligation to provide the funds for CSR activities. The Board, at its meeting held on January 23, 2025, reviewed and confirmed the same.

The annual report on CSR is provided in the **"Annexure- F"** to this report.

WHISTLE BLOWER POLICY AND VIGIL MECHANISM

Your Company has laid down a Vigil Mechanism and formulated a Whistle Blower Policy in order to provide a framework for responsible and secure whistle blowing mechanism. The Policy aims to provide an avenue for Employees and Directors to raise their concerns about unethical behavior, actual or suspected fraud or violation of the company's code of conduct and it also empowers

the Audit Committee of the Board of Directors to investigate the concerns raised by the employees. Your Company confirms that no Director or employee has been denied access to the Chairperson of the Audit Committee and that no complaints were received during the year 2024-25.

Details of the Company's policy on Whistle Blower / Vigil Mechanism can be accessed at https://www.ndlventures.in/investors/corporate-policies/.

RISK MANAGEMENT

Risks are an integral part of business, and it is imperative to manage these risks at acceptable levels in order to achieve business objectives. The risks to which the Company is exposed are both external and internal. Your company has formulated a Risk Management Policy to provide an integrated and standardized approach in managing all aspects of risk to which your Company is exposed. A Board-level Risk Management Committee monitors the Enterprise Risk Management Policy with participation from officers responsible for risk management and to take appropriate steps to ensure that these risks are at acceptable levels. The Audit Committee and Board are updated on how each of the identified risks is monitored during the reporting period to ensure that there is no adverse impact on the Company.

INSIDER TRADING REGULATIONS

Based on the requirements under SEBI (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time, the Company has adopted a Code of Conduct for Prevention of Insider Trading and Policy on Disclosure of Material Events/ Information which is applicable to all Directors and the Designated Employees of the Company. The Code lays down the guidelines, on the procedures to be followed and disclosures to be made while dealing in shares of the Company and indicate the consequences of non-compliance. A copy of the Code has been put on the Company's website at https://www.ndlventures.in/investors/insider-trading/

Report on Corporate Governance

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Maintaining high standards of Corporate Governance has been fundamental to the business of the Company since its inception. With more than 40 years of existence, our Corporate Governance framework has grown over time and embodies values of trust, integrity, respect, responsibility, efficiency, transparency and ethical behavior. The Company is determined to do things the right way, which means making the decisions and acting in a way that is ethical and in line with applicable laws. The Company treads carefully with a high sense of responsibility towards all stakeholders. Creating value for all stakeholders is the prime goal of the Company. The Company has a duty towards all its stakeholders to operate the business of the Company based on the core principles of good governance, accountability, transparency, integrity, societal, environment and regulatory compliances while creating long-term value for all its stakeholders. It is inherent responsibility of the Company to protect the rights of its shareholders and disclose timely, adequate and accurate information regarding its financials and performance, as well as the leadership and governance of the Company.

Our Governance Structure is multi-tiered, comprising the Board of Directors, Board Committees, Whole Time Director & CFO and the Management Committee. The Board is responsible for and committed to sound principles of Corporate Governance in the Company. The Board plays a crucial role in overseeing how the management serves the short and long-term interests of shareholders and other stakeholders. This belief is reflected in our governance practices.

The Company follows not just the stated corporate governance guidelines, but also best practices. We consider it our inherent responsibility to protect the rights of our shareholders and disclose timely, adequate and accurate information regarding our financials and performance, as well as the leadership and governance of the Company.

The Company is in compliance with the requirements stipulated under Regulations 17 to 27 read with Schedule V and Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as applicable, with regard to corporate governance.

The detailed report on the compliance is given hereunder:

2. BOARD OF DIRECTORS

A. Composition and Category:

The Board of the Company comprises highly experienced persons of repute, eminence and has a good and diverse mix of Executive and Non-Executive Directors with majority of the Board members comprising Independent Directors including Independent Woman Director. The Board composition is in conformity with the applicable provisions of Companies Act, 2013 (the Act) and Listing Regulations as amended from time to time.

As on March 31, 2025, the Board of Directors of the Company comprised of six (6) Directors. Out of the total six (6) directors, five (5) are Non-Executive Directors out of which three (3) are Independent Directors including a Woman Director. The composition of the Board represents an optimal mix of professionalism, knowledge and experience and enables the Board to discharge its responsibilities and provide effective leadership to the business.

The composition of the Board is in conformity with Section 149 and 152 of the Companies Act, 2013 ('the Act') and Regulation 17 of the SEBI Listing Regulations.

3. AUDIT COMMITTEE

The Committee's terms of reference and composition are in compliance with the provisions of Section 177 of the Act and Regulation 18 of the SEBI Listing Regulations.

A. Terms of Reference:

The terms of reference of the Audit Committee are as under:

1. Oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statements are correct, sufficient and credible;

2. Recommendation for appointment, remuneration and terms of appointment of auditors of the Company;

3. Approval of payment to Auditors for any other services rendered by the Auditors of the Company;

4. Reviewing, with the management, the annual financial statements and auditor's report thereon before submission to the Board for approval, with particular reference to:

   a) Matters required to be included in the Director's Responsibility Statement to be included in the Board's report in terms of clause (c) of sub-section 3 of Section 134 of the Companies Act, 2013;

   b) Changes, if any, in accounting policies and practices and reasons thereto;

   c) Major accounting entries involving estimates based on the exercise of judgment by management;

   d) Significant adjustments made in the financial statements arising out of audit findings;

   e) Compliance with listing and other legal requirements relating to financial statements;

   f) Disclosure of any related party transactions; and

   g) modified opinion(s) in the draft audit report.

5. Reviewing, with the management, the quarterly financial statements before submission to the Board for approval;

6. Reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document / prospectus / notice and the report submitted by the monitoring agency monitoring the utilization of proceeds of a public or rights issue or preferential issue or qualified institutions placement, and making appropriate recommendations to the Board to take up steps in this matter;

7. Reviewing and monitoring the auditor's independence and performance and effectiveness of audit process;

8. Approval or any subsequent modification of transactions of the Company with related parties;

   Explanation: The term "related party transactions" shall have the same meaning as provided in Clause 2(zc) of the SEBI Listing Regulations and/or the Accounting Standards.

9. Scrutiny of inter-corporate loans and investments;

10. Valuation of undertakings or assets of the Company, wherever it is necessary;

11. Evaluation of internal financial controls and risk management systems;

12. Reviewing, with the management, performance of statutory and internal auditors, adequacy of the internal control systems;

13. Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;

14. Discussion with internal auditors of any significant findings and follow up there on;

15. Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the Board.

16. Discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern.

17. Looking into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors.

18. To review the functioning of the whistle blower mechanism.

19. Approval of the appointment of the CFO of the Company (i.e., the Whole-Time Finance Director or any other person heading the finance function or discharging that function) after assessing the qualifications, experience and background, etc. of the candidate.

20. Review the compliance with the provisions of SEBI (Prohibition of Insider Trading) (Amendment) Regulations 2018 and verify that the systems for internal control are adequate and are operating effectively at least once in a financial year; and

21. Carrying out any other function as is mentioned in the terms of reference of the Audit Committee.

22. Consider and comment on rationale, cost-benefits and impact of schemes involving merger, demerger, amalgamation etc., on the listed entity and its shareholders.

23. Reviewing the utilization of loans and/ or advances from/investment by the holding company in the subsidiary exceeding rupees 100 crore or 10% of the asset size of the subsidiary, whichever is lower including existing loans / advances / investments existing as on the date of coming into force of this provision.

24. Consider and comment on rationale, cost-benefits and impact of schemes involving merger, demerger, amalgamation etc., on the listed entity and its shareholders.

The Audit Committee is required to mandatorily review the following information:

1) Management discussion and analysis of financial condition and results of operations;

2) Management letters / letters of internal control weaknesses issued by the statutory auditors of the Company;

3) Internal audit reports relating to internal control weaknesses;

4) The appointment, removal and terms of remuneration of the Chief Internal Auditor;

5) Statement of deviations:

   a) quarterly statement of deviation(s) including report of monitoring agency, if applicable, submitted to the stock exchanges in terms of sub-regulation (1) of Regulation 32 of the SEBI Listing Regulations; and

   b) annual statement of funds utilized for purposes other than those stated in the offer document/prospectus/ notice in terms of sub-Regulation (7) of Regulation 32 of the SEBI Listing Regulations.

Attendance:

Name of Members	Number of NRC meetings attended during the financial year 2024-25
Mr. Anil Harish*	0
Ms. Bhumika Batra**	3
Mr. Munesh Khanna@	3
Mr. Sudhanshu Tripathi	3
Mr. Debabrata Sarkar#	2

*Ceased to be member and Chairman with effect from July 08, 2024.

**Appointed as Chairperson with effect from August 08, 2024 and then ceased to be a member and Chairperson with effect from March 11, 2025

@Appointed as member and Chairman with effect from March 11, 2025.

#Appointed as a member of the Committee with effect from August 08, 2024.

Ms. Bhumika Batra, the former Chairperson of the Nomination and Remuneration Committee attended the last Annual General Meeting of the Company held on September 13, 2024.

D. Performance Evaluation:

The Nomination and Remuneration Committee has laid down the criteria for evaluation of performance of all directors of the Company as under:

Factor	Attributes
Role & Accountability	➢ Understanding of nature and role of Independent Directors' position
	➢ Understanding of risks associated with the business
	➢ Application of knowledge for rendering advice to Management for resolution of business issues
	➢ Offer constructive challenge to Management strategies and proposals
	➢ Active engagement with the Management and attentiveness to progress of decisions taken

Factor	Attributes
Objectivity	➢ Non-partisan appraisal of issues
	➢ Own recommendations given professionally without tending to majority or popular views
Leadership & Initiative	➢ Heading Board Sub Committees
	➢ Driving any function or identified initiative based on domain knowledge and experience
Personal attributes	➢ Commitment to role & fiduciary responsibilities as a board member
	➢ Attendance and active participation and not done perfunctorily
	➢ Proactive, strategic and lateral thinking

Pursuant to provisions of the Act and SEBI Listing Regulations, during the year under review, the Board has carried out an annual evaluation of its own performance, and that of its committees, Chairperson and Directors facilitated by an Independent external agency M/s. LLPEXEC-REM Advisors Private Limited to ensure objectivity and equality based on above criteria. The process involved evaluation of the effectiveness of the Board, Committees and Individual Directors and Independent feedback from all Board Members. The Independent Directors also evaluated the performance of Non-Independent Directors, Chairman and the Board as a whole. The Independent Directors also reviewed the quality, quantity and timeliness of the flow of information between the Management and the Board and its Committees which is necessary for Board of Directors to effectively and reasonably perform their duties.

The overall performance evaluation exercise was completed to the satisfaction of Board. The Board of Directors deliberated on the outcome of independent external agency review and feedback from Directors.

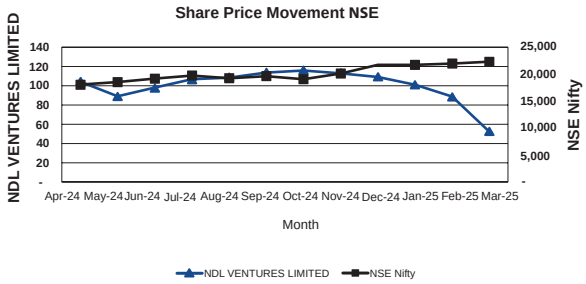
[Source: This information is compiled from the data available from the websites of BSE and NSE]



A. SHARE PRICE MOVEMENT (BSE)

Your Company's closing share price performance on the BSE relative to BSE Sensex closing prices (April 2024 to March 2025).

B. SHARE PRICE MOVEMENT (NSE)

Your Company's closing share price performance on the NSE relative to NSE Nifty closing prices. (April 2024 to March 2025).

17. UNPAID/UNCLAIMED DIVIDEND

Pursuant to Sections 124 and 125 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 **("IEPF Rules")**, dividends, if not claimed for a consecutive period of 7 (seven) years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund **("IEPF")**.

Further, all the shares in respect of such dividends which have not been claimed for a period of 7 (seven) consecutive years are also liable to be transferred to the demat account of the IEPF Authority.

In the interest of the members, the Company sends periodical reminders to the members to claim their dividends in order to avoid transfer of dividends/shares to IEPF Authority. Notices in this regard are also published in the newspapers and the details of unclaimed dividends and members whose shares are liable to be transferred to the IEPF Authority, are uploaded on the Company's website at http://ndlventures.in/investors/unclaimed-dividend/.

In light of the aforesaid provisions, the Company will transfer the unpaid/ unclaimed dividend approximately ₹ 3,83,931.01/- (Three Lakh Eighty Three Thousand Nine Hundred Thirty One Point Zero One Only) to the IEPF for the financial year 2017-18 in the month of October 2025 and will transfer approximately 2381 equity shares to the IEPF Authority, in the month of November 2025. Accordingly, the voting rights on the shares transferred to IEPF Authority shall remain frozen till the rightful owner of such shares claims the shares.

The members who have a claim on above dividend and shares may claim the same from IEPF Authority by submitting an online application in the prescribed Form No. IEPF-5 available on the website www.iepf.gov.in and sending a physical copy of the same, duly signed to the Company, along with requisite documents enumerated in the Form No. IEPF-5. No claims shall lie against the Company in respect of the dividend/shares so transferred.

Those Members who have so far not encashed their dividend warrants for the financial year 2017-18, 2018-19, 2019-20, 2020-21, 2021-22, 2022-23 and 2023-24 are requested to approach the Company's Registrar and Share Transfer Agent (RTA) – Kfin Technologies Limited for claiming the same at the earliest.

18. A. SHARE TRANSFER SYSTEM

As per Regulation 40 of the SEBI Listing Regulations, as amended, securities of listed entities can be transferred only in dematerialized form, with effect from April 1, 2019. Members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Transfer of equity shares in electronic form are effected through the depositories with no involvement of the Company.

SEBI vide its circulars dated November 03, 2021, December 14, 2021, January 25, 2022 and March 16, 2023, has mandated the Companies to alert all holders of physical securities as follows:

a. with effect from January 01, 2022, any service request will be entertained by the RTA only upon registration of PAN, KYC and Nomination details.

b. folios in which PAN / KYC/ Nomination details are not available will be frozen by the RTA with effect from October 01, 2023.

c. that the folios in which PAN is not linked to Aadhaar as on June 30, 2023 or any other date as may be specified by the Central Board of Direct Taxes will also be frozen by the RTA.

d. after December 31, 2025, the frozen folios shall be referred by RTA to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and / or Prevention of Money Laundering Act, 2002. Shareholders holding shares in physical form are requested to furnish / update their PAN, KYC details and Nomination, if not done earlier, with the Company's RTA by using the relevant forms as mentioned at the company's website http://ndlventures.in/investors/investors-assistance/

Please note that the term 'freezing/ frozen' as mentioned in the above clauses (b), (c) and (d) has been deleted by the SEBI in respect of folios in which PAN / KYC/ Nomination details are not available by issuing its circular dated November 17, 2023. Hence, the provisions relating to freezing of folios are done away in case of not furnishing PAN / KYC/ Nomination details.

18. B. DEMATERIALISATION OF SHARES AND LIQUIDITY

The Company has an arrangement with NSDL and CDSL for dematerialisation of shares with ISIN INE353A01023. As on March 31, 2025, 98.13% of equity share capital comprising 3,30,42,498 shares were held in dematerialised form.

REMUNERATION POLICY

1. Objective

The objective of the remuneration policy of NDL Ventures Limited (Formerly known as NXTDIGITAL Limited) (here in after referred to as **"the Company"**) is to attract, motivate and retain qualified and expert individuals that the Company needs in order to achieve its strategic and operational objectives, whilst acknowledging the societal context around remuneration and recognizing the interests of the Company's stakeholders.

2. The Nomination & Remuneration Committee

The Nomination & Remuneration Committee (**"Committee"**) is responsible for formulating and making the necessary amendments to the Remuneration Policy for the Directors, KMPs and Senior Executives of the Company from time to time.

(1) formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the board of directors a policy relating to, the remuneration of the directors, key managerial personnel and other employees;

(1A) For every appointment of an independent director, the Nomination and Remuneration Committee shall evaluate the balance of skills, knowledge and experience on the Board and on the basis of such evaluation, prepare a description of the role and capabilities required of an independent director. The person recommended to the Board for appointment as an independent director shall have the capabilities identified in such description. For the purpose of identifying suitable candidates, the Committee may:

a. use the services of an external agencies, if required;

b. consider candidates from a wide range of backgrounds, having due regard to diversify and

c. consider the time commitments of the candidates.

(2) formulation of criteria for evaluation of performance of independent directors and the board of directors;

(3) devising a policy on diversity of board of directors;

(4) identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the board of directors their appointment and removal.

(5) whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors.

(6) recommend to the board, all remuneration, in whatever form, payable to senior management.

The Committee shall, while formulating the policy and making the necessary amendments therein, ensure that:

a) The level and composition of the remuneration is reasonable and sufficient to attract to retain and motivate Directors of the quality required to run the Company successfully;

b) relationship of remuneration to the performance is clear and meets appropriate performance benchmarks; and

c) remuneration to Directors, Key Managerial Personnel and senior management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

3. Remuneration for Non-Executive Directors

Non-Executive Directors ("NED") are remunerated by way of Sitting Fee for each meeting of the Board/ Committees of the Board attended by them and an annual commission on the profits of the Company. Commission to respective NED is determined on the basis of objective criteria discussed and agreed upon by the Committee Members unanimously. NED's are reimbursed any out of pocket expenses incurred by them for the purpose of the Company.

4. Remuneration for Executive Directors, Key Managerial Personnel (KMP) and Senior Executives

The following elements are taken into consideration for determining the Remuneration of Executive Directors, KMPs and Senior Executives:

- The remuneration policy reflects a balance between the interests of the Company's main stakeholders as well as a balance between the Company's short-term and long-term strategy. As a result, the structure

of the remuneration package for the Directors, KMPs and Senior Executives is designed to balance short-term operational performance with the medium and long-term objective of creating sustainable value within the Company, while taking into account the interests of its stakeholders. The Company strives for a high performance in the field of sustainability and aims to maintain a good balance between economic gain, respect for people and concern for the environment.

- To ensure that highly skilled and qualified KMPs/Senior Executives can be attracted and retained, the Company aims for a total remuneration level that is comparable to levels provided by other Companies that are similar to the Company in terms of size and complexity.
- In designing and setting the levels of remuneration for the Directors, KMPs and Senior Executives, the Committee also takes into account the relevant statutory provisions and provisions of the corporate governance regulations, societal and market trends and the interests of stakeholders.
- The Company's policy is to offer the Directors, KMPs and Senior Executives a total compensation comparable to the peer group.

Total Compensation (TC)

The total compensation of the Managing Director and Senior Executives consists of the following components:

1. Base salary
2. Variable income –
   - Annual Performance Pay (APP)
   - Performance- related Long-Term Incentive Plan (LTIP)

Base salary

On joining the Company, the Managing Director, KMPs and Senior Executives receive a base salary comparable to the peer group. Every year, base salary levels are reviewed by the Committee.

Variable income

The variable income part of remuneration consists of APP and LTIP. The distribution between APP and LTIP for (on target) performance aims to achieve a proper balance between short-term result and long-term value creation.

The parameters relating to the various elements of the variable income part of the remuneration are established and where necessary adjusted by and at the discretion of the Committee, taking into account the general rules and principles of the remuneration policy itself.

The targets are determined each year by the Committee in consultation with the respective Director/KMPs / Executive, based on historical performance, the operational and strategic outlook of the Company in the short term and expectations of the Company's management and stakeholders, among other things. The targets contribute to the realization of the objective of long-term value creation.

It is one of the long term objectives to reach the proportion of variable compensation upto 50% of the total compensation.

5. Remuneration for other Employees.

Remuneration of middle and lower level employees of the Company consists entirely of fixed pay which is reviewed on an annual basis. Increase in the remuneration of employees is effected based on an annual review taking into account performance of the employee and the performance of the Company as well.

6. Employee Stock Options

It is a long term objective of the Company to introduce employee stock options to inculcate a sense of ownership among the employees of the Company.

7. Alignment of Remunerations

The Committee strives to achieve that the remunerations of the Directors, Senior Executives, Middle and lower level employees of the Company are aligned to each other.

8. Term of Appointment

The term of appointment of the Managing Director and other Executive Directors is generally for a period of 3 years and renewed for similar periods from time to time, whereas the term of the other employees, generally is upto the age of superannuation. However, the Company may also appoint consultants for shorter periods on need basis.

9. Post Retirement Benefits

All the executive directors and employees are entitled to retirement benefits such as provident fund, superannuation fund and gratuity.

10. Severance Arrangements

Contracts of employment with executive directors and regular employees provide for compensation of upto 3 months pay or advance notice of similar period.

11. Loans

There is no system of granting of loans to Directors, KMPs and employees of the Company.

Annexure "2" to the Corporate Governance Report

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

(pursuant to Regulation 34(3) and Schedule V Para-C Sub Clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To,
The Members
NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)
In Centre, 49/50 MIDC 12th Road,
Andheri (E) Mumbai – 400093.

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of **NDL Ventures Limited (Formerly known as NXTDIGITAL Limited)** having CIN-L65100MH1985PLC036896 and having registered office at IN CENTRE, 49/50 MIDC, 12th Road, Andheri (E) Mumbai – 400093 (hereinafter referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members Of
NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)

I have examined the compliance of the conditions of Corporate Governance by **NDL VENTURES LIMITED (formerly known as NXTDIGITAL Limited)** ('the Company') for the year ended on March 31, 2025, as stipulated under Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and para-C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('SEBI Listing Regulations').

The compliance of the conditions of Corporate Governance is the responsibility of the management. My examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, and the representations made by the Directors and the management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2025.

I further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Pursuant to Regulation 34(2)(e) and Schedule V Para B of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

ABOUT THE COMPANY

The Company's objective is to enter into the business of financial services. The Company proposes to do this through the process of Merger by Absorption of Hinduja Leyland Finance Limited (HLFL), a leading non banking finance company (NBFC) into itself. The Company had made an application to the Reserve Bank of India (RBI) for getting a Certificate of Registration as a NBFC to facilitate the merger process. The RBI has advised the Company that such registration is only required once the merger has been approved by the National Company Law Tribunal but the merging entity HLFL would need to obtain a No Objection Certificate (NOC) from the RBI for the merger now before taking the next steps. HLFL has made the necessary application and awaits a revert from the RBI.

ECONOMIC OVERVIEW

Taking off from the unstable environment of the previous year, the global economy exhibited steady yet uneven growth across regions during the year 2024 and early part of 2025. While global manufacturing sector saw a slowdown due to various factors, the services sector performed relatively better supporting growth in many economies. It was clearly a year where the services sector outperformed the manufacturing sector. Financial markets remained volatile with central banks of different countries adopting varying polices to hold inflation and ensure stability.

In this global context, India displayed steady economic growth. As per the first advance estimates of national accounts, India's real GDP is estimated to grow by 6.4 per cent in the year 2025-26. Fiscal discipline and strong external balance supported by a services trade surplus and healthy remittance growth contributed to macroeconomic stability. Together, these factors provided a solid foundation for sustained growth amid external uncertainties.

With respect to the financial services sector in India, the environment has generally been stable. With the recent interest rate cuts the Reserve Bank of India has given a big thumbs up for growth and is likely to continue its impetus for growth which bodes very

Future plans:

The Company had applied to the Reserve Bank of India (RBI) for being registered as a Non-Banking Finance Company to enable it to enter the financial services sector. Your Company's entry into the financial services sector has been planned by way of a merger by absorption of Hinduja Leyland Finance Limited (HLFL) into the Company. You would be pleased to note that while the RBI has communicated to the Company that such registration is not required at this moment of the merger process and will be provided on approval of the merger by the relevant authorities, it has also advised HLFL to obtain a No Objection Certificate (NOC) from the RBI for the merger. HLFL has already made an application for the same and is awaiting response from then RBI.

The Company continues to hold a land parcel in Bangalore, the estimated value of which is ₹ 180 crores.

PERFORMANCE REVIEW

Discussion on financial results:

During the year, the Company placed surplus funds as inter-corporate deposits and has earned interest on the same. Apart from this, there was no other major source of revenue for the Company.

The summary of the financial results for the financial year 2024-25 are given below:

(₹ in Lakh)

RISKS, CONCERN AND MITIGATION PLAN

Risks are an integral part of business, and it is imperative to manage these risks at acceptable levels in order to achieve business objectives.

Based on feedback received, risk prioritization is done, key risks are shortlisted and assigned to the risk owners to help them define mitigation plans, along with key elements for monitoring, including relevant measures and milestones. The identified mitigation plans are monitored at periodic intervals to assess progress and measure if residual risks are within the organization's risk appetite.

The risk management policy of the Company lays down the risk strategy of the Company and helps in determining the risk factor, categorizing the various forms of risks affecting the Company's strategic and financial goals and modes to manage such risks.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has comprehensive internal control mechanism and has in place adequate policies and procedures for the governance of orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding its assets, prevention, and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial disclosures. The Company's internal control systems are commensurate with the nature of its business, and the size and complexity of its operations and such internal financial controls concerning the Financial Statements are adequate. The Company has a strong and independent internal audit ("IA") function that reports to the chairman of the audit committee, thereby maintaining its objectivity. The remediation of deficiencies as identified by the internal auditor has resulted in a robust framework for internal controls

HUMAN RESOURCES/INDUSTRIAL RELATIONS

The Company is committed to hiring talented human resources and nurture them professionally. Our all-encompassing HR Policy covers every aspect of employee management from recruitment to retention. Employee engagement, equality of opportunity, freedom of association, health & safety, recognition & recreation, and continuous learning are key principles of the policy. Human Resources are important assets of the Company. The Company has adopted employee friendly HR processes that help to grow and offer them personal developmental opportunities. The Company's HR policies encourage talent acquisition and retention process, ensure transparency, facilitate development, build trust and encourage and support performance-oriented environment.

The Company has well-designed and documented policies such as Whistleblower policy and Prevention of Sexual Harassment policy in order to prevent discrimination and harassment and discourage any wrong practices.

CAUTIONARY STATEMENT

Certain statements made in the Management Discussion and Analysis Report relating to the Company's objectives, outlook, expectations, estimates, and others may constitute forward-looking statements within the meaning of applicable laws and regulations. Actual results may differ from such expectations, whether expressed or implied. Several factors could make a significant difference to our expectations. These include climatic and economic conditions, government regulations and taxation, any epidemic or pandemic, and natural calamities over which we do not have any direct/ indirect control.

Annexure "E" to the Board's Report

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
NDL Ventures Limited
(Formerly known as NXTDIGITAL LIMITED)

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **NDL VENTURES LIMITED** (formerly known as NXTDIGITAL Limited) **("the Company")**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended March 31, 2025 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;

2. Foreign Exchange Management Act, 1999 ('FEMA') and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, overseas Direct Investment and External Commercial Borrowings;

3. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;

4. The Depositories Act, 1996 and the Regulations and Bye- laws framed there under;

5. The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable: -

   (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

   (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

   (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **(To the extent applicable)**

   (d) The Securities and Exchange Board of India (Share Based Employee Benefits Sweat Equity) Regulations, 2021; **(Not Applicable)**

   (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 **(Not Applicable)**

   (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not Applicable)**

   (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **(Not Applicable)**

   (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not Applicable**)

   (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015**.**

   (j) The Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2019; and

   (k) The Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003.

6. Laws specifically applicable to the industry to which the Company belongs as identified by the management, that is to say:

Vide order dated November 11,2022 issued by the Hon'ble National Company Law Tribunal, the Company's business undertaking was transferred to Hinduja Global Solutions Limited. Post Demerger, the Company had applied for NBFC license which is awaited as on date. Resultantly, there was no business activity during the year. Hence, no industry specific laws are applicable during the audit period.

7. Other laws to the extent applicable to the Company as per the representations made by the Company;

   I have also examined compliance with the applicable clauses of the following:

   (1) Secretarial Standards issued pursuant to section 118(10) of the Act, by The Institute of Company Secretaries of India.

   (2) The Listing Agreements entered by the Company with BSE Limited and National Stock Exchange of India Limited.

   During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate Notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance except for the meetings conducted at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members views, if any, are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period:

1. The Company has filed an application to Reserve Bank of India on November 11, 2023 for its registration as Non-Banking Financial Company and is awaiting approval of Reserve Bank of India.

2. Mr. Debabrata Sarkar has been appointed as an Independent Director of the Company with effect from 08th August, 2024 at the Board Meeting held on August 08, 2024 and his appointment was approved by the members at Annual General Meeting held on September 13, 2024.

3. Mr. Anil Harish, Independent Director has resigned from the Board of the Company vide his resignation letter dated July 8, 2024.

4. Mr. Ashish Pandey, stepped down from the position of Company Secretary and Compliance Officer (Key Managerial Personnel) of the Company with effect from November 30, 2024 pursuant to his internal transfer to Gulf Oil Lubricants India Limited.

5. Ms. Sumati Sharma has been appointed as a Company Secretary (Key Managerial Personnel) & Compliance Officer and Nodal Officer of the Company as per IEPF Rules with effect from December 1, 2024 at the Board Meeting held on November 28, 2024.

6. Ms. Bhumika Batra, Independent Director has retired from the position of Independent Director of the Company with effect from March 11, 2025.

7. Ms. Vandana Jaisingh has been appointed as an Additional Director in capacity of Non-Executive – Independent Director in the Board Meeting held on February 18, 2025, and the said appointment has been approved by the shareholders of the Company through Postal Ballot on April 27, 2025.

This report is to be read with our letter of even date which is annexed as Annexure A and forms an integral part of this report.

To,
The Members,
NDL Ventures Limited
(Formerly known as NXTDIGITAL LIMITED)

My report of even date is to be read along with this letter.

'Annexure A'

1. Maintenance of secretarial record is the responsibility of the management of the company. My responsibility is to express an opinion on these secretarial records based on my audit.

2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices I followed provide a reasonable basis for my opinion.

3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the company.

4. Where ever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.

5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test basis.

6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

ANNUAL CORPORATE SOCIAL RESPONSIBILITY ("CSR") REPORT

(Pursuant to Section 135 of the Companies Act, 2013)

1. Brief outline on CSR Policy of the Company

NDL Ventures Limited (formerly known as NXTDIGITAL Limited) (hereinafter referred to as the "Company") is inspired by the pioneering thoughts of late Shri Parmanand Deepchand Hinduja- Founder of the Hinduja Group. For us, at NDL Ventures Limited, Corporate Social Responsibility (CSR) encompasses engagements in socially relevant events for the under-privileged sections of society. Our commitment to CSR is focused on initiatives that make a constructive contribution to the community and encourage sustainable development.

Programs:

Taking note of the importance of synergy and inter dependence at various levels, the Company has adopted a strategy for working directly or in partnership, whichever is appropriate.

- Priority is given to Rural Development and Education.
- However, specific programs might be expanded beyond this purview and upscaled.
- All the CSR spends would be formulated based on need assessment using different quantitative and qualitative methods.
- All the interventions would be adopted based on concurrent evaluations and knowledge management through process documentation.
- Social Mobilization, advocacy at various levels, and appropriate policy changes form part of the interventions in each sector.

2. Composition of CSR Committee:

Sl. No.	Name of Director	Designation / Nature of Directorship	Number of meetings of CSR Committee held during the year	Number of meetings of CSR Committee attended during the year
1.	Mr. Munesh Khanna	Chairman - Independent Director	1	1

Independent Auditor's Report

To
The Members of NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of **NDL Ventures Limited (Formerly known as "NXTDIGITAL Limited") ("the Company")**, which comprise the Balance Sheet as at March 31, 2025, the statement of Profit and Loss (including other comprehensive income), its statement of cash flows and the statement of changes of equity for the year ended on that date and notes to the financial statements including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "Financial statements").

   In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and are in conformity with the Accounting standards prescribed under Section 133 of the act read with the companies (Indian Accounting Standards) Rules, 2015 as amended ("IND AS") and other accounting principles generally accepted in India and give a true and fair view of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, its statement of cash flows and the statement of changes of equity for the year ended on that date.

Basis for Opinion

2. We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statement and Auditor's Report Thereon

3. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Director's report, but does not include the financial statements and our auditors report thereon.

   Our opinion on the financial statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

   If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

   When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those charged with governance for the financial statements

4. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements, that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and free from material misstatement, whether due to fraud or error.

Independent Auditor's Report

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or cease the Company's operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements:

5. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in the aggregate, they could reasonably be expected to influence economic decision of users taken on the basis of these financial statements.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also,

- Identify and assess the risks of material misstatement of the financial statements whether due to fraud or error design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for resulting from error as fraud may involve collusion forgery, intentional omissions, misrepresentation or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financials controls system in place and operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management use of the going concern basis of accounting and based on the audit evidence obtained whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, the future events or conditions may cause Company to cease to continue as a going concern.

- Evaluate the overall presentation structure and content of the financial statements including the disclosures and whether the financial statements represent the underlying transactions and events in the manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning of the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding among other matters the planned scope and timing of the significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied relevant ethical requirements independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditor's Report

Report on Other Legal and Regulatory Requirements

6. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure A" a statement on the matters specified of the order.

7. As required by Section 143(3) of the Act, we further report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   c) The Balance sheet, the Statement of Profit and Loss Account (including other comprehensive income), the statement of Cash Flow and Statement of Changes in Equity deal with by this report are in agreement with the relevant books of account;

   d) In our opinion, the aforesaid financial statements comply with the IND AS specified under section 133 of the Act.

   e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

   f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**.

   g) In our opinion, according to information, explanations given to us, the remuneration paid / provided by the company to its director during the year is in accordance with the provisions of Section 197 of the Act and the rules thereunder.

   h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

      i. The Company has disclosed the impact of pending litigation in the financial statements – Refer note 22 of the financial statements.

      ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses; and

      iii. There has been no delay in transferring the amounts to be transferred to the Investors Education and Protection Fund by the Company.

      iv. A) The Management has represented that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

         B) The Management has represented, that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

         C) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard, nothing has come to our notice that has caused us to believe that the representations under sub-clause (A) and (B) above, contain any material mis-statement.

Independent Auditor's Report

v. As stated in Note no 32(b) to the financial statements:

- The final dividend proposed in the previous year, declared and paid by the company during the year is in compliance with section 123 of the Act as applicable;

- The Board of directors of the Company have proposed a final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in compliance with section 123 of the Act as applicable.

vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Yours Sincerely

'Annexure A' To The Independent Auditor's Report

(Referred to in paragraph 6 under 'Report on other Legal and Regulatory Requirements' section of our report of even date)

(i) In respect of Property, Plant and Equipment

a) The Company does not have anything held under Property, Plant and Equipment hence reporting under clause (i)(a) of CARO 2020 is not applicable.

b) According to the information and explanation given to us, the company is not required to get the Property, Plant and Equipment physically verified by the Management in accordance with the regular programme of verification.

c) The Company does not have any immoveable properties of freehold or leasehold land and building and hence reporting under clause (i)(c) of CARO 2020 is not applicable.

d) According to the information and explanations given to us, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and its intangible assets. Accordingly, the requirements under paragraph 3(i) (d) of the Order are not applicable to the Company.

e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding Benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder. Accordingly, the provisions stated in paragraph 3(i) (e) of the Order are not applicable to the Company.

(ii) According to the information and explanations given to us and based on our examination of the records of the company, we report that;

a) In respect of the inventory (Land), physical verification of the title deed and regular site visit were done by the management and no material discrepancies were noticed on such verification.

b) The Company has not been sanctioned working capital limits. Accordingly, the requirement under paragraph 3(ii)(b) of the Order is not applicable to the Company.

(iii) According to the information and explanation provided to us and based on our examination of the records of the company, we report that :

a) The Company has granted unsecured loan to one company. The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loans are as per the table given below:

Sr No	Particulars	Loans (₹ in Lakh)
1	Aggregate amount of loans/ advances in nature of loans	
	- Subsidiaries	NIL
	- Joint Venture	NIL
	- Associates	NIL
	- Other related party	NIL
	- Other than related party	NIL
2	Balance outstanding as at March 31, 2025 in respect of above case	
	- Subsidiaries	NIL
	- Joint Venture	NIL
	- Associates	NIL
	- Other related party	NIL
	- Other than related party	₹ 4,467.80 Lakhs

(Also Refer Note 24 to the financial statements)

During the year the Company has not made any investments in, stood any guarantee or provided any security to companies, firms, Limited Liability Partnerships or any other parties

b) In respect of the aforesaid loans, the terms and conditions under which such loans were granted, are not prejudicial to the Company's interest.

c) In respect of the loan, the schedule of repayment of principal and payment of interest has not been stipulated, as these loans are repayable on demand.

d) In respect of the loan, there is no amount which is overdue for more than ninety days.

'Annexure A' To The Independent Auditor's Report

e) There were no loans which have fallen due during the year and were renewed/extended. Further, no fresh loans were granted to same parties to settle the existing overdue loans/advances in nature of loan.

f) The Company has not granted loans during the year that were repayable on demand. Further there are no loans/advances in nature of loans which were granted during the year to promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013. However, there is one outstanding loan classified as repayable on demand. The details of such loan as at March 31, 2025 are as follows:

Particulars	Total	Other parties	Related parties
Aggregate amount of loans/advances in nature of loans			
- Repayable on demand (A)	₹ 4,467.80 lakhs	₹ 4,467.80 lakhs	-
- Agreement does not specify any terms or period of repayment (B)	-	-	-
Total (A) + (B)	₹ 4,467.80 lakhs	₹ 4,467.80 lakhs	-
Percentage of loans/advances in nature of loans to the total loans	100%	100%	

(iv) In our opinion and according to the information and explanations given to us, the company has not either directly or indirectly, granted any loan to any of its directors or to any other person in whom the director is interested, in accordance with the provisions of section 185 of the Act and the Company has not made investments through more than two layers of investment companies in accordance with the provisions of section 186 of the Act. Accordingly, provisions stated in paragraph 3(iv) of the Order are not applicable to the company.

(v) According to the information and explanations given to us, the company has not accepted any deposit during the year and hence directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provision of the act and rules framed thereunder are not applicable.

(vi) Having regard to the nature of the company's business/activities, reporting under clause (vi) of CARO 2020 with respect to maintenance of cost records under section 148 (1) of the Act is not applicable.

(vii) According to the information and explanations given to us and based on our examination of the records of the company, we report that in respect of statutory dues:

a) The company has generally been regular in depositing undisputed statutory dues including provident fund, income tax, goods and service tax and other material statutory dues applicable to it to the appropriate authorities; and

b) There were no undisputed amounts payable in respects of provident fund, income tax, goods and service tax, cess and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

(viii) According to the information and explanations given to us, there are no transactions which are not accounted in the books of account which have been surrendered or disclosed as income during the year in Tax Assessment of the Company. Also, there is no previously unrecorded income which has been now recorded in the books of account. Hence, the provision stated in paragraph 3(viii) of the Order is not applicable to the Company.

(ix) According to the information and explanations given to us and based on our examination of the records of the company, we report that;

a) There are no loans or borrowings made by the company and hence the provision stated in paragraph 3(ix)(a) of the order is not applicable.

b) The company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

c) No money was raised by way of term loans. Accordingly, the provision stated in paragraph 3(ix)(c) of the Order is not applicable to the Company.

d) There are no funds raised on short term basis. Accordingly, the provision stated in paragraph 3(ix)(d) of the Order is not applicable to the Company.

e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

'Annexure A' To The Independent Auditor's Report

f) The Company has not raised loans during the year on the pledge of securities held in its securities, joint ventures or associate companies.

(x) According to the information and explanations given to us and based on our examination of the records of the company, we report that;

a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the provisions stated in paragraph 3 (x)(a) of the Order are not applicable to the Company.

b) The company has not made any preferential allotment or private placement of shares or fully, partly or optionally convertible debentures during the year. Accordingly, the provisions stated in paragraph 3(x)(b) of the Order are not applicable to the Company.

(xi) According to the information and explanations given to us and based on our examination of the records of the company, we report that;

During the course of our audit, examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company nor on the Company.

(xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the provisions stated in paragraph (xii) (a) to (c) of the Order are not applicable to the Company.

(xiii) According to the information and explanations given to us and based of our examination of the records of the company, transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) The Company has internal audit system commensurate with the size and nature of the business and we have considered Internal Audit reports issued by Internal Auditors during the audit.

(xv) In our opinion and according to the information and explanations given to us, during the year the company has not entered into any Non-Cash transactions with its directors or directors of its holdings, subsidiary or associates company or persons connected with them and hence provisions of sections 192 of the companies Act, 2013 are not applicable to the company. Accordingly, the provisions stated in paragraph (xv) of the Order are not applicable to the Company.

(xvi) According to the information and explanations give to us:

a) The Company has applied for the registration under section 45-IA of the Reserve Bank of India and at present the same is pending at RBI

b) The Company has not conducted any Non-Banking Financial activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.

(xvii) Based on the overall review of the financial statements, the company has not incurred any cash losses during the current financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Hence, the provisions stated in paragraph clause 3 (xviii) of the Order are not applicable to the Company.

(xix) According to the information and explanations given to us and based on our examination of financial ratios, ageing and expected date of realization of financial assets and payment of liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of audit report and the company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

'Annexure A' To The Independent Auditor's Report

(xx) According to the information and explanations given to us, the provisions of section 135 of the Act are not applicable to the company. Accordingly, reporting under clause (xx)(a) and clause (xx)(b) of the Order is not applicable to the Company.

(xxi) Since company is standalone entity and hence reporting under clause (xxi) of CARO 2020 with respect to Qualification or adverse remarks in CARO reports of group companies is not applicable.

Yours Sincerely

'Annexure B' To The Independent Auditor's Report

(Referred to in paragraph 7(f) under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of NDL Ventures Limited **(Formerly known as NXTDIGITAL Limited) ("the Company")** as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

   A company's internal financial control over financial reporting includes those policies and procedures that:

   a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.

   b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

   c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

'Annexure B' To The Independent Auditor's Report

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit issued by the ICAI.

Yours Sincerely

Notes annexed to and forming part of the financial statements as at March 31, 2025

1. Corporate information

NDL Ventures Limited **(Formerly known as "NXTDIGITAL Limited")** ("the Company") is a public limited company incorporated and domiciled in India and governed by the Companies Act, 2013 ("Act"). The Company's registered office is situated at IN Centre, 49/50, MIDC, Andheri East, Mumbai – 400 093, Maharashtra, India.

The Company's equity shares are listed on two stock exchanges in India namely, National Stock Exchange of India Limited and BSE Limited.

The name of the Company "NXTDIGITAL Limited" is changed to "NDL Ventures Limited" vide revised certificate of incorporation dated April 20, 2023 issued by Ministry of Corporate Affairs/Registrar of Companies.

A. Basis of Preparation of Financial Statements

1. Statement of compliance

These Financial Statements are the separate Financial Statements of the Company prepared in accordance with Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

2. Functional and Presentation currency

The Financial Statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakh, unless otherwise indicated.

3. Basis of measurement

The Financial Statements have been prepared on the historical cost basis except certain financial instruments that are measured at fair values at the end of each reporting period as explained.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly and
- Level 3 inputs are unobservable inputs for the asset or liability.

All assets and liabilities have been classified as current or non-current as per Company normal operating cycle and presented as per criteria set out in the Division II format of Schedule III to the Act. The Company has identified its operating cycle as twelve months.

Notes annexed to and forming part of the financial statements as at March 31, 2025

B. Material Accounting Policies

Summary of Material accounting policies mentioned below

B.1 Use of Estimates

The preparation of financial statements are in conformity with the recognition and measurement principles of Ind AS which requires management to make critical judgments, estimates and assumptions that affect the reporting of assets, liabilities, income and expenditure.

Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions to the estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amount of assets and liabilities within the next financial year, is in respect of:

1. Useful lives of property, plant and equipment (refer note no.B.6)
2. Impairment of property, plant and equipment as well as intangible assets (refer note no.B.8)
3. Employee benefits (refer note no.B.4)
4. Expense Provisions & contingent liabilities (refer note no.B.10)
5. Valuation of deferred tax assets (refer note no.B.5)

B.2 Revenue recognition

The Company has adopted Ind AS 115 “Revenue from Contracts with Customers” which sets forth a single comprehensive model for recognising and reporting revenues.

Revenue is recognised upon transfer of control of promised services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those services in the normal course of business.

To recognise revenues, we apply the following five step approach:

(1) identify the contract with a customer,

(2) identify the performance obligations in the contract,

(3) determine the transaction price,

(4) allocate the transaction price to the performance obligations in the contract, and

(5) recognise revenues when a performance obligation is satisfied.

Performance obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to the client and is the unit of accounting in Ind AS 115.

The performance obligations of the Company are satisfied over time as services are rendered.

Determination of transaction price

Revenue is measured based on transaction price which includes variable consideration only to the extent it is probable that a significant reversal of revenues recognised will not occur when the uncertainty associated with the variable consideration is resolved. Revenues also exclude taxes collected from customers.

Allocation of transaction price

A contract’s transaction price is allocated to each distinct performance obligation and recognised as revenue when, or as, the performance obligation is satisfied. For contracts with multiple performance obligations, we allocate the contract’s transaction price to each performance obligation based on the relative standalone

Notes annexed to and forming part of the financial statements as at March 31, 2025

selling price. The primary method used to estimate standalone selling price is the adjusted market assessment approach, under which the Company evaluates the price in that market that a customer is willing to pay for those services. While determining relative standalone selling price and identifying separate performance obligations require judgment, generally relative standalone selling prices and the separate performance obligations are readily identifiable as we sell those performance obligations unaccompanied by other performance obligations.

Rendering of other services

Revenue from services is recognised when the services are rendered in accordance with the specific terms of contract and when collectability of the resulting receivable is reasonably assured.

Interest Income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Dividend Income

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Other Income

Other income comprises of income from ancillary activities incidental to the operations of the Company and is recognised when the right to receive the income is established as per the terms of the contract.

Accounting treatment of assets and liabilities arising in course of sale of goods and services is set out below:

Trade receivable

Trade receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due)

Contract balances

Contract Asset

A contract asset is right to consideration in exchange of services that the company has rendered to a customer when that right is conditioned on something other than passage of time. Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract Liability

A contract liability is the obligation to render services to a customer for which the company has received consideration from the customer. If a customer pays consideration before the company renders services to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Company renders services as per the contract.

B.3 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in statement of profit or loss in the period in which they are incurred.

Notes annexed to and forming part of the financial statements as at March 31, 2025

B.4 Employee benefits

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

Other long-term employee benefit obligations

The liabilities for earned leave and sick leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the Government Securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

Defined Contribution Plans

The company has a Defined Contribution Plans namely Provident Fund. Under the provident fund plan, the company contribute to a government administered provided fund on behalf of its employee and has no further obligation beyond making its contribution. The company contribution are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employee.

Gratuity

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to statement of profit or loss. Past service cost is recognised in statement of profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

Short-term employee benefits

A liability is recognised for benefits accruing to employees in respect of salaries, performance incentives, annual leave, medical benefits and other short term benefits in the period the related service is rendered, at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Long-term employee benefits

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

Notes annexed to and forming part of the financial statements as at March 31, 2025

B.5 Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax for the year are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

Provisions for current income taxes and advance taxes paid in respect of the same jurisdiction are presented in the balance sheet after offsetting these balances on an assessment year basis.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

B.6 Property, plant and equipment

Cost

Property, plant and equipment held for use in the supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost (net of duty / tax credit availed) less accumulated depreciation / amortisation and accumulated impairment loss, if any. Cost includes freight, duties, taxes, professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

The residual values and useful lives of property, plant and equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.

Notes annexed to and forming part of the financial statements as at March 31, 2025

Subsequent expenditure

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is possible that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of profit or loss during the reporting period in which they are incurred.

Depreciation / amortisation

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives of the assets specified in Schedule II of the Companies Act, 2013, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Particulars	Estimated Useful life
Plant and machinery	6-18 years
Office Equipment	5 years
Computers	3 years
Furnitureand fixtures	10 years
Vehicles	8 years

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of Property, Plant and Equipment.

De-recognition

An item of property, plant and equipment is derecognized upon disposal or retired from active use or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of profit or loss in the year of occurrence.

B.7 Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately is capitalised and carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Useful lives of intangible asset

Estimated useful lives of the intangible asset is carried out by the management based on technical assessment

De-recognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in profit or loss when the asset is derecognised.

B.8 Impairment of tangible and intangible assets

At the end of each reporting period, the Company determines whether there is any indication that its assets have suffered an impairment loss with reference to their carrying amounts. If any indication of impairment exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and value in use) of such assets is estimated and impairment is recognized, if the carrying amount exceeds the recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Notes annexed to and forming part of the financial statements as at March 31, 2025

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in statement of Profit or loss.

B.9 Inventory

Real Estate (Land) inventories are stated at lower of cost and net realisable value. Cost includes cost of land, registration charges, stamp duty, brokerage costs and incidental expenses. Net realisable value represents the estimated selling price for inventories less all estimated costs necessary to make the sale.

B.10 Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

Provisions and contingent liabilities are reviewed at each balance sheet date.

B.11 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

After initial recognition

(I) Financial assets (other than investments and derivative instruments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an

Notes annexed to and forming part of the financial statements as at March 31, 2025

integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flow and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Interest Income on such debt instruments is recognised in profit or loss and is included in the "Total Income".

(ii) Financial assets (i.e. derivative instruments and investments in instruments other than equity of subsidiaries and associates) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g. any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the "Total Income".

Investments in equity instruments of subsidiaries and other equity instruments

The Company measures its investments in equity instruments of subsidiaries at cost less impairment, if any, in accordance with Ind AS 27.

All other equity investments are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the Company has irrevocable option to present in OCI subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Where the Company classifies equity instruments as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

Impairment of financial assets

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive, discounted at the original effective interest rate) and credit risk exposure on the following financial assets;

a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.

b) Trade receivables - The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit losses at each reporting date, right from its initial recognition. Trade receivables are tested for credit impairment on a specific basis after considering the sanctioned credit limits, security like letters of credit, security deposit collected etc. and expectations about future cash flows.

Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, it estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units' ('CGU') fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent to those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Notes annexed to and forming part of the financial statements as at March 31, 2025

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. For the purpose of assessing impairment of the cash inflows from other assets or Company's assets cash-generating units (CGU).

Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

De-recognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue, or cancellation of the Company's own equity instruments.

Financial liabilities

All financial liabilities (other than derivative instruments) are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in Statement of Profit or loss.

B.12 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term deposits (with an original maturity of three months or less) highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. For the purpose of

Notes annexed to and forming part of the financial statements as at March 31, 2025

the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management.

B.13 Cash flow statement

Cash Flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing, and financing activities of the Company are segregated.

B.14 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

B.15 Critical accounting judgments and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the financial statements that are not readily apparent from other sources. The judgements, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the critical judgements and estimations that have been made by the Management in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements and/or key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

(i) Taxation

Tax expense is calculated using applicable tax rate and laws that have been enacted or substantially enacted. In arriving at taxable profit and all tax bases of assets and liabilities, the Company determines the taxability based on tax enactments, relevant judicial pronouncements and tax expert opinions, and makes appropriate provisions which includes an estimation of the likely outcome of any open tax assessments / litigations. Any difference is recognised on closure of assessment or in the period in which they are agreed.

Deferred income tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, unabsorbed depreciation and unused tax credits could be utilised.

(ii) Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where such inputs are not available, the Company engages third party qualified valuers to perform the valuations in order to determine the fair values based on the appropriate valuation techniques and inputs to fair value measurements.

(iii) Estimation of defined benefit plans

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates, and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting

Notes annexed to and forming part of the financial statements as at March 31, 2025

period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligation.

(iv) Contingent liabilities

Contingent liabilities are not recognised in the financial statements but are disclosed in the notes. They are assessed continually to determine whether an outflow of resources embodying economic benefits has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as a contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

B.16 Foreign currency transactions

Foreign exchange transactions are recorded using the exchange rates which approximate to the rates prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date.

Any income or expense on account of exchange difference either on settlement or translation of monetary items is recognised in the Statement of profit and loss.

i) Terms/Rights attached to equity shares:

The Company has only one class of shares referred to as equity shares having a face value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share.

The Company declares and pays dividends in Indian Rupees. Payment of dividend is also made in foreign currency to shareholders outside India. The final dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

Proposed dividend for FY 2024-25 is ₹ 0.50/- per equity share of face value of ₹ 10/- each (Previous year - ₹ 1/- per equity share of face value of ₹ 10/- each), subject to approval at the ensuing Annual General Meeting of the Company and hence is not recognised as a liability.

As per the Companies Act, 2013, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts in the event of liquidation of the Company. However, no such preferential amounts exist currently. The distribution will be in proportion to the number of equity shares held by the shareholders.

ii) Reconciliation of number of Shares outstanding at the beginning and at the end of the year:

Equity Shares

Particulars	2024-25		2023-24

Notes annexed to and forming part of the financial statements as at March 31, 2025

Description of nature and purposes of reserves

(i) Capital Reserve :

Excess of net assets acquired over consideration paid/payable.

(ii) Retained earnings :

This reserve represents the surplus of the statement of profit and loss. The amount can be distributed by the company as dividends to its equity shareholders and is determined based on the financial statements of the Company and also considering the requirements of the Companies Act, 2013.

(iii) Remeasurement gain / (loss) on defined benefit obligations:

The company has recognised remeasurement loss on defined benefit plans in other comprehensive income (OCI). These changes are accumulated within the OCI reserve within Other equity. The company transfers amounts from this reserve to retained earnings when the relevant obligations are derecognised.

22 Litigations and claims

As a part of its real estate activity, the Company had acquired approximately 47 acres of land in Devanahalli Bengaluru from a party in terms of Agreement of Sale Deed dated 28.07.1995. However, as the said party, though in receipt of sale consideration did not fulfil its legal obligation to transfer the title in the name of the Company, the Company filed a suit for specific performance in the Civil Court in 2011. An order granting temporary injunction was passed on 11.03.2013 restraining the said party from alienating or in any way encumbering the land in Devanahalli. A criminal complaint was also filed at the Devanahalli Court on 10.11.2014 and subsequently, the Hon'ble High Court of Karnataka vide order dated 19.07.2019 has quashed the criminal complaint filed before the Court at Devanahalli and the proceedings is disposed of as such. The suit for Specific Performance in the Civil Court is pending. The Department of Revenue, Government of Karnataka, has also raised certain issues relating to the title of the land which are being addressed by the Company.

(ii) Financial instruments - Financial risk management

The Company's activities expose it to a variety of financial risks: Market risk, credit risk, liquidity risk. The Company has a risk management policy which covers risks associated with the financial assets and liabilities. The risk managemet policy is approved by the Board of Directors. The focus of the policy is to assess the upredictability of the financial environment and to mitigate potential adverse effects on the financial performace of the company.

i. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk.

a. Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's inter corporate deposits. The Company's inter corporate deposits with fixed interest rate is primarily short-term, which do not expose it to significant interest rate risk.

Notes annexed to and forming part of the financial statements as at March 31, 2025

b. Foreign Currency Risk and Other price risk

The Company is not exposed to any foreign currency risk and other price risk as the company is not dealing in any foreign operation nor it is having any investments.

i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company is not exposed to credit risk as there are no trade receivables as on March 31, 2025.

a. Inter Corporate Deposits

Inter Corporate Deposits of ₹ 4,467.80 lakh receivable as on March 31, 2025 (P.Y. ₹ 4,904.80 lakh) are with a Company having a good financial position & credit rating in the market.

ii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

Liquidity risk management

The Company's corporate treasury department is responsible for liquidity and funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The Company ensures that it has sufficient cash on demand to meet expected operational expenses for a month, including the servicing of financial obligations, this excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters and epidemics such as COVID-19.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

(₹ in Lakh)

Particulars	Carrying amount	Contractual cash flows

Compensated absences

Provision in respect of Compensated absences / leave encashment benefits has been made based on actuarial valuation carried out by an independent actuary at the Balance sheet date using Projected Unit Credit method. The liability for leave encashment and compensated absences as at March 31, 2025 aggregates ₹ 22.98 lakh (P.Y. ₹ 28.00 lakh).

28 Financial ratios

Ratio / Measure	Methodology	March 31, 2025	March 31, 2024	% variance
(a) Current ratio	Current assets over current liabilities	10.33	11.06	-6.65%
(b) Return on Equity ratio[1]	PAT over total average equity	0.96%	2.47%	-61.10%
(c) Trade payables turnover ratio[2]	Adjusted expenses over average trade payables	3.26	4.44	-26.76%
(d) Return on Capital employed[3]	PBIT over capital employed	1.73%	2.87%	-39.78%

Explanation for variance exceeding 25%

1. The Return on equity ratio has declined on account of decrease in income during the current financial year.
2. The Trade payables turnover ratio has declined due to increase in the payable balances at the year end.
3. Decrease in return on capital employed on account of decrease in profit for the current year.

29 Changes in liability arising from financial activities

(₹ in Lakh)

	As at March 31, 2024	Cash flows	Non-cash changes	As at March 31, 2025
Other financial liabilities	485.66	34.73	-	**520.39**

	As at March 31, 2023	Cash flows	Non-cash changes	As at March 31, 2024
Other financial liabilities	1,171.46	(685.80)	-	**485.66**

30 The Board of Directors of the Company, at its meeting held on November 25, 2022, has *inter alia* accorded approval for a Scheme of Arrangement of Merger by absorption of Hinduja Leyland Finance Limited into the Company. The said Scheme/ Merger is subject to necessary statutory/ regulatory approvals and approval of shareholders and accordingly, no effect has been given in this Financial statements.

CHAIRMAN'S MESSAGE

Dear Shareholders,

Greetings to you all and hoping you and your families are in the best of health and good cheer! As always, it is a pleasure to interact with you who have been pillars of strength to this organization in its journey across businesses over the years, focussing on creating value for all stakeholders.

This is the time of the year where I get an opportunity to update you on the various developments in the Company and give you a view on what the future holds for the Company.

The Environment:

Before getting into the specifics of your Company's plans, it would be useful to understand the environment in which your Company operates, and the influence that global and domestic events and indicators have on the Company's future. The global economy is still struggling to maintain its recovery post-Covid because successive economic shocks have buffeted it. This is accentuated by the uncertainty caused by wars, changes in the political environment in various countries, trade sanctions etc. leading to significant uncertainty in the global arena.

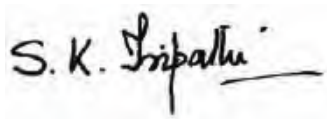
The Indian economy on the other hand has maintained its resilience and has continued to show a growth trajectory. In the financial services sector, which your Company proposes to expand in, the country is speedily metamorphosing from the traditional way of providing offline financial services to a digitally driven financial services business. You would be glad to know that India has established itself as the world's third-largest fintech economy, ranking just behind the USA and the UK. The financial sector is healthy. Its balance sheet is stronger. It is willing to lend and continues to lend. These developments bode well for your Company while it makes plans to enter the financial services sector.

Where we are and the way forward:

As mentioned in my previous year's message, the Company has re-positioned itself to get into and expand in the financial services sector. To give an impetus to this, the Board was re-constituted, the "Objects" clause in the Memorandum of Association was amended to provide for entry into this business and necessary application was made to the Reserve Bank of India (RBI) to get a registration as a "Non-Banking Financial Company" (NBFC). The registration as NBFC is the first step in the journey to pursue financial services business both through organic and inorganic means.

The RBI has considered our application and have raised certain relevant queries which have been clarified to them from time to time. We await further intimation from the RBI. We will keep you posted on the progress.

Post the approval of the registration as a NBFC, your Company will take steps for the Merger by Absorption of Hinduja Leyland Finance Limited into the Company.



Corporate Governance:

Corporate governance for the Company goes well beyond meeting mandatory compliance requirements. Transparency in dealings and good governance have become a culture in the organization. The governance framework encourages integrity, innovation, sustainability and stakeholder delight. The Company has over the decades of operations maintained highest standards of governance and conducted business with integrity and fairness. This philosophy in no small measure has contributed also to the creation of stakeholder value.

Conclusion:

My sincere appreciation for your unstinted support to the Company over the years and hoping that you will continue to support your Company in its endeavours to create value for all stakeholders. I would also like to thank the Directors who have been providing guidance to the Company, the Management which is rigorously pursuing the plans of the Company, Employees and Associates of the company. Also, my gratitude to our Bankers, Auditors, and Advisors for their continuous help and guidance during the year to help maintain the highest standards of corporate governance, which is accorded the top priority at the Hinduja Group.

I conclude by wishing you all good health and happiness.

Sudhanshu Tripathi
Chairman

BOARD'S REPORT

Dear Members,

The Board of Directors of NDL Ventures Limited (formerly known as NXTDIGITAL Limited) **("the Company")** are pleased to present the Thirty Ninth (39th) Annual Report of the Company along with the Audited Financial Statements for the financial year ended March 31, 2024.

In compliance with the applicable provisions of the Companies Act, 2013, **("the Act")**, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 **("SEBI Listing Regulations")**, this Board's Report is prepared based on the Standalone Financial Statements of the Company for the year under review.

OVERVIEW OF FINANCIAL PERFORMANCE

Key highlights of the Company's financial performance for the financial year ended March 31, 2024, are summarized as under:

(₹ in Lakh)

Particulars	FY 2023-24	FY 2022-23
Total income	**590.15**	252.11
Total expenses	**410.04**	224.71
Earnings before Interest, Depreciation, and taxes	**180.11**	27.40
Finance Costs	**-**	-
Depreciation and Amortization	**-**	-
Profit/(Loss) before tax from continuing operations	**180.11**	27.40
Tax		
- Current Tax	**31.55**	-
- Deferred Tax	**(13.02)**	-
Profit/(Loss) after tax for the year.	**161.58**	27.40

Since the Company has no subsidiaries, the consolidated financial results are not required to be prepared and hence, not provided. The Company presently holds real estate as part of its Real Estate business segment and has invested surplus funds in inter-corporate deposits. The Company has in the previous year amended its Memorandum of Association to enable it to carry on business in the financial services sector.

The Board of Directors of the Company has proposed "Merger by Absorption" of Hinduja Leyland Finance Limited with the Company subject to shareholders and necessary statutory/regulatory approvals.

DIVIDEND

The Board of Directors, at their meeting held on April 30, 2024, recommended the payment of dividend of Re. 1 (Rupee One only) per equity share (previous year ₹ 2.00 per equity share), i.e., 10% of the face value of equity share of ₹ 10/- each for the financial year 2023-24. The proposal for such a dividend is subject to approval of the shareholders at the ensuing Annual General Meeting of the Company.

The dividend recommended is in accordance with the Dividend Distribution Policy of the Company. The Dividend Distribution Policy, in terms of Regulation 43A of the SEBI Listing Regulations is available on the Company's website at https://ndlventures.in/investors/corporate-policies/

TRANSFER TO RESERVES

No amount has been proposed to be transferred to the General Reserve during the financial year ended March 31, 2024.

CHANGES IN SHARE CAPITAL

The paid-up equity capital of the Company as on March 31, 2024, was ₹ 33,67,16,210/- comprising of 3,36,71,621 Equity Shares of ₹ 10/- each. The said shares are listed on the BSE Limited and the National Stock Exchange of India Limited. There was no change in the paid-up equity capital of the Company during the year under review.

As on March 31, 2024, out of the Company's total paid-up equity capital comprising of 3,36,71,621 Equity Shares, 3,30,41,947 Equity Shares (98.13%) were held in dematerialized mode. The Company's equity shares are compulsorily tradable in electronic form.

UPDATE ON SCHEME OF MERGER

In order to take forward the proposal for Merger by Absorption of Hinduja Leyland Finance Limited (HLFL) into itself, the Company needs to get registered as a Non-Banking Financial Company (NBFC) with the Reserve Bank of India. Accordingly, the Company applied to the Reserve Bank of India for its registration as NBFC under Section 45-IA of the Reserve Bank of India Act, 1934. The process of approval is underway, and the Company has been providing information as required by the RBI for the purpose. Post registration of the Company as NBFC, the Company will initiate seeking approvals of statutory/regulatory authorities in line with the requirements of relevant applicable provisions of the Companies Act, 2013, SEBI Listing Regulations and other laws for the proposed merger of HLFL.

BUSINESS REVIEW

State of the Indian Economy

The global economy has been a bit of turmoil due to various global events like the uncertainty caused by wars, changes in the political environment in various countries, trade sanctions etc. This has led to the economies not fully recovering post the pandemic period. Elections in the United State of America are scheduled for the end of this calendar year and the results of these elections will have a significant bearing on the global economy.

The Indian economy on the other hand has maintained its resilience and has continued to show a growth trajectory. In the financial services sector, which your Company proposes to expand in, the country is speedily metamorphosing from the traditional way of providing offline financial services to a digitally driven financial services business. You would be glad to know that India has established itself as the world's third-largest fintech economy, ranking just behind the USA and the UK. The financial sector is healthy. Its balance sheet is stronger. It is willing to lend and continues to lend. These developments bode well for your Company while it makes plans to enter the financial services sector.

Nature of Company's Business and future outlook

The Company has taken steps to focus on the financial services sector and towards this the Board of Directors of the Company have proposed a "Merger by Absorption" of Hinduja Leyland Finance Limited with the Company. The financial services sector in India is booming and with the encouragement given by the Government of India for boosting of the economy, financial services sector is expected to do exceedingly well in the years to come.

SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES

As on March 31, 2024, the Company does not have any subsidiary, associate, or joint venture company. As such, a statement containing the salient features of financial statements of subsidiaries of the Company in the prescribed Form AOC-1 is not required to be prepared, hence, does not form part of this Annual Report.

BOARD OF DIRECTORS

The Board of the Company is comprised of eminent people with proven competence and integrity. Besides the experience, strong financial acumen, strategic astuteness, and leadership qualities, they have a significant degree of commitment towards the Company and devote adequate time to the meetings and preparation.

Appointment of Director retiring by rotation

In accordance with the provisions of Section 152(6) of the Act and in terms of the Articles of Association of the Company, Mr. Sudhanshu Tripathi, Director (DIN: 06431686) is liable to retire by rotation at the ensuing 39th Annual General Meeting ("39th AGM") and being eligible, seeks reappointment. The Board recommends his reappointment for approval of the members of the Company at 39th AGM.

Change in Independent Directors

Mr Anil Harish (DIN: 00001685) who has been on the Board of our Company for over a decade has taken a decision to resign from the Board of the Company vide his resignation letter dated July 8, 2024 due to his pre-occupation on the Boards of various other companies and his busy engagements in the charitable work he is carrying out with respect to different colleges and educational institutions supported by him and his family.

The Board places on record its appreciation for all the valuable support and guidance provided by Mr. Anil Harish to the Board and the management during his tenure as the Independent Director of the Company.

The Board, at its meeting held on August 8, 2024, based on the recommendation of the Nomination and Remuneration Committee of the Company, appointed Mr. Debabrata Sarkar (DIN: 02502618) as Independent Director for a period of five consecutive years subject to the approval of the shareholders at the ensuing Annual General Meeting. The Board recommends his appointment for approval of the members of the Company at the 39th AGM.

Brief resume, nature of expertise, disclosure of relationship between directors inter-se, details of directorships and committee membership held in other companies of the Directors proposed to be appointed / re-appointed, along with their shareholding in the Company, as stipulated under Secretarial Standard 2 and Regulation 36 of the SEBI Listing Regulations, is appended as an Annexure to the Notice of the ensuing AGM.

KEY MANAGERIAL PERSONNEL

In accordance with the provisions of Section 2(51) read with Section 203 of the Act, the following are the Key Managerial Personnel of the Company as on the date of this report:

- Mr. Amar Chintopanth, Whole Time Director & Chief Financial Officer and
- Mr. Ashish Pandey, Company Secretary

There was no change in the Key Managerial Personnel of the Company during the year under review.

MEETINGS OF BOARD OF DIRECTORS

The Board meets at regular intervals to discuss and decide on the Company's business policy and strategy apart from other Board business. The Board/Committee meetings are pre-scheduled, and a tentative annual calendar of the Board and Committee meetings is circulated to the Directors well in advance to help them plan their schedule and ensure meaningful participation in the meetings. Only in case of special and urgent business, if the need arises, the Board's or Committee's approval is taken by passing resolutions through circulation or by calling the Board / Committee meetings at a shorter notice, in accordance with the applicable laws. The agenda for the Board and Committee meetings includes detailed notes on the items to be discussed to enable the Directors to make an informed decision.

During the financial year 2023-24, the Board met 4 (four) times. The details of the meetings of the Board of Directors of the Company held and attended by the Directors are given in the Corporate Governance Report which forms part of this Report.

The maximum interval between any two meetings did not exceed 120 days, as prescribed by the Act and the SEBI Listing Regulations.

BOARD COMMITTEES

As required under the applicable laws, the Board delegated certain functions to its various committees that are established for that purpose. These committees conduct detailed reviews of the items under their purview before presenting them to the Board for consideration. The committees appointed by the Board are dedicated to specific areas and have the delegated authority to make informed decisions within their respective scopes. Generally, committee meetings are held before the Board meeting, and the Chairperson of each committee reports to the Board about the deliberations and decisions taken by the committees. They also provide specific recommendations to the Board on matters within their purview. All decisions and recommendations made by the committees are presented to the Board for either approval or information. During the year under review, all recommendations made by the committees have been accepted by the Board. The details of the composition of the Committees, their meetings held during the year including their terms of reference are provided in the Corporate Governance Report. The composition and terms of reference of all the Committees of the Board of Directors of the Company is in line with the provisions of the Act and the SEBI Listing Regulations.

As on March 31, 2024, the Board has 6 (six) Committees:

1. Audit Committee,
2. Nomination & Remuneration Committee,
3. Corporate Social Responsibility Committee,
4. Risk Management Committee,
5. Stakeholders Relationship Committee and
6. Committee of Directors – Integration Committee

Details of composition, role and responsibilities of the said Committees, the particulars of meetings held, and attendance of the Members at such Meetings are mentioned in the Report on Corporate Governance, which forms part of this Annual Report.

COMPOSITION AND MEETINGS OF AUDIT COMMITTEE

The Board has established a qualified and independent Audit Committee in accordance with the requirements of Section 177 of the Act and Regulation 18 of the SEBI Listing Regulations. The Audit Committee is comprised of four (04) Members. The Committee was chaired by Mr. Anil Harish, Independent Director till July 8, 2024, thereafter, Mr. Munesh Khanna, Independent Director w.e.f. August 8, 2024. The other Members of the Committee are Ms. Bhumika Batra, Independent Director, Mr. Debabrata Sarkar, Independent Director and Mr. Sudhanshu Tripathi, Non-Executive Director. The Committee met 4(four) times in the financial year 2023-24. The Board has accepted all the recommendations of the Audit Committee during the year under review.

Details of the role and responsibilities of the Audit Committee, the particulars of meetings held, and attendance of the Members at such Meetings are mentioned in the Report on Corporate Governance, which forms part of this Annual Report.

COMPOSITION AND MEETINGS OF NOMINATION AND REMUNERATION COMMITTEE

The Nomination and Remuneration Committee is comprised of three Members. The Committee was chaired by Mr. Anil Harish, Independent Director till July 8, 2024, thereafter, Ms. Bhumika Batra, Independent Director w.e.f. August 8, 2024. The other Members of the Committee are Mr. Debabrata Sarkar, Independent Director and Mr. Sudhanshu Tripathi, Non-Executive Director. The Committee met 2(two) times in the financial year 2023-24.

Details of the role and responsibilities of the Nomination and Remuneration Committee, the particulars of meetings held, and attendance of the Members at such Meetings are mentioned in the Report on Corporate Governance, which forms part of this Annual Report.

COMPOSITION AND MEETINGS OF STAKEHOLDERS RELATIONSHIP COMMITTEE

The Stakeholders Relation Committee is comprised of three Members. The Committee is chaired by Ms. Bhumika Batra, Independent Director. The other Members of the Committee are Mr. Sudhanshu Tripathi, Non-Executive Director and Mr. Amar Chintopanth, Whole Time Director & CFO. The Committee met 2(two) times in the financial year 2023-24.

Details of the role and responsibilities of the Stakeholders Relationship Committee, the particulars of meetings held, and attendance of the Members at such Meetings are mentioned in the Report on Corporate Governance, which forms part of this Annual Report.

DECLARATION BY INDEPENDENT DIRECTORS

As on date of this report, Mr. Anil Harish (till July 8, 2024), Ms. Bhumika Batra, Mr. Munesh Khanna and Mr. Debabrata Sarkar (from August 8, 2024) are the Independent Directors of the Company. All the Independent Directors of the Company have submitted their declaration, *inter-alia*, confirming that:

- they meet the criteria of independence as prescribed under the provisions of the Act, read with the Schedule and Rules made thereunder, and the SEBI Listing Regulations. There has been no change in the circumstances affecting their status as Independent Directors of the Company.
- they have complied with the Code for Independent Directors prescribed under Schedule IV to the Act; and
- they have registered themselves with the Independent Director's Database maintained by the Indian Institute of Corporate Affairs.

In terms of Regulation 25(8) of the SEBI Listing Regulations, the Independent Directors have confirmed that they are not aware of any circumstance or situation that exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties with an objective independent judgment and without any external influence.

None of the Directors of the Company are disqualified for being appointed as Directors as specified under Section 164(2) of the Act read with Rule 14(1) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

CODE OF CONDUCT FOR DIRECTORS AND SENIOR MANAGEMENT

All the Directors and senior management have affirmed the compliance of the Code of Conduct as approved and adopted by the Board of Directors and a declaration to this effect signed by the Whole Time Director & Chief Financial Officer has been annexed as **"Annexure A"** to this Report in line with the requirement of Regulation 26(3) read with Schedule V(D) of the SEBI Listing Regulations. The Code of Conduct of the Company is available on the website of the Company at http://ndlventures.in/investors/code-of-conduct/.

FAMILIARISATION PROGRAMME FOR DIRECTORS INCLUDING INDEPENDENT DIRECTORS

The Company has an orientation process/ familiarization program for its directors (including Independent Directors), which includes sessions on various business and functional matters and strategy sessions. The Company ensures induction and training programs are conducted for newly appointed Directors. New Directors are taken through a detailed induction and familiarization program, including briefing on their role, responsibilities, duties, and obligations, the nature of the business and business model, matters relating to Corporate Governance, Code of Conduct, Risk Management, Compliance Programs, Internal Audit etc. This is in compliance with the requirements of Regulation 25(7) of the SEBI Listing Regulations. The Company's Whole

Time Director & CFO makes presentations to Board members every quarter, sharing updates about the Company's business strategy, operations, and the key trends in the industry relevant for the Company. These updates help the Board members in keeping abreast of the key changes and their impact on the Company. The Board members are regularly updated on business updates, business models and the competitive environment. The Board is also updated on organizational risks, industry review, internal financial controls, changes in corporate and allied laws through presentations.

The details of the Familiarization Programme conducted are available on the website of the Company at https://ndlventures.in/contents/static/uploads/inv/sebi-clause46/Familiarisation_programme_of_Independent_Directors_(1)_.pdf

DIRECTOR'S RESPONSIBILITY STATEMENT

Pursuant to the requirements of Sections 134(3)(c) and 134(5) of the Act, the Board of Directors, to the best of their knowledge and ability, confirm that for the financial year ended March 31, 2024:

a. in the preparation of the annual accounts for the year ended March 31, 2024, the applicable accounting standards read with requirements set out under Schedule III to the Act, have been followed and there are no material departures from the same;

b. the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as of March 31, 2024, and of the profit/loss of the Company for the year ended on that date;

c. the Directors have taken proper and enough care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.

d. the Directors have prepared the annual accounts on a going concern basis;

e. the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and

f. the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

ANNUAL EVALUATION OF THE BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

The Board evaluation is an essential part of the Company's commitment to good corporate governance. By conducting an annual evaluation of its Board, Committees, and individual members, the Company demonstrates its commitment to transparency, accountability, and effective governance. It enables the Board to identify areas where it can improve its performance and ensures that the Company's governance practices remain in line with best practices. The Company's Corporate Governance Guidelines require an annual evaluation of all Board Members and the functioning of the Board and its mandatory Committees. These mandatory Committees includes the Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee, Corporate Social Responsibility Committee, and Risk Management Committee. The purpose of the evaluation is to assess the performance of the Board, and its committees and identify areas for improvement. During FY2023-24, the Board, its committees, and individual directors, including the Chairman, underwent a comprehensive performance evaluation.

The Company engaged the services of an external agency to undertake the evaluation process. The manner in which the Board has carried out the evaluation in consultation with such an external agency has been explained in the Corporate Governance Report, which forms part of this report. The Independent Directors at their separate meeting held on March 15, 2024 reviewed the performance of Non-Independent Directors and the Board as a whole, Chairman of the Board after taking into account the views of Executive Director and Non-Executive Directors, the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

CORPORATE GOVERNANCE REPORT

Maintaining high standards of Corporate Governance has been fundamental to the business of the Company since its inception. The Board of Directors reaffirm their continued commitment to good Corporate Governance and ethical practices.

Your Company has complied with the Corporate Governance requirements specified under SEBI Listing Regulations during the year under review. A detailed report on Corporate Governance as required under Regulation 34 read with Schedule V of the SEBI Listing Regulations is annexed as "**Annexure B"** to this report.

As required by Schedule V(E) of the SEBI Listing Regulations, a certificate from Practicing Company Secretary certifying that the Company has complied with the conditions of Corporate Governance as required therein is annexed as "**Annexure C"** to this Report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

In compliance with Regulation 34 of the SEBI Listing Regulations, a separate section on Management Discussion and Analysis, as approved by the Board, which includes details on the state of affairs of the Company, forms part of this Annual Report as "**Annexure D".**

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

Business Responsibility and Sustainability Report ('BRSR') pursuant to Regulation 34(f) of SEBI Listing Regulations in the format specified by the SEBI from time to time, forms part of the Annual Report and is marked as "**Annexure E"** to this report. Such a report is also made available on the website of the Company at http://ndlventures.in/investors/annual-reports/ .

DEPOSITS FROM PUBLIC

The Company has not accepted any deposits from the public within the meaning of Chapter V of the Act, and rules made thereunder during the financial year 2023-24.

LOANS, GUARANTEES, AND INVESTMENTS

Particulars of loans given, investments made, guarantees given, and securities provided are given in Note nos. 5 and 6 of the Notes forming part of Financial Statements.

INTERNAL FINANCIAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has comprehensive internal control mechanism and also has in place adequate policies and procedures for the governance of orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding its assets, prevention, and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial disclosures. The Company's internal control systems are commensurate with the nature of its business, and the size and complexity of its operations and such internal financial controls concerning the Financial Statements are adequate. The Company has a strong and independent in-house Internal Audit ("IA") department that functionally reports to the Chairman of the Audit Committee, thereby maintaining its objectivity. The remediation of deficiencies as identified by the IA department has resulted in a robust framework for internal controls. Further, Statutory Auditors in its report expressed an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls.

The Company has complied with specific requirements as laid under Section 134(5)(e) of the Act, which calls for establishment and implementation of the Internal Financial Control framework that supports compliance with requirements of the Act in relation to the Director's Responsibility Statement.

The Audit Committee, based on its evaluation, has concluded that as on March 31, 2024, your Company's internal financial controls were adequate and operating effectively.

ANNUAL RETURN

Pursuant to Section 134(3)(a) of the Act, the Annual Return of the Company prepared as per Section 92(3) of the Act for the financial year ended March 31, 2024, is available on the Company's website and can be accessed at https://ndlventures.in/investors/annual-reports/. In terms of Rules 11 and 12 of the Companies (Management and Administration) Rules, 2014, the Annual Return shall be filed with the Registrar of Companies, within prescribed timelines.

STATUTORY AUDITORS AND THEIR REPORT

Based on the recommendation of the Audit Committee and Board of Directors, the shareholders of the Company at the 37th Annual General Meeting held on September 27, 2022 appointed M/s S K Patodia & Associates LLP, Chartered Accountants (Firm Registration No. 112723W) as Statutory Auditors of the Company for a period of three years commencing from the conclusion of 37th Annual General Meeting till the conclusion of 40th Annual General Meeting of the Company. M/s S K Patodia & Associates LLP, Chartered Accountants (Firm Registration No. 112723W) confirmed their eligibility for appointment as Statutory Auditors of the Company.

M/s S K Patodia & Associates LLP, Chartered Accountants, Statutory Auditors of the Company have issued an unmodified opinion on the Financial Statements for the financial year 2023-24 and the Auditor's Report forms part of this Annual Report.

REPORTING OF FRAUDS BY AUDITORS

The Statutory Auditors have not reported any instance of fraud committed against the Company by its officers or employees under Section 143(12) of the Act.

SECRETARIAL AUDITORS AND THEIR REPORT

According to the provisions of Section 204 of the Act and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board had appointed Ms. Rupal Dhiren Jhaveri, a Practicing Company Secretary (CP: 4225) to undertake Secretarial Audit for the financial year 2023-24. The Secretarial Audit Report in the Form No. MR-3 for the year ended March 31, 2024 is annexed as "**Annexure F"** to this Report.

The Secretarial Audit Report for the year under review does not contain any qualifications, reservations, or adverse remarks.

In accordance with the Regulation 24A of the SEBI Listing Regulations, the Company has obtained Annual Secretarial Compliance Report from Ms. Rupal Dhiren Jhaveri, Practicing Company Secretary, confirming compliances with all applicable SEBI Regulations, Circulars and Guidelines for the year ended March 31, 2024.

Ms. Rupal Dhiren Jhaveri, Practicing Company Secretary, has issued a certificate confirming that none of the Directors on the Board of the Company has been debarred or disqualified from being appointed or continuing as Directors of companies by Securities Exchange Board of India/Ministry of Corporate Affairs or any such statutory authority. The said certificate is annexed to this Report.

COMPLIANCE OF SECRETARIAL STANDARDS

Section 118 of the Act mandates compliance with the Secretarial Standards on board meetings and general meetings issued by the Institute of Company Secretaries of India as amended from time to time. During the year under review, the Company has complied with the applicable Secretarial Standards (SS).

COST RECORDS AND AUDIT

Due to the demerger of Digital, Media and Communications business undertaking of the Company with Hinduja Global Solutions Limited with effect from the appointed date February 1, 2022, the Company is not presently engaged in any activity on which cost audit is applicable.

RELATED PARTY TRANSACTIONS

The Company has a well-defined process of identification of related parties and transactions with related parties, its approval and review process. The Company's Policy on dealing with and materiality of related party transactions is available on the website of the Company at https://ndlventures.in/investors/corporate-policies/. There are no materially significant related party transactions that may have potential conflict with interest of the Company at large.

All related party transactions during the financial year 2023-24 were in the ordinary course of business and at an arm's length basis and do not attract the provisions of Section 188 of the Act, hence, no particulars in Form AOC-2 have been furnished.

Related party transactions entered during the financial year under review are disclosed in note no. 24 of notes to the financial statements of the Company for the financial year ended March 31, 2024. These transactions entered were at an arm's length basis and in the ordinary course of business. All the transactions with related parties were reviewed and approved by the Audit Committee and were in accordance with the Policy on dealing with and materiality of related party transactions and the related party framework, formulated and adopted by the Company.

In terms of Regulation 23 of the SEBI Listing Regulations, the Company submits within the stipulated time from the date of publication of its financial results for the half year, disclosures of related party transactions, in the specified format to the Stock Exchanges i.e. BSE and NSE. The said disclosures are available on the website of the Company at https://www.ndlventures.in/investors/financial-results-2/ .

Approval of the Shareholders was sought with respect to the material related party transactions with Hinduja Realty Ventures Limited, Hinduja Global Solutions Limited, IndusInd Media & Communications Limited, IN Entertainment (India) Limited and OneOTT Intertainment Limited, all during the period from April 1, 2024, to September 30, 2024, or till the date of the Annual General Meeting to be held in the financial year 2024-25 whichever is earlier. Approval of the Shareholders is being sought on the same material related party transactions with the same parties at the ensuing Annual General Meeting for further period of one year.

CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility **("CSR")** committee comprises of Mr. Munesh Khanna, Independent Director as Chairman, Mr. Sudhanshu Tripathi, Non-Executive Director and Mr. Amar Chintopanth, Whole Time Director & CFO as members. The Committee met once during the year 2023-24. The Committee has formulated and recommended to the Board

CSR Policy indicating activities to be undertaken by the Company, which has been approved by the Board. The contents of the CSR Policy of the Company as

approved by the Board on the recommendation of the CSR Committee are available on the website of the Company and can be accessed through the web link: https://www.ndlventures.in/investors/corporate-policies/ .

The CSR Committee at its meeting held on January 31, 2024, arrived at a conclusion that considering average loss for the last three years, as computed for the financial year 2023-24, there would not be any statutory obligation to provide the funds for CSR activities. The Board, at its meeting held on January 31, 2024, reviewed and confirmed the same.

The annual report on CSR is provided in the "**Annexure- G**" to this report.

WHISTLE BLOWER POLICY AND VIGIL MECHANISM

Your Company has laid down a Vigil Mechanism and formulated a Whistle Blower Policy in order to provide a framework for responsible and secure whistle blowing mechanism. The Policy aims to provide an avenue for Employees and Directors to raise their concerns about unethical behavior, actual or suspected fraud or violation of the company's code of conduct and it also empowers the Audit Committee of the Board of Directors to investigate the concerns raised by the employees. Your Company confirms that no Director or employee has been denied access to the Chairperson of the Audit Committee and that no complaints were received during the year 2023-24.

Details of the Company's policy on Whistle Blower / Vigil Mechanism can be accessed at https://www.ndlventures.in/investors/corporate-policies/ .

RISK MANAGEMENT

Risks are an integral part of business, and it is imperative to manage these risks at acceptable levels in order to achieve business objectives. The risks to which the Company is exposed are both external and internal. Your company has formulated a Risk Management Policy to provide an integrated and standardized approach in managing all aspects of risk to which your Company is exposed. A Board-level Risk Management Committee monitors the Enterprise Risk Management Policy with participation from officers responsible for risk management and to take appropriate steps to ensure that these risks are at acceptable levels. The Audit Committee and Board are updated on how each of the identified risks is monitored during the reporting period to ensure that there is no adverse impact on the Company.

INSIDER TRADING REGULATIONS

Based on the requirements under SEBI (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time, the Company has adopted a Code of Conduct for Prevention of Insider Trading and Policy on Disclosure of Material Events/ Information which is applicable to all Directors and the Designated Employees of the Company. The Code lays down the guidelines, on the procedures to be followed and disclosures to be made while dealing in shares of the Company and indicate the consequences of non-compliance. A copy of the Code has been put on the Company's website at https://www.ndlventures.in/investors/insider-trading/.

The details of the said transfers to the IEPF are provided in the Corporate Governance Report of this Report under heading Unpaid/Unclaimed Dividend and are also available on our Company's website at https://www.ndlventures.in/investors/unclaimed-dividend/ .

DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

The Company has zero tolerance towards sexual harassment at the workplace. The Company has adopted a policy on prevention, prohibition and redressal of sexual harassment at workplace in line with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the Rules made thereunder.

The Company has complied with the provisions relating to the constitution of the Internal Complaints Committee as per the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

During the financial year ended March 31, 2024, the Company has not received any complaint pertaining to sexual harassment.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

Pursuant to Section 134(3)(m) of the Act, the details of Conservation of Energy, Technology Absorption and Foreign Exchange Earnings & Outgo during the year under review are as under:

Conservation of Energy:

Information on Conservation of Energy as required under Section 134(3)(m) of the Act read with the Rules made thereunder is not applicable to the Company and hence, no annexure forms part of this report. Adequate measures have been taken to conserve energy wherever possible. The energy saving measures also include installation of LED lighting, selecting and designing offices to facilitate maximum natural light utilisation, optimised usage of lights and continuous monitoring and control of the operations of the air conditioning equipment. The Company evaluates the possibilities and various alternatives to reduce energy consumption.

Technology Absorption:

The Management keeps itself abreast of the technological advancements in the industry and has adopted the best across all the functions. Your Company's focused approach is to keep on enhancing its in-house tech capabilities.

Foreign Exchange Earnings & Outgo: Nil

CREDIT RATING

As on March 31, 2024, the Company had no borrowing, hence, credit rating was not required to be obtained.

REMUNERATION POLICY

Based on the recommendation of NRC, the Board has formulated a comprehensive Remuneration Policy for its Directors, Key Managerial Personnel (KMPs), Senior Management, and other employees. The philosophy behind this policy is to create a culture of leadership and trust. This policy is in accordance with Section 178 of the Act and Regulation 19 of SEBI Listing Regulations and is available on the Company's website at https://www.ndlventures.in/investors/corporate-policies/ .

The Non-Executive Directors, including Independent Directors, are paid sitting fees for attending the meetings of the Board and Committees of the Board. For details of remuneration paid to Directors including Independent Directors are provided in the Corporate Governance, form part of this report.

DISCLOSURES OF EMPLOYEES PARTICULARS

Disclosures pertaining to the remuneration and other details as required under Section 197(12) of the Act read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is annexed as **"Annexure H"** to this Report.

Statement containing particulars of top 10 employees and the employees drawing remuneration in excess of limits prescribed under Section 197 (12) of the Act read with Rule 5(2) and (3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is provided in the **"Annexure - I"** forming part of this report. The said statement is also open for inspection at the Registered Office of the Company, up to the date of the 39th AGM. Any Member interested in obtaining a copy of the same may write to the Company Secretary.

GENERAL DISCLOSURES

1) No significant or material orders except stated above were passed by any Regulator or Court or Tribunal, which can have an impact on the going concern status and the Company's operations in the future.

2) There are no material changes and commitments that have occurred between the end of the financial year of the Company and the date of this report, which affects the financial position of the Company.

3) The Whole Time Director of the Company does not receive any remuneration or commission from any of its subsidiaries.

4) No equity shares with differential rights as to dividend, voting or otherwise were issued.

5) No equity shares were issued to employees of the Company under any scheme.

6) No application has been made under the Insolvency and Bankruptcy Code; hence, the requirement to disclose the details of application made or any proceeding pending under Insolvency and bankruptcy Code, 2016 during the financial year along with their status as at the end of the financial year is not applicable.

7) The requirement to disclose the details of difference of difference amount of valuation

done at the time of onetime settlement and the valuation done while taking loan from the Bank or financial institutions along with the reasons thereof, is not applicable.

ACKNOWLEDGEMENTS

Your Directors place on record earnest appreciation for the contribution made by each and every employee during the year under review. The Company's consistent growth was made possible by their hard work, solidarity, cooperation and dedication. The Directors also wish to express their gratitude to the Investors for the confidence and faith that they continued to repose in the Company. The Board takes this opportunity to thank all shareholders, business partners, government and regulatory authorities and banks for their continued guidance, encouragement and splendid support.

Report on Corporate Governance

Pursuant to Schedule V Para C of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Maintaining high standards of Corporate Governance has been fundamental to the business of the Company since its inception. With more than 39 years of existence, our Corporate Governance framework has grown over time and is guided by our core values of Integrity, Respect, Responsibility and Pioneering. The Company is determined to do things the right way, which means making the decisions and acting in a way that is ethical and in line with applicable laws. The Company treads carefully with a high sense of responsibility towards all stakeholders. Creating value for all stakeholders is the prime goal of the Company. The Company has a duty towards all its stakeholders to operate the business of the Company based on the core principles of good governance, accountability, transparency, integrity, societal, environment and regulatory compliances while creating long-term value for all its stakeholders.

Our Governance Structure is multi-tiered, comprising the Board of Directors, Board Committees, Whole Time Director & CFO and the Management Committee. The Board is responsible for and committed to sound principles of Corporate Governance in the Company. The Board plays a crucial role in overseeing how the management serves the short and long-term interests of shareholders and other stakeholders. This belief is reflected in our governance practices.

The Company follows not just the stated corporate governance guidelines, but also best practices. We consider it our inherent responsibility to protect the rights of our shareholders and disclose timely, adequate and accurate information regarding our financials and performance, as well as the leadership and governance of the Company.

The Company is in compliance with the requirements stipulated under Regulations 17 to 27 read with Schedule V and Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (**"SEBI Listing Regulations"**), as applicable, with regard to corporate governance.

The detailed report on the compliance is given hereunder:

1. BOARD OF DIRECTORS

A. Composition and Category:

The Board of the Company comprises highly experienced persons of repute, eminence and has a good and diverse mix of Executive and Non-Executive Directors with majority of the Board members comprising Independent Directors including Independent Women Director. The Board composition is in conformity with the applicable provisions of Companies Act, 2013 (the Act) and Listing Regulations as amended from time to time.

As on March 31, 2024, the Board of Directors of the Company comprised of six (6) Directors. Out of the total six (6) directors, five (5) are Non-Executive Directors out of which three (3) are Independent Directors including a Woman Director. The composition of the Board represents an optimal mix of professionalism, knowledge and experience and enables the Board to discharge its responsibilities and provide effective leadership to the business.

The composition of the Board is in conformity with Section 149 and 152 of the Companies Act, 2013 ('the Act') and Regulation 17 of the SEBI Listing Regulations.

Composition of Board of Directors is as follows:

Name of Directors	DIN	Category
Mr. Sudhanshu Tripathi	06431686	Chairman – Non-Executive Director
Mr. Anil Harish	00001685	Independent Director
Ms. Bhumika Batra	03502004	Independent Director
Mr. Munesh Khanna	00202521	Independent Director
Mr. Sachin Pillai	06400793	Non-Executive – Non-Independent Director
Mr. Amar Chintopanth	00048789	Whole-Time Director & CFO

B. Board Meetings held during the year:

Four (04) Board Meetings were held during the year under review as under:

Date of Board Meetings	Board Strength	No. of Directors present
April 28, 2023	6	6
July 28, 2023	6	6
October 27, 2023	6	6
January 31, 2024	6	6

The time gap between any two meetings did not exceed one hundred and twenty days in compliance with the requirements under the Act.

In compliance with the applicable provisions of the Act and the rules made thereunder, the Company facilitates the participation of Directors in Board / Committee Meetings through video conference. [Source: This information is compiled from the data available from the websites of BSE and NSE]

A. SHARE PRICE MOVEMENT (BSE)

Your Company's closing share price performance on the BSE relative to BSE Sensex closing prices (April 2023 to March 2024).

B. SHARE PRICE MOVEMENT (NSE)

Your Company's closing share price performance on the NSE relative to NSE Nifty closing prices. (April 2023 to March 2024).

17. UNPAID/UNCLAIMED DIVIDEND

Pursuant to Sections 124 and 125 of the Act read with the Investor Education and Protection Fund Authority(Accounting, Audit, Transfer and Refund) Rules, 2016 **("IEPF Rules"),** dividends, if not claimed for a consecutive period of 7 (seven) years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund **("IEPF")**.

Further, all the shares in respect of such dividends which have not been claimed for a period of 7 (seven) consecutive years are also liable to be transferred to the demat account of the IEPF Authority.

In the interest of the members, the Company sends periodical reminders to the members to claim their dividends in order to avoid transfer of dividends/ shares to IEPF Authority. Notices in this regard are also published in the newspapers and the details of unclaimed dividends and members whose shares are liable to be transferred to the IEPF Authority, are uploaded on the Company's website at http://ndlventures.in/investors/unclaimed-dividend/.

In light of the aforesaid provisions, the Company will transfer the unpaid/ unclaimed dividend approximately ₹ 4,05,370/- (Four Lakhs Five

Thousand Three Hundred and Seventy Only) to the IEPF for the financial year 2016-17 in the month of October 2024 and will transfer approximately 1063 equity shares to the IEPF Authority, in the month of November 2024. Accordingly, the voting rights on the shares transferred to IEPF Authority shall remain frozen till the rightful owner of such shares claims the shares.

The members who have a claim on above dividend and shares may claim the same from IEPF Authority by submitting an online application in the prescribed Form No. IEPF-5 available on the website www.iepf.gov.in and sending a physical copy of the same, duly signed to the Company, along with requisite documents enumerated in the Form No. IEPF-5. No claims shall lie against the Company in respect of the dividend/shares so transferred.

Those Members who have so far not encashed their dividend warrants for the financial year 2016-2017, 2017-18, 2018-19, 2019-20, 2020-21, 2021-22 and 2022-23 are requested to approach the Company's Registrar and Share Transfer Agent (RTA) – Kfin Technologies Limited for claiming the same at the earliest.

18. A. SHARE TRANSFER SYSTEM

As per Regulation 40 of the SEBI Listing Regulations, as amended, securities of listed entities can be transferred only in dematerialized form, with effect from April 1, 2019. Members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Transfer of equity shares in electronic form are effected through the depositories with no involvement of the Company.

SEBI vide its circulars dated November 03, 2021, December 14, 2021, January 25, 2022 and March 16, 2023, has mandated the Companies to alert all holders of physical securities as follows:

a. with effect from January 01, 2022, any service request will be entertained by the RTA only upon registration of PAN, KYC and Nomination details.

b. folios in which PAN / KYC/ Nomination details are not available will be frozen by the RTA with effect from October 01, 2023.

c. that the folios in which PAN is not linked to Aadhaar as on June 30, 2023 or any other date as may be specified by the Central Board of Direct Taxes will also be frozen by the RTA.

d. after December 31, 2025, the frozen folios shall be referred by RTA to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and / or Prevention of Money Laundering Act, 2002. Shareholders holding shares in physical form are requested to furnish / update their PAN, KYC details and Nomination, if not done earlier, with the Company's RTA by using the relevant forms as mentioned at the Company's website http://ndlventures.in/investors/investors-assistance/

Please note that the term 'freezing/ frozen' as mentioned in the above clauses (b), (c) and (d) has been deleted by the SEBI in respect of folios in which PAN / KYC/ Nomination details are not available by issuing its circular dated November 17, 2023. Hence, the provisions relating to freezing of folios are done away in case of not furnishing PAN / KYC/ Nomination details.

18. B. DEMATERIALISATION OF SHARES AND LIQUIDITY

The Nomination & Remuneration Committee ("**Committee**") is responsible for formulating and making the necessary amendments to the Remuneration Policy for the Directors, KMPs and Senior Executives of the Company from time to time.

(1) formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the board of directors a policy relating to, the remuneration of the directors, key managerial personnel and other employees;

(1A) For every appointment of an independent director, the Nomination and Remuneration Committee shall evaluate the balance of skills, knowledge and experience on the Board and on the basis of such evaluation, prepare a description of the role and capabilities required of an independent director. The person recommended to the Board for appointment as an independent director shall have the capabilities identified in such description. For the purpose of identifying suitable candidates, the Committee may:

a. use the services of an external agencies, if required;

b. consider candidates from a wide range of backgrounds, having due regard to diversify and

c. consider the time commitments of the candidates.

(2) formulation of criteria for evaluation of performance of independent directors and the board of directors;

(3) devising a policy on diversity of board of directors;

(4) identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the board of directors their appointment and removal.

(5) whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors.

(6) recommend to the board, all remuneration, in whatever form, payable to senior management.

The Committee shall, while formulating the policy and making the necessary amendments therein, ensure that:

a) the level and composition of the remuneration is reasonable and sufficient to attract to retain and motivate Directors of the quality required to run the Company successfully;

b) relationship of remuneration to the performance is clear and meets appropriate performance benchmarks; and

c) remuneration to Directors, Key Managerial Personnel and senior management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

3. Remuneration for Non-Executive Directors

Non-Executive Directors ("NED") are remunerated by way of Sitting Fee for each meeting of the Board/ Committees of the Board attended by them and an annual commission on the profits of the Company. Commission to respective NED is determined on the basis of objective criteria discussed and agreed upon by the Committee Members unanimously. NED's are reimbursed any out of pocket expenses incurred by them for the purpose of the Company.

4. Remuneration for Executive Directors, Key Managerial Personnel (KMP) and Senior Executives

The following elements are taken into consideration for determining the Remuneration of Executive Directors, KMPs and Senior Executives:

- The remuneration policy reflects a balance between the interests of the Company's main stakeholders as well as a balance between the Company's short-term and long-term strategy. As a result, the structure

of the remuneration package for the Directors, KMPs and Senior Executives is designed to balance short-term operational performance with the medium and long-term objective of creating sustainable value within the Company, while taking into account the interests of its stakeholders. The Company strives for a high performance in the field of sustainability and aims to maintain a good balance between economic gain, respect for people and concern for the environment.

- To ensure that highly skilled and qualified KMPs/Senior Executives can be attracted and retained, the Company aims for a total remuneration level that is comparable to levels provided by other Companies that are similar to the Company in terms of size and complexity.
- In designing and setting the levels of remuneration for the Directors, KMPs and Senior Executives, the Committee also takes into account the relevant statutory provisions and provisions of the corporate governance regulations, societal and market trends and the interests of stakeholders.
- The Company's policy is to offer the Directors, KMPs and Senior Executives a total compensation comparable to the peer group.

Total Compensation (TC)

The total compensation of the Managing Director and Senior Executives consists of the following components:

1. Base salary
2. Variable income –
   - Annual Performance Pay (APP)
   - Performance-related Long-Term Incentive Plan (LTIP)

Base salary

On joining the Company, the Managing Director, KMPs and Senior Executives receive a base salary comparable to the peer group. Every year, base salary levels are reviewed by the Committee.

Variable income

The variable income part of remuneration consists of APP and LTIP. The distribution between APP and LTIP for (on target) performance aims to achieve a proper balance between short-term result and long-term value creation.

The parameters relating to the various elements of the variable income part of the remuneration are established and where necessary adjusted by and at the discretion of the Committee, taking into account the general rules and principles of the remuneration policy itself.

The targets are determined each year by the Committee in consultation with the respective Director/KMPs / Executive, based on historical performance, the operational and strategic outlook of the Company in the short term and expectations of the Company's management and stakeholders, among other things. The targets contribute to the realization of the objective of long-term value creation.

It is one of the long term objectives to reach the proportion of variable compensation upto 50% of the total compensation.

5. Remuneration for other Employees.

Remuneration of middle and lower level employees of the Company consists entirely of fixed pay which is reviewed on an annual basis. Increase in the remuneration of employees is effected based on an annual review taking into account performance of the employee and the performance of the Company as well.

6. Employee Stock Options

It is a long term objective of the Company to introduce employee stock options to inculcate a sense of ownership among the employees of the Company.

7. Alignment of Remunerations

The Committee strives to achieve that the remunerations of the Directors, Senior Executives, Middle and lower level employees of the Company are aligned to each other.

8. Term of Appointment

The term of appointment of the Managing Director and other Executive Directors is generally for a period of 3 years and renewed for similar periods from time to time, whereas the term of the other employees, generally is upto the age of superannuation. However, the Company may also appoint consultants for shorter periods on need basis.

9. Post Retirement Benefits

All the executive directors and employees are entitled to retirement benefits such as provident fund, superannuation fund and gratuity.

10. Severance Arrangements

Contracts of employment with executive directors and regular employees provide for compensation of upto 3 months pay or advance notice of similar period.

11. Loans

There is no system of granting of loans to Directors, KMPs and employees of the Company.

Annexure "2" to the Corporate Governance Report

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Members
NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)
In Centre, 49/50 MIDC 12th Road,
Andheri (E) Mumbai – 400 093.

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of NDL Ventures Limited (formerly known as NXTDIGITAL Limited) having CIN L65100MH1985PLC036896 (**"the Company")** and having registered office at IN CENTRE, 49/50 MIDC, 12th Road, Andheri (E) Mumbai – 400093 (hereinafter referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in as considered necessary and explanations furnished to me by the Company and its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the financial year ended on March 31, 2024 have been debarred or disqualified from being appointed or continuing as Directors of Companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs, or any such other statutory authority:

Sr. No.	Name of Director	DIN	Date of appointment in the Company
1.	Mr. Anil Harish	00001685	November 8, 1995
2..	Ms. Bhumika Batra	03502004	March 11, 2015
3.	Mr. Sudhanshu Tripathi	06431686	August 4, 2015
4.	Mr. Amar Chintopanth	00048789	September 4, /2020
5.	Mr. Munesh Narinder Khanna	00202521	May 13, 2021
6.	Mr. Sachin Pillai	06400793	January 31, 2023

Ensuring the eligibility for the appointment / continuity of every Director on the Board is the responsibility of the management of the Company. Our responsibility is to express an opinion on these based on our verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

CERTIFICATE ON CORPORATE GOVERNANCE

Pursuant to Schedule V Para E of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Members,
NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)
IN CENTRE, 49/50 MIDC,
12th Road, Andheri (East),
Mumbai- 400093.

I have examined the compliance of the conditions of Corporate Governance by **NDL Ventures Limited** (formerly known as NXTDIGITAL Limited) (**"the Company"**) for the year ended on March 31, 2024, as stipulated under Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (**"SEBI Listing Regulations"**).

The compliance of the conditions of Corporate Governance is the responsibility of the management. My examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of our information and according to the explanations given to me, and the representations made by the Directors and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2024.

I further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Pursuant to Regulation 34(2)(e) and Schedule V Para B of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

ABOUT THE COMPANY

In order to take forward the proposal for Merger by Absorption of Hinduja Leyland Finance Limited into itself, the Company needs to get registered as a Non-Banking Finance Company (NBFC) with the Reserve Bank of India. Accordingly, the Company applied to the Reserve Bank of India for its registration as NBFC under Section 45-IA of the Reserve Bank of India Act, 1934. The process of approval is underway. The Company is, therefore, in a stage of transition to enter into the business of financial services subject to all necessary approvals.

ECONOMIC OVERVIEW

The global economy has been a bit of a turmoil due to various global events like the uncertainty caused by wars, changes in the political environment in various countries, trade sanctions etc. This has led to the economies not fully recovering post the pandemic period. Elections in the United State of America are scheduled for the end of this calendar year and the results of these elections will have a significant bearing on the global economy.

The Indian economy on the other hand has maintained its resilience and has continued to show a growth trajectory. In the financial services sector, which your Company proposes to expand in, the country is speedily metamorphosing from the traditional way of providing offline financial services to a digitally driven financial services business. You would be glad to know that India has established itself as the world's third-largest fintech economy, ranking just behind the USA and the UK. The financial sector is healthy. Its balance sheet is stronger. It is willing to lend and continues to lend. These developments bode well for your Company while it makes plans to enter the financial services sector.

Future plans

The Company has taken steps to focus on the financial services sector and towards this the Board of Directors of the Company have proposed a "Merger by Absorption" of Hinduja Leyland Finance Limited with the Company. The financial services sector in India is booming and with the encouragement given by the Government of India for boosting of the economy, financial services sector is expected to do exceedingly well in the years to come.

The Company at present has certain land assets in Bangalore. The Company is in negotiations with various parties for disposing the land. While the carrying cost of the land is approximately ₹ 12 crores, the market value based on an independent valuation is approximately ₹ 180 crores.

PERFORMANCE REVIEW

Discussion on financial results:

During the year, the Company placed surplus funds as inter-corporate deposits and has earned interest on the same. Apart from this, there was no other major source of revenue for the Company.

The summary of the financial results for the financial year 2023-24 are given below:

(₹ in Lakh)

Particulars	FY 2023-24	FY 2022-23
Total income	590.15	252.11
Total expenses	410.04	224.71
Earnings before Interest, Depreciation, and taxes	180.11	27.40
Finance Costs	-	-
Depreciation and Amortization	-	-
Profit/(Loss) before tax from continuing operations	180.11	27.40
Tax		
- Current Tax	31.55	-
- Deferred Tax	(13.02)	-
Profit/(Loss) after tax for the year.	161.58	27.40

Balance Sheet Summary

(₹ in Lakh)

Particulars	FY 2023-24	FY 2022-23
Liabilities		
Equity & Reserves	6278.64	6789.37
Borrowings	-	-
Lease liabilities	-	-
Other liabilities	615.28	1265.57

RISKS, CONCERN AND MITIGATION PLAN

Risks are an integral part of business, and it is imperative to manage these risks at acceptable levels in order to achieve business objectives.

Based on feedback received, risk prioritization is done, key risks are shortlisted and assigned to the risk owners to help them define mitigation plans, along with key elements for monitoring, including relevant measures and milestones. The identified mitigation plans are monitored at periodic intervals to assess progress and measure if residual risks are within the organization's risk appetite.

The risk management policy of the Company lays down the risk strategy of the Company and helps in determining the risk factor, categorizing the various forms of risks affecting the Company's strategic and financial goals and modes to manage such risks.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY PLEASE TAKE FROM BOARD REPORT

The Company has comprehensive internal control mechanism and has in place adequate policies and procedures for the governance of orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding its assets, prevention, and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial disclosures. The Company's internal control systems are commensurate with the nature of its business, and the size and complexity of its operations and such internal financial controls concerning the Financial Statements are adequate. The Company has a strong and independent in-house Internal Audit ("IA") department that functionally reports to the Chairman of the Audit Committee, thereby maintaining its objectivity. The remediation of deficiencies as identified by the IA department has resulted in a robust framework for internal controls.

HUMAN RESOURCES/INDUSTRIAL RELATIONS

The Company is committed to hiring talented human resources and nurture them professionally. Our all-encompassing HR Policy covers every aspect of employee management from recruitment to retention. Employee engagement, equality of opportunity, freedom of association, health & safety, recognition & recreation, and continuous learning are key principles of the policy. Human Resources are important assets of the Company. The Company has adopted employee friendly HR processes that help to grow and offer them personal developmental opportunities. The Company's HR policies encourage talent acquisition and retention process, ensure transparency, facilitate development, build trust and encourage and support performance-oriented environment.

The Company has well-designed and documented policies such as Whistleblower policy and Prevention of Sexual Harassment policy in order to prevent discrimination and harassment and discourage any wrong practices.

CAUTIONARY STATEMENT

Certain statements made in the Management Discussion and Analysis Report relating to the Company's objectives, outlook, expectations, estimates, and others may constitute forward-looking statements within the meaning of applicable laws and regulations. Actual results may differ from such expectations, whether expressed or implied. Several factors could make a significant difference to our expectations. These include climatic and economic conditions, government regulations and taxation, any epidemic or pandemic, and natural calamities over which we do not have any direct/ indirect control.

24. Overview of the entity's material responsible business conduct issues. Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format.

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	GHG Emissions	Risk	Electricity and fuel consumption is an energy-intensive activity and generates direct and indirect greenhouse gas (GHG) emissions, including carbon dioxide and methane from fuel use. Uncontrolled pollutants and emissions during operation and associated activities impose legal and environmental risks for the Company	The Company prioritizes sustainable practices and recognize the importance of mitigating greenhouse gas (GHG) emissions.	Negative

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
2	Climate Change	Risk	Climate change events pose physical risks such as floods and wildfires or transitional risks such as mandatory use of renewable energy regulations. Such events can potentially impact the business. Hence, provide an opportunity to assess and mitigate such risks	The Company's risk mitigation approach for climate change includes assessing and managing the environmental impact of its operations.	Negative
3	Data Security and Privacy	Risk	Companies are assessed based on the amount of personal data they collect, their exposure to evolving or increasing privacy regulations, their vulnerability to potential data breaches, and their data protection systems.	To mitigate data security and privacy risks, the Company has implemented measures such as strong access controls, encryption of sensitive data, regular security audits and employee training on data handling practices	Negative
4	Employee Wellbeing	Risk	Higher employee retention rates convey good Company's policies and practices. However, a high attrition rate indicates low employee satisfaction to investors. Ensuring employee well-being can boost employee morale and reduce hiring and on boarding costs	The Company focuses on implementing regular health check-ups, promoting work-life balance, offering health support services, and creating a safe and inclusive work environment to ensure the overall well-being and productivity of employees.	Negative
5	Corporate Governance	Risk	Businesses are assessed based on their performance across all key governance issues, which include ownership & control, accounting, business ethics, and tax transparency. This topic examines the effect that a company's corporate governance and business ethics practices have on its shareholders and other investors.	Our mitigation approach for corporate governance involves implementing robust internal controls, conducting regular audits, ensuring compliance with regulatory requirements, fostering a culture of transparency and accountability, and prioritizing strong risk management practices to safeguard stakeholders' interests	Negative
6	Business Ethics	Risk	The key issue relevant to business ethics and management of business ethics issues such as fraud, executive misconduct, corrupt practices, money laundering, or anti-trust violations. Ethics violations can lead to police investigations, hefty fines, settlement costs, and damage to reputation.	The Company ensures ethical practices by implementing a comprehensive risk mitigation approach. We conduct regular training sessions to promote ethical behavior among employees, enforce strict compliance measures, establish strong internal controls, and conduct thorough due diligence on clients. This ensures the protection of our reputation and the trust of our stakeholders.	Negative

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
7	Regulatory Compliance	Risk	Regulatory compliance is of crucial importance for corporations as it helps to ensure that they are operating within the legal and ethical boundaries set by government agencies and industry standards. Failure to comply with these regulations can result in significant financial and reputational consequences for the corporation, including fines, legal action, and damage to their brand and customer trust. We ensure adherence to all applicable laws and regulations, maintain accurate documentation, conduct regular internal audits, provide training to employees, and engage with regulatory authorities to stay updated on evolving requirements.	The Company ensures adherence to all applicable laws and regulations, maintain accurate documentation, conduct regular internal audits, provide training to employees, and engage with regulatory authorities to stay updated on evolving requirements.	Negative
8	Fraud Risk Management	Risk	As a Company, the management of fraud risk is of paramount importance. Fraud can cause significant financial losses and damage the reputation of the Company, leading to loss of customer trust and confidence	The Company implements a robust risk mitigation approach for fraud management. We conduct regular internal audits, establish strong internal controls, promote ethical behavior, and provide ongoing training to employees. By prioritizing proactive measures, we ensure the safety and trust of our stakeholders.	Negative

11.	Has the entity carried out independent assessment/ evaluation of the working of its policies by an external agency? (Yes/ No). If yes, provide name of the agency.	The Compliance department of the Company monitors the adherence to implementation of policies mandated by Regulator. Policies are reviewed by the Audit Committee and Board from time to time.								

12. If answer to question (1) above is No i.e. not all Principles are covered by a policy, reasons to be stated:

Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
The entity does not consider the Principles material to its business (Yes/No)				Not Applicable					
The entity is not at a stage where it is in a position to formulate and implement the policies on specified principles (Yes/No)				Not Applicable					
The entity does not have the financial or/human and technical resources available for the task (Yes/No)				Not Applicable					
It is planned to be done in the next financial year (Yes/No)				Not Applicable					
Any other reason (please specify)				Not Applicable					

SECTION C: PRINCIPLE WISE PERFORMANCE DISCLOSURE

PRINCIPLE 1: Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.

Essential Indicators

1. Percentage covered by training and awareness programmes on any of the Principles during the financial year:

Segment	Total number of training and awareness programs held	Topics/principles covered under the training and its impact	Percentage of persons in respective category covered by the awareness programmes
Board of Directors	The Directors are regularly updated by the Management on significant developments concerning the Company, industry, business model, risk metrics, and mitigation measures. Independent Directors receive an induction session on their appointment to the Board of Directors. They are provided with necessary documents, reports and internal policies to familiarize themselves with the Company's procedures and practices. The senior management makes presentations at the Board and various Committee Meetings on related matters. These presentations cover the company's strategy, business and performance updates, operations, cyber security, CSR initiatives, regulatory changes, risk management etc. Updates on the Company's financial performance, budget and control process are provided to the Directors during the quarterly Board Meetings.		
Key Managerial personnel (KMPs)	Key Managerial Personnel also participate in training and awareness events		
Employees other than Board of Directors and KMPs	We strive to provide our employees with an inclusive workspace that helps them to grow professionally and personally. The Company believes in promoting employee well-being and providing a supportive environment to all employees and guidelines on employee health and safety		
Workers	Not applicable		

2. Details of fines / penalties /punishment/ award/ compounding fees/ settlement amount paid in proceedings (by the entity or by directors / KMPs) with regulators/ law enforcement agencies/ judicial institutions, in the financial year, in the following format (Note: the entity shall make disclosures on the basis of materiality as specified in Regulation 30 of SEBI (Listing Obligations and Disclosure Obligations) Regulations, 2015 and as disclosed on the entity's website)

   There are no monetary or non-monetary actions on the Company or its directors / KMPs with regulators / law enforcement agencies / judicial institutions, in the financial year 2023-24.

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed.

   Not Applicable

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web link to the policy.

   We do have Company's Code of Conduct covering anti-corruption or anti-bribery policy. The Company has zero tolerance for any form of bribery or corruption and is committed to acting professionally, fairly, and with integrity in all its business dealings.

   Our Code of Conduct prohibits the employees from taking or giving or offering of bribe or illegal gratification. Employees or their family shall not accept any offer, payment, gift or authorization to pay any money, gift, or anything of value from customers, vendors, consultants or persons associated directly or indirectly with the business of the Company.

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:

   There have been no cases involving disciplinary action by any law enforcement agency for the charges of bribery / corruption against the Directors / KMPs / employees that have been brought to our attention.

6. Details of complaints with regard to conflict of interest:

   None

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest:

   Not Applicable

PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

Category	Current Financial Year	Previous Financial Year	Details of improvements in environmental and social impacts
R&D	Since we are not manufacturing any product and have any manufacturing processes, further, the Company is not currently providing any major services, pending proposed merger, therefore Company has not made any R&D and Capex investments.		
Capex			

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)- No

   b. If yes, what percentage of inputs were sourced sustainably?- Not Applicable

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for –

   (a) Plastics (including packaging) - The Company being in the services sector does not manufacture any products related to Plastics. Measures have been taken to reduce the usage of plastics, such as the replacement of plastic bottles with glass bottles and the use of bio-degradable plastic bags. Further plastic waste if any, is disposed of in an eco-friendly manner.

   (b) E-waste - Our e-waste includes UPS, electrical fittings, mobile phones, laptops, desktops, modems etc. The e-waste is disposed off as per the regulatory guidelines.

   (c) Hazardous waste - Not Applicable. Given the nature of the business, the Company provides services to its customers and does not manufacture any products. Hence, the Company does not produce hazardous waste.

   (d) Other waste. - The food and wet waste are collected by the local government bodies for efficient disposal.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.-

   Not Applicable to the Company, as it is in service industry, it does not manufacture products.

PRINCIPLE 3: Businesses should respect and promote the well-being of all employees, including those in their value chains

Essential Indicators

1. a. Details of measures for the well-being of employees (Permanent Employees).

Category	Total (A)	% of employees covered by									
		Health insurance		Accident insurance		Maternity benefits		Paternity benefits		Day Care facilities	
		Number (B)	% (B / A)	Number (C)	% (C / A)	Number (D)	% (D / A)	Number (E)	% (E / A)	Number (F)	% (F / A)
Permanent Employees											
Male	3	3	100.00%	3	100.00%	0	0.00%	0	0.00%	0	0.00%

3. Are the premises / offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

Our Office is located in the premises which is on the ground floor and have infrastructure for differently abled individuals. Wheelchair accessibility and Doctor's room are also available in the corporate office.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.

Yes, the Company's Code of Conduct outlines its commitment to non-discrimination, by providing equal opportunity to all its employees irrespective of race, colour, religion, sex, national origin, ancestry, age, marital status, sexual orientation, or disability. The Code of Conduct is an internal document and is available to the employees of the Company.

5. Return to work and Retention rates of permanent employees and workers that took parental leave.

Not Applicable

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief.

The Company follows an Open-door policy and transparent communication. Employees are encouraged to share their concerns with their superiors, HR department, legal & compliance, or the members of the senior management. Employees can also send their concerns to the email id of the Designated Officer/ HR Head, who will take the required action well in time.

In addition, Whistle-blower Initiative (WI) provides a formal platform to share grievances on various matters. The details of the grievance mechanism are shared with employees with adequate security and confidentiality. Whistle blower policy is displayed on the Company's website with details of the appointed Ombudsman.

We have a policy on the prevention, prohibition, and redressal of sexual harassment of women at the workplace and have an Internal Complaints Committee (ICC) in compliance with the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013.

7. Membership of employees and worker in association(s) or Unions recognised by the listed entity:

Category	FY 2023-24			FY 2022-23		
	Total employees / workers in respective category (A)	No. of employees / workers in respective category, who are part of association(s) or Union(B)	% (B / A)	Total employees / workers in respective category (C)	No.of employees / workers in respective category, who are part of association(s) or Union(D)	%(D / C)

Workers										
Male	0	NA	0.0%	NA	0.0%	0	NA	0.0%	NA	0.0%
Female	0	NA	0.0%	NA	0.0%	0	NA	0.0%	NA	0.0%
Total	0	NA	0.0%	NA	0.0%	0	NA	0.0%	NA	0.0%

Note: The Company gives periodic training on Fire and Safety to its Employees.

9. Details of performance and career development reviews of employees and workers

All employees of the Company undergo an annual performance appraisal process. The performance of the KMPs is evaluated by the Nomination and Remuneration Committee and the Board on an annual basis. The underlying philosophy of the performance management system is to have a fair and transparent system of appraisal, which ensures an objective mechanism to measure each employee's performance and potential and implement a reward system which recognises merit.

10. (a) Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?

    There are no occupational health and safety risks considering the nature of the business. Employee well-being and psychological safety continue to be a priority of the Company. Periodic training on fire safety and fire-fighting equipment is provided along with the evacuation drills. The Company believes in promoting employee well-being and providing a supportive environment to all employees and has guidelines on employee health and safety. We have Doctor available at office premises on alternate days and on other days the Doctor is available to the employees virtually. The Company has First Aid kit for its employees and also a car facility is available to drop employees at home or hospital to meet medical emergencies.

10. (b) What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

    Given the nature of business of the Company, this is not applicable to us. However, the Company continuously strives to identify and improve hazards at the workplace with measures like Fire/ Smoke Sensors, CCTV, 24hour Security, water purifiers etc.

10. (c) Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y/N)-

    Given the nature of business of the Company, this is not applicable to us.

10. (d) Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)-

    Yes. All employees are covered under the Company's Medical Insurance

11. Details of safety related incidents, in the following format: Not Applicable

12. Describe the measures taken by the entity to ensure a safe and healthy workplace. –

    i Hand free sanitizer has been made available in different areas of the office.

    ii Availability of 24 hrs. security guard.

    iii Installation of CCTV, Fire Extinguisher, Fire/Smoke Sensors, Installation of water purifiers, AHU etc.

    iv We also have Doctor's Room at our corporate office.

    v Mediclaim policy for employees are provided.

    vi Maternity leave facility for eligible employees.

    vii Cafeteria facilities are being provided with subsidized meals are available in Canteen

13. Number of complaints on the following made by employees and workers.

    There are no complaints made by employees and workers on the working conditions and health & safety during FY 2023-24 and FY 2022-23.

14. Assessments for the year:

Category	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Health and safety practices	100%. The Company doesn't have plants as it is not involved in any manufacturing activity.
Working Conditions	Periodic internal communication, alerts, and audits from external agencies are conducted on safety related aspects. Employees are given periodic training on basic and advanced fire safety, including evacuation drills. Internal permanent control team analysis the office premises and confirm whether the Company is complying with the checklist which includes the display of the Signboard, notice board, installation of fire extinguishers, maintenance of registers, etc. The Company provides safe drinking water through water purifiers and clean sanitation facilities to the employees and also has been using induction cookers and ovens instead of LPG Cylinders at all its offices.

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.

Not Applicable

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

We place great emphasis on stakeholder identification and its pivotal role in the triumph of our projects. Our meticulous approach commences with a thorough analysis to discern the vital stakeholders, encompassing employees, customers, shareholders, government entities, and regulatory authorities. By comprehending the needs and concerns of our stakeholders, we proactively address their expectations, mitigate potential risks, and cultivate enduring relationships that are indispensable to our prosperity. Our stakeholder identification process remains a continuous undertaking, enabling us to remain informed, engaged, and responsive to the ever-evolving needs of our stakeholders.

Throughout the year, we engage formally and informally with our stakeholders to explore ESG focus areas, along with trends and developments relevant to our industry. We endeavour to consider the views of our stakeholders when we make business decisions by acknowledging their viewpoints and demonstrating respect for our shared priorities. We believe this approach reflects our commitment to transparency and accountability, and ultimately contributes to long–term value. We communicate with our team members through numerous platforms and channels, including town halls, meetings, the internet, internal messages, social media, blog posts, and newsletters that report on Company's sustainability efforts and other key business activities. We are conducting employee surveys to gauge our team members' views of the Company's vision and strategy, the work environment, work relationships, and job satisfaction.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

S. No.	Stakeholder Group	Whether identified as Vulnerable & Marginalized Group (Yes/ No)	Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website), Other	Frequency of engagement (Annually/ Half yearly/ Quarterly / others – please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagement
1	Shareholders	No	Annual General Meeting, email, Stock Exchange (SE) intimations, investor/ analysts meet/conference calls, annual reports, quarterly results, media releases and Company website	Quarterly	To share updates of the Company and to call for meetings
2	Other Customers	No	Email, SMS, Newspaper, Website	As required	To share new offerings, intimate about interest rate changes
3	Employees	No	Email, Website	As required	To share updates of the Company, health and safety related information and work-related updates
4	Government and Regulators	No	Email	As required	To update on various compliances and to seek approvals
5	Communities	Yes	Meets of community / local authorities / location heads, community visits and projects, partnership with local charities, volunteerism, seminars/ conferences.	Ongoing	We work closely with the community through our various CSR initiatives.

PRINCIPLE 5: Businesses should respect and promote human rights

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format:

   The Company's Code of Conduct and various HR policies demonstrate our commitment to the protection of Human Rights in employment and upholding the highest level of ethical business practices. Our Code of Conduct reiterates its commitment to human rights. We made significant progress in strengthening our culture of diversity and inclusion. That commitment continues to drive our ability to identify and develop the best talent to create an inclusive culture where our workforce can thrive, advocate inclusive behaviour, and integrate diversity and inclusion into our policies and practices. Company's policies and processes are explained in detail to the employees during their induction training.

2. Details of minimum wages paid to employees, in the following format:

Category	FY 2023-24					FY 2022-23				
	Total (A)	Equal to Minimum Wage		More than Minimum Wage		Total(D)	Equal to Minimum Wage		More than Minimum Wage	
		No. (B)	% (B /A)	No. (C)	%(C / A)		No.(E)	% (E /D)	No.(F)	% (F /D)

3. Details of remuneration/salary/wages, in the following format:

   Please refer Annexure H to the Board's Report for the FY 2023-24.

4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)-

   The Company can address their complaints or grievances to the Human Resources department or to the Senior Management. There shall be no retaliation or reprisal against any employee or associate who raises concerns.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues-

   The Company regards respect for human rights as one of its fundamental and core values and strives to support, protect and promote human rights to ensure that fair and ethical business and employment practices are followed. The Company is committed to maintaining a safe and harmonious business environment and workplace for everyone, irrespective of ethnicity, region, sexual orientation, race, caste, gender, religion, disability, work, designation, and other parameters. Employees are encouraged

to share their concerns with their superiors, HR department, legal & compliance, or the members of the senior management.

In addition, Whistle-blower Initiative (WI) provides a formal platform to share grievances on various matters. The details of the grievance mechanism and WI are shared with employees to the concerned official with adequate security and confidentiality. Whistle blower policy is placed on the website of the Company www.ndlventures.in with details of the appointed Ombudsman.

We have a policy on the prevention, prohibition, and redressal of sexual harassment of women at the workplace and have an Internal Complaints Committee (ICC) in compliance with the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013.

6. Number of Complaints on the following made by employees and workers:

	FY 2023-24			FY 2022-23		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Sexual Harassment	NIL	NIL	NIL	NIL	NIL	NIL
Discrimination at workplace	NIL	NIL	NIL	NIL	NIL	NIL
Child Labour	NIL	NIL	NIL	NIL	NIL	NIL
Forced Labour/Involuntary Labour	NIL	NIL	NIL	NIL	NIL	NIl
Wages	NIL	NIL	NIL	NIL	NIL	NIl
Other human rights related issues	NIL	NIL	NIL	NIL	NIL	NIL

7. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

For effective redressal of employee grievances, the Company has in place the Code of Conduct, Employee manual, and the Whistle Blower policy.

The Company also has a policy against Sexual Harassment at the workplace in adherence to the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013.

8. Do human rights requirements form part of your business agreements and contracts?

The Company's Code of Conduct and various HR policies demonstrate our commitment to the protection of Human Rights in employment and upholding the highest level of ethical business practices.

9. Assessments for the year:

Category	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Child labour	The Company is in compliance with the laws, as applicable.
Forced/involuntary labour	
Sexual harassment	
Discrimination at workplace	
Wages	
Others – please specify	

10. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 9 above-

No Corrective actions was necessitated by the Company during the year under review.

PRINCIPLE 6: Businesses should respect and make efforts to protect and restore the environment

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity.

Parameter	FY 2023-24	FY 2022-23
Total electricity consumption (A)	Nil	Nil
Total fuel consumption (B)	Nil	Nil
Energy consumption through other sources (C)	Nil	Nil
Total energy consumption (A+B+C)	Nil	Nil
Energy intensity per rupee of turnover (Total energy consumption/ turnover in rupees)	-	-
Energy intensity (optional) – the relevant metric may be selected by the entity	-	-

Note- Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency- No.

Note - Given the nature of business, the Company is into the business of providing services and that from one location. Accordingly, details of energy consumption under this indicator are miniscule, hence, not reportable.

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any- No.

3. Provide details of the following disclosures related to water, in the following format: Water withdrawal by source (in kilolitres)

Parameter	FY 2023-24	FY 2022-23
Water withdrawal by source (in kilolitres)		
(i) Surface water	Nil	Nil
(ii) Groundwater	Nil	Nil
(iii) Third party water	Nil	Nil
(iv) Seawater / desalinated water	Nil	Nil
(v) Others	Nil	Nil
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	Nil	Nil
Total volume of water consumption (in kilolitres)	Nil	Nil
Water intensity per rupee of turnover (Water consumed / turnover)	-	-
Water intensity (optional) – the relevant metric may be selected by the entity. KL / of	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency- No.

Note- Given the nature of business, the Company is into the business of providing services. Further, the Company's water consumption is limited to drinking water and sanitisation. However, the Company undertakes initiatives to save this resource wherever possible. Owing to the nature of business, there is no ground or surface water withdrawal.

4. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation- No.

5. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Given the nature of business, this indicator is not applicable.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.- No.

6. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2023-24	FY 2022-23
Total Scope 1 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)		Nil	Nil
Total Scope 2 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)		Nil	Nil
Total Scope 1 and Scope 2 emissions per rupee of turnover	/ rupee of turnover	-	-
Total Scope 1 and Scope 2 emission intensity (optional) – the relevant metric may be selected by the entity	/ of	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency- No.

Note - The Company operates in the service sector, hence, the likelihood that GHGs emission is either negligible or non-existent.

7. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

The Company operates in the service sector, the likelihood that GHGs emission is very low or non-existent. The Company does not have any specific project. The Company is dedicated to reducing its overall emissions resulting from operations. To achieve this goal, the Company continuously evaluates how its operations affect the environment, identifies key factors that contribute to its impact. One of the keyways the Company achieves this is by ensuring low electricity consumption through a variety of energy-saving measures and the Company has adopted one of the measures i.e. using LED lighting.

8. Provide details related to waste management by the entity, in the following format:

Parameter	FY2023-24	FY2022-23
Total Waste generated (in metric tonnes)		
Plastic waste (A)	Nil	Nil
E-waste(B)	Nil	Nil
Bio-medical waste (C)	Nil	Nil
Construction and demolition waste (D)	Nil	Nil
Battery waste (E)	Nil	Nil
Radioactive waste (F)	Nil	Nil
Other Hazardous waste.Please specify, if any. (G)	Nil	Nil
Other Non-hazardous waste generated (H). Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)	Nil	Nil
Total (A + B + C + D + E + F + G + H)	**-**	**-**
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste		
(i) Recycled	Nil	Nil
(ii) Re-used	Nil	Nil
(iii) Other recovery operations	Nil	Nil
Total	-	**-**

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.- No.

Note- Given the nature of business, the Company is into the business of providing services. Accordingly, details of waste management under this indicator are miniscule, hence, not reportable.

9. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.-

   Given the nature of the business, there is no usage of hazardous and toxic chemicals by the Company. We strive for minimum generation of waste in our offices and ensure that the waste is disposed-off in an eco-friendly manner.

10. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
Our office is not located in ecologically sensitive site.			

11. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

S. No.	Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
Not Applicable						

12. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

S. No.	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
Yes, the Company follows all the applicable environmental law/ regulations/ guidelines in India. No fine/ penalty/action was initiated against the entity under any of the applicable environmental laws/ regulation/ guidelines.				

PRINCIPLE 7: Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations - Nil

   b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to. – Not Applicable

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities.

   No Adverse order form Regulatory Authorities passed on any issues related to anti-competitive conduct by the Company.

PRINCIPLE 8: Businesses should promote inclusive growth and equitable development

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

   There is no statutory obligation for the Company to provide the funds for CSR activities, therefore, no Social Impact Assessment of Projects have been undertaken by the Company in the current financial year.

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

   Not Applicable

3. Describe the mechanisms to receive and redress grievances of the community.

   The Company interacts with the community to understand and address their concerns. After interacting with the community, the Company makes a plan on how the issues can be sorted out and takes appropriate action for the same.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

Category	Current Financial Year	Previous Financial Year
Directly sourced from MSMEs/ small producers	Not Applicable considering the business model of the Company.	
Sourced directly from within the district and neighbouring districts		

PRINCIPLE 9: Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback-

   Customer satisfaction is a top priority of the Company and we have established several mechanisms to address customer queries, complaints, and suggestions. All queries are promptly recorded and forwarded to the relevant departments for resolution.

2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:

Category	As a percentage to total turnover
Environmental and social parameters relevant to the product	Not Applicable
Safe and responsible usage	Not Applicable
Recycling and/or safe disposal	Not Applicable

3. Number of consumer complaints in respect of the following:

	FY 2023-24			FY 2022-23		
	Received during the year	Pending resolution at end of year	Remarks	Received during the year	Pending resolution at end of year	Remarks
Data privacy	NIL	NIL	Not Applicable	NIL	NIL	Not Applicable
Advertising	NIL	NIL	Not Applicable	NIL	NIL	Not Applicable
Cyber-security	NIL	NIL	Not Applicable	NIL	NIL	Not Applicable
Delivery of essential services	NIL	NIL	Not Applicable	NIL	NIL	Not Applicable
Restrictive Trade Practices	NIL	NIL	Not Applicable	NIL	NIL	Not Applicable
Unfair Trade Practices	NIL	NIL	Not Applicable	NIL	NIL	Not Applicable
Other	NIL	NIL	Not Applicable	NIL	NIL	Not Applicable

4. Details of instances of product recalls on account of safety issues:

Category	Number	Reasons for recall
Voluntary recalls	Not Applicable	Not Applicable
Forced recalls	Not Applicable	Not Applicable

Considering the natures of Company's business, instances of product recalls on account of safety issues did not arise.

5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Yes, the policy is placed on the website of the Company at http://ndlventures.in/investors/corporate-policies/

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services.

Not Applicable (No penalties/regulatory action has been levied/ taken on the above-mentioned parameters)

Annexure "F" to the Board's Report

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2024

Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

To,
The Members,
NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)
IN CENTRE, 49/50 MIDC,
12th Road, Andheri (East),
Mumbai- 400093.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by NDL Ventures Limited (formerly known as NXTDIGITAL Limited) ("**the Company**"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended March 31, 2024, according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;

2. Foreign Exchange Management Act, 1999 ('FEMA') and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, overseas Direct Investment and External Commercial Borrowings;

3. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;

4. The Depositories Act, 1996 and the Regulations and Bye- Laws framed there under;

5. The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable: -

   (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

   (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

   (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **(To the extent applicable)**

   (d) The Securities and Exchange Board of India (Share Based Employee Benefits Sweat Equity) Regulations, 2021; **(Not Applicable)**

   (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 **(Not Applicable)**

   (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not Applicable)**

   (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 **(Not Applicable)**;

   (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not Applicable)**

   (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

   (j) The Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2019; and

(k) The Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003.

6. Laws specifically applicable to the industry to which the Company belongs as identified by the management, that is to say:

   Vide order dated November 11,2022 issued by the Hon'ble National Company Law Tribunal, the Company's Media and Communication business undertaking was transferred to Hinduja Global Solutions Limited. Post Demerger, the Company had applied for NBFC license which is awaited as on date. Resultantly, there was no business activity during the year. Hence, no industry specific laws are applicable during the audit period.

7. Other laws to the extent applicable to the Company as per the representations made by the Company;

I have also examined compliance with the applicable clauses of the following:

Secretarial Standards issued pursuant to section 118(10) of the Act, by The Institute of Company Secretaries of India.

During the period under review, the Company has generally complied with the above-mentioned Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines etc. mentioned above.

I further report that The Board of Directors of the Company is duly constituted with a proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate Notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance except for the meetings conducted at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period:

1. The Company has filed an application to Reserve Bank of India on November 11, 2023 for its registration as Non-Banking Financial Company and is awaiting approval of Reserve Bank of India.

2. Mr. Amar Chintopanth was re-appointed as a Director of the Company and the said re-appointment was approved by the shareholders of the Company in the 38th Annual General Meeting held on September 08, 2023.

3. Mr. Amar Chintopanth was re-appointed as Whole Time Director of the Company for the period of two (02) years from September 04, 2023 to September 03, 2025 on the existing term and conditions and the said re-appointment was approved by the shareholders of the Company in the 38th Annual General Meeting held on September 08, 2023.

4. Approval of the Shareholders was sought with respect to the material related party transactions with Hinduja Realty Ventures Limited, Hinduja Global Solutions Limited, IndusInd Media & Communications Limited, IN Entertainment (India) Limited and OneOTT Intertainment Limited, during the period from April 1, 2024 to September 30, 2024 or till the date of the Annual General Meeting to be held in the financial year 2024-25 whichever is earlier, through postal ballot and the transactions were approved by the Shareholders of the Company on March 20, 2024.

This report is to be read with our letter of even date which is annexed as **Annexure A** and forms an integral part of this report.

To,
The Members,
NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)
IN CENTRE, 49/50 MIDC,
12th Road, Andheri (East),
Mumbai- 400093.

My report of even date is to be read along with this letter.

'Annexure A'

1. Maintenance of secretarial record is the responsibility of the management of the company. My responsibility is to express an opinion on these secretarial records based on my audit.

2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices I followed provide a reasonable basis for my opinion.

3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the company.

4. Where ever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.

5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test basis.

6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

Annexure "G" to the Board's Report

ANNUAL CORPORATE SOCIAL RESPONSIBILITY ("CSR") REPORT

Pursuant to Section 135 of the Companies Act, 2013

1. Brief outline on CSR Policy of the Company

NDL Ventures Limited (formerly known as NXTDIGITAL Limited) (hereinafter referred to as the "Company") is inspired by the pioneering thoughts of late Shri Parmanand Deepchand Hinduja- Founder of the Hinduja Group. For us, at NDL Ventures Limited, Corporate Social Responsibility (CSR) encompasses engagements in socially relevant events for the under-privileged sections of society. Our commitment to CSR is focused on initiatives that make a constructive contribution to the community and encourage sustainable development.

Programs:

Taking note of the importance of synergy and interdependence at various levels, the Company has adopted a strategy for working directly or in partnership, which ever appropriate.

- Priority is given to Rural Development and Education.
- However, specific programs might be expanded beyond this purview and upscaled.
- All the CSR spends would be formulated based on need assessment using different quantitative and qualitative methods.
- All the interventions would be adopted based on concurrent evaluations and knowledge management through process documentation.
- Social Mobilization, advocacy at various levels, and appropriate policy changes form part of the interventions in each sector.

2. Composition of CSR Committee:

Sl. No.	Name of Director	Designation / Nature of Directorship	Number of meetings of CSR Committee held during the year	Number of meetings of CSR Committee attended during the year
1.	Mr. Munesh Khanna	Chairman - Independent Director	1	1

Independent Auditor's Report

To
The Members of NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of **NDL Ventures Limited** (formerly known as "NXTDIGITAL Limited") **("the Company")**, which comprise the Balance Sheet as at March 31, 2024, the statement of Profit and Loss (including other comprehensive income), its statement of cash flows and the statement of changes of equity for the year ended on that date and notes to the financial statements including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "financial statements").

   In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and are in conformity with the Accounting standards prescribed under section 133 of the Act read with the companies (Indian Accounting Standards) Rules, 2015 as amended ("IND AS") and other accounting principles generally accepted in India and give a true and fair view of the state of affairs of the Company as at March 31, 2024 and its profit, total comprehensive income, its statement of cash flows and the statement of changes of equity for the year ended on that date.

Basis for Opinion

2. We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information other than the Financial Statements and Auditor's Report thereon

3. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Director's report, but does not include the financial statements and our auditors report thereon.

   Our opinion on the financial statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

   If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

   When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those charged with governance for the Financial Statements

4. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements, that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and free from material misstatement, whether due to fraud or error.

Independent Auditor's Report

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or cease the Company's operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements:

5. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in the aggregate, they could reasonably be expected to influence economic decision of users taken on the basis of these financial statements.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also,

- Identify and assess the risks of material misstatement of the financial statements whether due to fraud or error design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for resulting from error as fraud may involve collusion forgery, intentional omissions, misrepresentation or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financials controls system in place and operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management use of the going concern basis of accounting and based on the audit evidence obtained whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, the future events or conditions may cause Company to cease to continue as a going concern.

- Evaluate the overall presentation structure and content of the financial statements including the disclosures and whether the financial statements represent the underlying transactions and events in the manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning of the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding among other matters the planned scope and timing of the significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied relevant ethical requirements independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditor's Report

Report on Other Legal and Regulatory Requirements

6. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in **"Annexure A"** a statement on the matters specified of the order.

7. As required by Section 143(3) of the Act, we further report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph h (vi) below on reporting under Rule 11(g);

   c) The Balance sheet, the Statement of Profit and Loss Account (including other comprehensive income), the Statement of Cash Flows and Statement of Changes in Equity deal with by this report are in agreement with the relevant books of account;

   d) In our opinion, the aforesaid financial statements comply with the IND AS specified under section 133 of the Act.

   e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.

   f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**.

   g) In our opinion, according to information, explanations given to us, the remuneration paid / provided by the Company to its director during the year is in accordance with the provisions of Section 197 of the Act and the rules thereunder.

   h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

      i. The Company has disclosed the impact of pending litigation in the financial statements – Refer note 22 of the financial statements.

      ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses; and

      iii. There has been no delay in transferring the amounts, required to be transferred, to the Investors Eduction and Protection Fund by the Company.

      iv. A) The Management has represented that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

         B) The Management has represented, that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Independent Auditor's Report

C) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard, nothing has come to our notice that has caused us to believe that the representations under sub-clause A) and B) above, contain any material mis-statement.

v. As stated in Note no 32(b) to the financial statements:

- The final dividend proposed in the previous year, declared and paid by the Company during the year is in compliance with section 123 of the Act as applicable;

- The Board of directors of the Company have proposed a final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in compliance with section 123 of the Act as applicable.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except Tally Prime Version 2.1, accounting software used by the Company which did not have the feature to capture edit logs till October 03, 2023. However, during the course of our audit we did not come across any instance of the audit trail feature nor any instance of accounting records being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, as amended is applicable for the Company only w.e.f. April 1, 2023, therefore, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Yours Sincerely,
For **S K Patodia & Associates LLP**

'Annexure A' To The Independent Auditor's Report

(Referred to in paragraph 6 under 'Report on other Legal and Regulatory Requirements' section of our report of even date)

(i) In respect of Property, Plant and Equipment

a) The Company does not have anything held under Property, Plant and Equipment hence reporting under clause (i)(a) of the Order is not applicable.

b) According to the information and explanation given to us, the Company is not required to get the Property, Plant and Equipment physically verified by the Management in accordance with the regular programme of verification.

c) The Company does not have any immoveable properties of freehold or leasehold land and building and hence reporting under clause (i)(c) of the Order is not applicable.

d) According to the information and explanations given to us, the Company has not revalued its property, plant and Equipment (including Right of Use assets) and its intangible assets. Accordingly, the requirements under paragraph 3(i)(d) of the Order are not applicable to the Company.

e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding Benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder. Accordingly, the provisions stated in paragraph 3(i) (e) of the Order are not applicable to the Company.

(ii) According to the information and explanations given to us and based on our examination of the records of the Company, we report that;

a) In respect of the inventory (Land), physical verification of the title deed and regular site visit were done by the management and no material discrepancies were noticed on such verification.

b) The Company has not been sanctioned working capital limits. Accordingly, the requirement under paragraph 3(ii)(b) of the Order is not applicable to the Company.

(iii) According to the information explanation provided to us, the Company has granted a loan repayable on demand. The details of the same are as follows:

Particulars	Total	Other parties	Related Parties
Aggregate amount of loans/ advances in nature of loans - Repayable on demand (A) - Agreement does not specify any terms or period of repayment (B)	₹ 4,904.08 Lakhs -	₹ 4,904.08 Lakhs -	- -
Total (A+B)	₹ 4,904.08 Lakhs	₹ 4,904.08 Lakhs	-
Percentage of loans/ advances in nature of loans to the total Loans	100%	100%	-

(iv) In our opinion and according to the information and explanations given to us, the Company has not either directly or indirectly, granted any loan to any of its directors or to any other person in whom the director is interested, in accordance with the provisions of section 185 of the Act and the Company has not made investments through more than two layers of investment companies in accordance with the provisions of section 186 of the Act. Accordingly, provisions stated in paragraph 3(iv) of the Order are not applicable to the Company.

(v) According to the information and explanations given to us, the Company has not accepted any deposit during the year and hence directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provision of the act and rules framed thereunder are not applicable.

(vi) Having regard to the nature of the company's business/activities, reporting under clause (vi) of the Order with respect to maintenance of cost records under section 148 (1) of the Act is not applicable.

'Annexure A' To The Independent Auditor's Report

(vii) According to the information and explanations given to us and based on our examination of the records of the Company, we report that in respect of statutory dues:

a) The Company has generally been regular in depositing undisputed statutory dues including provident fund, income tax, Goods and service tax and other material statutory dues applicable to it to the appropriate authorities.

b) There were no undisputed amounts payable in respects of provident fund, income tax, Goods and service tax, cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.

(viii) According to the information and explanations given to us, there are no transactions which are not accounted in the books of account which have been surrendered or disclosed as income during the year in Tax Assessment of the Company. Also, there is no previously unrecorded income which has been now recorded in the books of account. Hence, the provision stated in paragraph 3(viii) of the Order is not applicable to the Company.

(ix) According to the information and explanations given to us and based on our examination of the records of the Company, we report that;

a) There are no loans or borrowings made by the Company and hence the provision stated in paragraph 3(ix)(a) of the order is not applicable.

b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

c) No money was raised by way of term loans. Accordingly, the provision stated in paragraph 3(ix)(c) of the Order is not applicable to the Company.

d) There are no funds raised on short term basis. Accordingly, the provision stated in paragraph 3(ix)(d) of the Order is not applicable to the Company.

e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

f) The Company has not raised loans during the year on the pledge of securities held in its securities, joint ventures or associate companies.

(x) According to the information and explanations given to us and based on our examination of the records of the Company, we report that;

a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the provisions stated in paragraph 3 (x)(a) of the Order are not applicable to the Company.

b) The Company has not made any preferential allotment or private placement of shares or fully, partly or optionally convertible debentures during the year. Accordingly, the provisions stated in paragraph 3(x)(b) of the Order are not applicable to the Company.

(xi) According to the information and explanations given to us and based on our examination of the records of the Company, we report that;

a) During the course of our audit, examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company nor on the Company.

(xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the provisions stated in paragraph (xii) (a) to (c) of the Order are not applicable to the Company.

(xiii) According to the information and explanations given to us and based of our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

'Annexure A' To The Independent Auditor's Report

(xiv) In our opinion and based on our examination, the Company does not require to comply with provision of section 138 of the Act. Hence, the provisions stated in paragraph 3(xiv) (a) to (b) of the Order are not applicable to the Company.

(xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any Non-Cash transactions with its directors or with such directors and hence provisions of sections 192 of the companies Act, 2013 are not applicable to the Company. Accordingly, the provisions stated in paragraph (xv) of the Order are not applicable to the Company

(xvi) According to the information and explanations give to us:

a) The Company has applied for the registration under section 45-IA of the Reserve Bank of India and at present the same is pending at RBI

b) The Company has not conducted any Non-Banking Financial activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.

(xvii) Based on the overall review of the financial statements, the Company has not incurred any cash losses during the current financial year and the immediately preceeding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Hence, the provisions stated in paragraph clause 3 (xviii) of the Order are not applicable to the Company.

(xix) According to the information and explanations given to us and based on our examination of financial ratios, ageing and expected date of realization of financial assets and payment of liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of audit report and the Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

(xx) According to the information and explanations given to us, the provisions of section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause (xx)(a) and clause (xx)(b) of the Order is not applicable to the Company.

(xxi) Since Company is standalone entity and hence reporting under clause (xxi) of the Order with respect to Qualification or adverse remarks in CARO reports of group companies is not applicable.

Yours Sincerely,
For **S K Patodia & Associates LLP**

'Annexure B' To The Independent Auditor's Report

(Referred to in paragraph 7(f) under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of **NDL Ventures Limited** (formerly known as NXTDIGITAL Limited) **("the Company")** as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

   A Company's internal financial control over financial reporting includes those policies and procedures that:

   a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company.

   b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

   c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting

'Annexure B' To The Independent Auditor's Report

to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit issued by the ICAI.

Notes to the financial statements for the year ended March 31, 2024

1. Corporate information

NDL Ventures Limited (formerly known as NXTDIGITAL Limited) **("the Company")** is a public limited company incorporated and domiciled in India and governed by the Companies Act, 2013 ("Act"). The Company's registered office is situated at IN Centre, 49/50, MIDC, Andheri East, Mumbai – 400 093, Maharashtra, India.

The Company's equity shares are listed on two stock exchanges in India, namely, National Stock Exchange of India Limited and BSE Limited.

The name of the Company "NXTDIGITAL Limited" is changed to "NDL Ventures Limited" vide revised certificate of incorporation dated April 20, 2023, issued by Ministry of Corporate Affairs/Registrar of Companies.

A. Basis of Preparation of Financial Statements

A.1 Statement of compliance

These financial statements are the separate financial Statements of the Company prepared in accordance with Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

A.2 Functional and presentation currency

The financial Statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakh, unless otherwise indicated.

A.3 Basis of measurement

The financial Statements have been prepared on the historical cost basis except certain financial instruments that are measured at fair values at the end of each reporting period as explained.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly and
- Level 3 inputs are unobservable inputs for the asset or liability.

All assets and liabilities have been classified as current or non-current as per Company normal operating cycle and presented as per criteria set out in the Division II format of Schedule III to the Act. The Company has identified its operating cycle as twelve months.

Notes to the financial statements for the year ended March 31, 2024

B. Material Accounting Policies

Summary of Material accounting policies mentioned below

B.1 Use of Estimates

The preparation of financial statements is in conformity with the recognition and measurement principles of Ind AS which requires management to make critical judgments, estimates and assumptions that affect the reporting of assets, liabilities, income and expenditure.

Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions to the estimates are recognised in the period in which the estimates are revised, and future periods are affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amount of assets and liabilities within the next financial year, is in respect of:

1. Useful lives of property, plant and equipment (refer note no.B.6)
2. Impairment of property, plant and equipment as well as intangible assets (refer note no.B.8)
3. Employee benefits (refer note no.B.4)
4. Expense Provisions & contingent liabilities (refer note no.B.10)
5. Valuation of deferred tax assets (refer note no.B.5)

B.2 Revenue recognition

The Company has adopted Ind AS 115 “Revenue from Contracts with Customers” which sets forth a single comprehensive model for recognising and reporting revenues.

Revenue is recognised upon transfer of control of promised services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those services in the normal course of business.

To recognise revenues, we apply the following five step approach:

(1) identify the contract with a customer,

(2) identify the performance obligations in the contract,

(3) determine the transaction price,

(4) allocate the transaction price to the performance obligations in the contract and

(5) recognise revenues when a performance obligation is satisfied.

Performance obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to the client and is the unit of accounting in Ind AS 115.

The performance obligations of the Company are satisfied over time as services are rendered.

Determination of transaction price

Revenue is measured based on transaction price which includes variable consideration only to the extent it is probable that a significant reversal of revenues recognised will not occur when the uncertainty associated with the variable consideration is resolved. Revenues also exclude taxes collected from customers.

Allocation of transaction price

A contract’s transaction price is allocated to each distinct performance obligation and recognised as revenue when, or as, the performance obligation is satisfied. For contracts with multiple performance obligations, we allocate the contract’s transaction price to each performance obligation based on the relative standalone selling price. The primary method used to estimate standalone selling price is the adjusted market assessment approach, under which the Company evaluates the price in that market that a customer is willing to pay for those services. While

determining relative standalone selling price and identifying separate performance obligations require judgment, generally relative standalone selling prices and the separate performance obligations are readily identifiable as we sell those performance obligations unaccompanied by other performance obligations.

Rendering of other services

Revenue from services is recognised when the services are rendered in accordance with the specific terms of contract and when collectability of the resulting receivable is reasonably assured.

Interest Income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Dividend Income

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Other Income

Other income comprises of income from ancillary activities incidental to the operations of the Company and is recognised when the right to receive the income is established as per the terms of the contract.

Accounting treatment of assets and liabilities arising in course of sale of goods and services is set out below:

Trade receivable

Trade receivable represents the Company's right to an amount of consideration that is unconditional (i.e. only the passage of time is required before payment of the consideration is due)

Contract balances

Contract Asset

A contract asset is right to consideration in exchange of services that the company has rendered to a customer when that right is conditioned on something other than passage of time. Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract Liability

A contract liability is the obligation to render services to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company renders services to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Company renders services as per the contract.

B.3 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in statement of profit or loss in the period in which they are incurred.

B.4 Employee benefits

Employee benefits include contributions to provident fund, employee state insurance scheme, gratuity fund, compensated absences, pension and post-employment medical benefits.

Notes to the financial statements for the year ended March 31, 2024

Retirement benefit costs and termination benefits

Payments to defined contribution plans i.e., Company's contribution to Government administered provident fund, superannuation fund and State plans namely Employees State Insurance and Employees' Pension Scheme other funds are determined under the relevant schemes and/ or statute and charged to the Statement of Profit and Loss in the period when the services are rendered by the employees entitling them to the contributions and the Company has no further obligation beyond making its contribution.

For defined benefit plans i.e. Company's liability towards gratuity (unfunded), other retirement/ terminations benefits and compensated absences, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Re-measurement.

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to statement of profit or loss. Past service cost is recognised in statement of profit or loss in the period of a plan amendment Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

Short-term employee benefits

A liability is recognised for benefits accruing to employees in respect of salaries, performance incentives, annual leave, medical benefits and other short term benefits in the period the related service is rendered, at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Long-term employee benefits

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

B.5 Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax for the year are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

Provisions for current income taxes and advance taxes paid in respect of the same jurisdiction are presented in the balance sheet after offsetting these balances on an assessment year basis.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be

available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

B.6 Property, plant and equipment

Cost

Property, plant and equipment held for use in the supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost (net of duty / tax credit availed) less accumulated depreciation / amortisation and accumulated impairment loss if any. Cost includes freight, duties, taxes, professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

The residual values and useful lives of Property, plant and equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.

Subsequent expenditure

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is possible that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of profit or loss during the reporting period in which they are incurred.

Depreciation / amortisation

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives of the assets specified in Schedule II of the Companies Act, 2013, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Particulars	Estimated Useful life
Plant and machinery	6-18 years
Office Equipment	5 years
Computers	3 years
Furniture and fixtures	10 years
Vehicles	8 years

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of Property, Plant and Equipment.

Notes to the financial statements for the year ended March 31, 2024

De-recognition

An item of property, plant and equipment is derecognized upon disposal or retired from active use or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of profit or loss in the year of occurrence.

B.7 Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately is capitalised and carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Useful lives of intangible asset

Estimated useful lives of the intangible asset is carried out by the management based on technical assessment

De-recognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in profit or loss when the asset is derecognised.

B.8 Impairment of tangible and intangible assets

At the end of each reporting period, the Company determines whether there is any indication that its assets have suffered an impairment loss with reference to their carrying amounts. If any indication of impairment exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and value in use) of such assets is estimated and impairment is recognized, if the carrying amount exceeds the recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

B.9 Inventory

Real Estate (Land) inventories are stated at lower of cost and net realisable value. Cost includes cost of land, registration charges, stamp duty, brokerage costs and incidental expenses. Net realisable value represents the estimated selling price for inventories less all estimated costs necessary to make the sale.

B.10 Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

Provisions and contingent liabilities are reviewed at each balance sheet date.

B.11 Non-current assets held for sale (Discontinued operation)

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations. The results of discontinued operations are presented separately in the statement of profit and loss.

Non-current assets are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and its sale is highly probable. The Management must be committed to the sale, which should be expected to qualify for recognition as completed sale within one year from the date of classification as held for sale, and actions required to complete the plan of sale should indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Upon classification, non-current assets held for sale are measured at the lower of carrying amount and fair value less costs to sell and are presented separately from the other assets under 'Current Assets' in the balance sheet. Liabilities associated if any, with non-current assets classified as held for sale, are disclosed under 'Current liabilities' in the Balance Sheet.

B.12 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial Assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

After initial recognition

(i) Financial assets (other than investments and derivative instruments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flow and

Notes to the financial statements for the year ended March 31, 2024

- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Interest Income on such debt instruments is recognised in profit or loss and is included in the "Revenue from Operations".

(ii) Financial assets (i.e. derivative instruments and investments in instruments other than equity of subsidiaries and associates) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g. any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the "Revenue from Operations".

Investments in equity instruments of subsidiaries and other equity instruments

The Company measures its investments in equity instruments of subsidiaries at cost less impairment, if any, in accordance with Ind AS 27.

All other equity investments are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the Company has the irrevocable option to present in OCI subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Where the Company classifies equity instruments as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Impairment of financial assets

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive, discounted at the original effective interest rate) and credit risk exposure on the following financial assets;

a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.

b) Trade receivables - The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit losses at each reporting date, right from its initial recognition. Trade receivables are tested for credit impairment on a specific basis after considering the sanctioned credit limits, security like letters of credit, security deposit collected etc. and expectations about future cash flows.

Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, it estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units' ('CGU') fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent to those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. For the purpose of assessing impairment of the cash inflows from other assets or Company's assets cash-generating units (CGU).

Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

De-recognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

Financial Liabilities and Equity Instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue, or cancellation of the Company's own equity instruments.

Financial liabilities

All financial liabilities (other than derivative instruments) are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

B.13 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term deposits (with an original maturity of three months or less) highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management.

B.14 Cash flow statement

Cash Flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing, and financing activities of the Company are segregated.

Notes to the financial statements for the year ended March 31, 2024

B.15 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

B.16 Critical accounting judgments and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the financial statements that are not readily apparent from other sources. The judgements, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the critical judgements and estimations that have been made by the Management in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements and/or key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

(i) Taxation

Tax expense is calculated using applicable tax rate and laws that have been enacted or substantially enacted. In arriving at taxable profit and all tax bases of assets and liabilities, the Company determines the taxability based on tax enactments, relevant judicial pronouncements and tax expert opinions, and makes appropriate provisions which includes an estimation of the likely outcome of any open tax assessments / litigations. Any difference is recognised on closure of assessment or in the period in which they are agreed.

Deferred income tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, unabsorbed depreciation and unused tax credits could be utilised.

(ii) Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where such inputs are not available, the Company engages third party qualified valuers to perform the valuations in order to determine the fair values based on the appropriate valuation techniques and inputs to fair value measurements.

(iii) Estimation of defined benefit plans

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates, and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligation.

(iv) Contingent liabilities

Contingent liabilities are not recognised in the financial statements but are disclosed in the notes. They are assessed continually to determine whether an outflow of resources embodying economic benefits has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as a contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

B.17 Foreign currency transactions

Foreign exchange transactions are recorded using the exchange rates which approximate to the rates prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date.

Any income or expense on account of exchange difference either on settlement or translation of monetary items is recognised in the Statement of profit and loss.

B.18 Recent accounting pronouncements

The Company has applied the following Ind AS pronouncements pursuant to issuance of the Companies (Indian Accounting Standards) Amendment Rules, 2023 with effect from 1st April, 2023. The effect is described below:

a. Ind AS 1 – Presentation of Financial Statements – The amendment requires disclosure of material accounting policies instead of significant accounting policies. In the financial statements the disclosure of accounting policies has been accordingly modified. The impact of such modifications to the accounting policies is insignificant.

b. Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors – The amendment has defined accounting estimate as well as laid down the treatment of accounting estimate to achieve the objective set out by accounting policy. There is no impact of the amendment on the financial statements.

c. Ind AS 12 – Income taxes – the definition of deferred tax asset and deferred tax liability is amended to apply initial recognition exception on assets and liabilities that does not give rise to equal taxable and deductible temporary differences. There is no impact of the amendment on the financial statements

i) Terms/Rights attached to equity shares

The Company has only one class of shares referred to as equity shares having a face value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share.

The Company declares and pays dividends in Indian Rupees. Payment of dividend is also made in foreign currency to shareholders outside India. The final dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting

Proposed dividend for FY 2023-24 is ₹ 1/- per equity share of face value of ₹ 10/- each (Previous year - ₹ 2/- per equity share of face value of ₹ 10/- each), subject to approval at the ensuing Annual General Meeting of the Company and hence is not recognised as a liability.

Notes to the financial statements for the year ended March 31, 2024

As per the Companies Act 2013, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts in the event of liquidation of the Company. However, no such preferential amounts exist currently. The distribution will be in proportion to the number of equity shares held by the shareholders.

ii) Reconciliation of number of Shares outstanding at the beginning and at the end of the year:

Description of nature and purposes of reserves :

(i) Capital Reserve :

Excess of net assets acquired over consideration paid/payable.

(ii) Retained earnings :

This reserve represents the surplus of the statement of profit and loss. The amount can be distributed by the company as dividends to its equity shareholders and is determined based on the financial statements of the Company and also considering the requirements of the Companies Act, 2013.

(iii) Remeasurement gain / (loss) on defined benefit obligations

The company has recognised remeasurement loss on defined benefit plans in other comprehensive income (OCI). These changes are accumulated within the OCI reserve within Other equity. The company transfers amounts from this reserve to retained earnings when the relevant obligations are derecognised.

22 Litigations and claims

As a part of its real estate activity, the Company had acquired approximately 47 acres of land in Devanahalli Bengaluru from a party in terms of Agreement of Sale Deed dated 28.07.1995. However, as the said party, though in receipt of sale consideration did not fulfil its legal obligation to transfer the title in the name of the Company, the Company filed a suit for specific performance in the Civil Court in 2011. An order granting temporary injunction was passed on 11.03.2013 restraining the said party from alienating or in any way encumbering the land in Devanahalli. A criminal complaint was also filed at the Devanahalli Court on 10.11.2014 and subsequently, the Hon'ble High Court of Karnataka vide order dated 19.07.2019 has quashed the criminal complaint filed before the Court at Devanahalli and the proceedings is disposed of as such. The suit for Specific Performance in the Civil Court is pending. The Department of Revenue, Government of Karnataka, has also raised certain issues relating to the title of the land which are being addressed by the Company.

Notes to the financial statements
for the year ended March 31, 2024

(ii) Financial instruments - Financial risk management

The Company's activities expose it to a variety of financial risks: Market risk, credit risk, liquidity risk. The Company has a risk management policy which covers risks associated with the financial assets and liabilities. The risk managemet policy is approved by the Board of Directors. The focus of the policy is to assess the upredictability of the financial environment and to mitigate potential adverse effects on the financial performace of the company.

i. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk.

a. Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's inter corporate deposits. The Company's inter corporate deposits with fixed interest rate is primarily short-term, which do not expose it to significant interest rate risk.

b. Foreign Currency Risk and Other price risk

The Company is not exposed to any foreign currency risk and other price risk as the company is not dealing in any foreign operation nor it is having any investments.

i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company is not exposed to credit risk as there are no trade receivables as on March 31, 2024.

Inter Corporate Deposits

Inter Corporate Deposits of ₹4,904 lakhs receivable as on March 31, 2024 are with a Company having a good financial position & credit rating in the market.

ii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

Liquidity risk management

The Company's corporate treasury department is responsible for liquidity and funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The Company ensures that it has sufficient cash on demand to meet expected operational expenses for a month, including the servicing of financial obligations, this excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters and epidemics such as COVID-19.

Notes to the financial statements for the year ended March 31, 2024

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

(₹ in Lakh)

Particulars	Carrying amount	Contractual cash flows

March 31, 2023						
Non-derivative financial liabilities						
Trade payables	39.68	39.68	-	-	-	39.68
Other financial liabilities	1,171.46	1,171.46	-	-	-	1,171.46

Equity share capital and other equity are considered for the purpose of Company's capital management. The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on management's judgment of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence. The management and the Board of Directors monitors the return on capital to shareholders. The Company, if necessary, may take appropriate steps in order to maintain or adjust its capital structure.

iii. Capital Management

The Company's aim is to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement and in order to maintain or adjust the capital structure the Company may adjust the amount of dividend if any paid to shareholders, returned capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with the focus on total equity so as to maintain investors, creditors and market confidence and to sustain future development and growth of its business.

26 Employee benefits expense

The Company has classified various benefits provided to employees as under:

i. Defined contribution plan

a) Provident fund

b) State defined contribution plans

i. Employer's contribution to employees' state insurance

ii. Employer's contribution to Employees' Pension Scheme, 1995.

Notes to the financial statements
for the year ended March 31, 2024

27 Financial ratios

Ratio / Measure	Methodology	March 31, 2024	March 31, 2023
(a) Current ratio[1]	Current assets over current liabilities	11.06	6.30
(b) Return on Equity ratio[2]	PAT over total average equity	2.47%	0.37%
(c) Trade payables turnover ratio[3]	Adjusted expenses over average trade payables	4.44	6.48
(d) Return on Capital employed[4]	PBIT over capital employed	2.87%	0.40%

Explanation for variance exceeding 25%

1. The current ratio has improved on account of receipt of some portion of repayments of ICD given
2. Improvement in Return on equity ratio on account of increase in income recognised during the current financial year
3. The Trade payables turnover ratio has declined due to increase in the payable balances at the year end.
4. Increase in return on capital employed on account of increase in profit for the current year.

CHAIRMAN'S MESSAGE

Dear Shareholders,

Greetings to you and your families! It is my pleasure to be interacting with you all for the first time. I hope each one of you and your families is doing well. We all hope the pandemic is behind us as we look forward to continuing good health and stability in the times ahead.

While sharing with you all with profound grief the news of the passing away of Mr. Srichand Permanand Hinduja, the former Chairman of the Group, who has been a beacon for the Group over many years, the Company will work with renewed commitment to ensure it follows the path laid by him of achieving growth without losing sight of values.

I take the opportunity to present to you an update on the developments in your Company over the last year and also share with you its plans for the future.

The Operating Economic Environment:

The state of the economy in which your company operates has a significant impact on all its actions. Therefore, it becomes important to appreciate the state of the Indian Economy in the last year. The pandemic years had negatively impacted the global economy and businesses, Last year, ie the FY 2022-23, was the first one post-pandemic, and one that signified the start of the recovery of the Indian economy with a push towards sustainability. Although the global economy continues to face stiff challenges India appears to have moved on putting the pandemic behind it and staging a full recovery ahead of many nations. India is one of the first nations to touch the pre-pandemic growth levels in the financial year 2022-23. Agencies worldwide continue to project India as the fastest-growing major economy poised to grow at 6.5-7.0 per cent. It is projected that the next few years will be an exciting period of growth for businesses.

Creating stakeholder value:

The year has been an eventful year for your Company. As per the track record of making commitments and fulfilling them, your Company constantly explores various business structures which while facilitating business growth, ensure value accretion and enhancement for its stakeholders, be it the shareholders, the business partners, the employees, etc. Once again, living up to this credo, your Company has made a structural re-definition of its businesses and recast the shape your Company will take in the years to come. These include:

- The demerger of the "Digital Media and Communications " Business undertaking of the Company into Hinduja Global Solutions Limited through the process of a Scheme of demerger duly approved by the Honourable National Company Law Tribunal, vide its order dated November 11, 2022. While this move brought about business synergies, it also enabled the shareholders of the Company to participate in the growth of Hinduja Global Solutions Limited (HGS) - the "Resulting Company" through the demerger wherein shares were allotted to them in that Company, enabling them to participate in the dividend and share buyback schemes of HGS.

- The Board of Directors of the Company approved a Scheme for the merger of Hinduja Leyland Finance Limited, a leading Non-Banking Finance Company with itself, subject to all shareholder and regulatory approvals. This step will enable the shareholders of the Company to participate in the exciting business of financial services which is expected to witness significant growth in the years to come. The Scheme is under various stages of approval.

- With your Company's future business plans focussed on financial services, the name of the Company was changed to NDL Ventures Limited from NXTDIGITAL Limited.

- The Company's Board of Directors was re-constituted to have professionals with experience in the financial services industry to guide the Company in its future journey of growth.

All these steps your Company believes will go to enhance shareholder value significantly.

Corporate Social Responsibility (CSR):

Your Company has always been committed to fulfilling its social responsibility. Therefore, in line with one of the Hinduja Group's founding principles of "Work to Give", your Company has over the years carried out many humanitarian activities largely through Hinduja Foundation. As per the CSR policy of the Company, the primary focus has been on "Rural Development and Education". Your company has been actively supporting the Sustainable

Rural Development Project – impacting the lives of villagers and educating children in the Jawahar Taluka in District Palghar, Maharashtra. Your Company is committed to continue being a socially responsible corporate citizen.

Corporate Governance:

Your Company's approach to corporate governance and the role it plays in its life goes well beyond meeting compliance obligations. Its governance framework fosters its high-performing culture while underpinning principles of integrity, customer focus, collaboration, innovation, sustainability and stakeholder delight. The Company has always upheld the highest standards of governance and conducted business with integrity and fairness. The trust gained in the process has ensured that your Company is better placed to assess and manage risks, address issues that are material to stakeholders, and take the right decisions that balance the interests of all.

Conclusion:

I want to place on record my sincere appreciation for your unstinted support to the Company over the years. I would also like to thank the Directors, Management, Employees and Associates of the company. Also, my gratitude to our Bankers, Auditors, and Advisors for their continuous help and guidance during the year to help maintain the highest standards of corporate governance, which is accorded the top priority at the Hinduja Group.

I conclude by wishing you all good health and happiness.

Sudhanshu Tripathi
Chairman

BOARD'S REPORT

Dear Members,

The Board of Directors of NDL Ventures Limited (formerly known as NXTDIGITAL Limited) (hereinafter referred as "the Company") is pleased to present the 38th (Thirty-Eighth) Annual Report of the Company alongwith the Audited Financial Statements for the financial year ended March 31, 2023.

FINANCIAL PERFORMANCE

The Company's financial performance for the financial year (FY) ended March 31, 2023, as compared to the previous financial year ended March 31, 2022 is summarized as under:

(₹ in Lakh)

Particulars	FY 2022-23	FY 2021-22
Total income	**252.11**	6930.25
Total expenses	**224.71**	2608.34
Earnings before Interest, Depreciation and Tax	**27.40**	4321.91
Interest	**-**	-
Depreciation and Amortization	**-**	-
Profit/(Loss) before tax from continuing operations	**27.40**	4321.91
Tax	**-**	-
Profit/(Loss) after tax from continuing operations	**27.40**	4321.91
Profit/(Loss) after tax from discontinued operations	**-**	(13221.25)
Profit/(Loss) for the year	**27.40**	(8899.34)

Pursuant to the Scheme of Arrangement between the Company and Hinduja Global Solutions Limited ("HGS") and their respective shareholders as sanctioned by the Hon'ble National Company Law Tribunal, Mumbai Bench vide its Order dated November 11, 2022, the Digital, Media and Communications business undertaking including investment in subsidiaries along with all their concomitant rights, obligations and liabilities of the business undertaking has been demerged/ transferred to HGS. Further, since the Company has no subsidiaries, consolidated financial results are not required to be prepared and hence, not provided. Subsequent to such demerger, the Company, presently, has no active business other than holding real estate inventory as part of its Real Estate business segment.

The Board of Directors of the Company has approved the merger of Hinduja Leyland Finance Limited with the Company subject to shareholders and necessary regulatory approvals. Post this merger, the primary business of the Company is likely to shift to providing financial services.

DIVIDEND

The Board of Directors, at their meeting held on April 28, 2023, recommended the payment of dividend of ₹ 2 (Rupees Two only) per equity share (previous year ₹ 4.00 per equity share), i.e., 20% of the face value of equity share of ₹ 10/- each for the financial year 2022-23. Payment of such dividend is subject to approval of the shareholders at the ensuing Annual General Meeting of the Company.

The dividend recommended is in accordance with the Dividend Distribution Policy of the Company. The Dividend Distribution Policy, in terms of Regulation 43A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") is available on the Company's website at https://www.ndlventures.in/investors/corporate-policies/.

TRANSFER TO RESERVES

No amount has been proposed to be transferred to Reserves during the financial year ended March 31, 2023.

SCHEMES OF ARRANGEMENT

a) Demerger of Digital, Media and Communications Business Undertaking into Hinduja Global Solutions Limited

As per direction of Hon'ble National Company Law Tribunal (NCLT) vide its Order dated July 29, 2022, a meeting of shareholders of the Company was convened on September 2, 2022, to approve, *inter-alia*, the Scheme of Arrangement between the Company (the "Demerged Company" or "NDL") and Hinduja Global Solutions Limited (the "Resulting

Company" or "HGS") and their respective shareholders pursuant to Section 230-232 and other applicable provisions of the Companies Act, 2013 ("Act") wherein the Digital, Media and Communications business undertaking and investments in the subsidiaries on going concern basis and allied activities of the Demerged Company would stand transferred to and vested in Resulting Company with effect from the appointed date i.e. February 01, 2022. In the said meeting, the shareholders of the Company approved the Scheme with more than requisite majority of votes.

Thereafter, the Company approached NCLT for final approval of the Scheme by filing Company Scheme Petition. After the scheduled hearings, the NCLT sanctioned the said Scheme vide its Order dated November 11, 2022. Pursuant to the Scheme, the Digital, Media and Communications business undertaking including investment in subsidiaries along with all their concomitant rights, obligations and liabilities of the business undertaking has been demerged/transferred to HGS. In consideration of such demerger, the shareholders of the Demerged Company were issued and allotted fully paid up equity shares of HGS in the ratio mentioned in the Scheme, as detailed hereunder:

20 (Twenty) equity shares of the face value ₹ 10/- each of HGS were issued and allotted as fully paid up for every 63 (Sixty-Three) equity shares of the face value of ₹10/- each fully paid up held in NDL.

b) Merger of Hinduja Leyland Finance Limited with the Company

Post the decision to transfer the Digital, Media & Communications business undertaking to Hinduja Global Solutions Limited, the Company was evaluating various proposals in line with its objective of pursuing high growth-oriented business opportunities that could bring in incremental value. In line with this commitment to create value for its shareholders, merger of Hinduja Leyland Finance Limited (HLFL) with the Company was examined by the Board. HLFL is one of India's leading Non-Banking Financial Companies with a pan-India presence. Through a vast network of branches, HLFL finances a wide range of commercial and personal vehicles, from medium and heavy commercial vehicles, light commercial vehicles and small commercial vehicles to cars, multi-utility vehicles, three wheelers, and two wheelers, as well as various kind of used vehicles. HLFL is a subsidiary of Ashok Leyland Limited.

The Board, at its meeting, held on August 16, 2022, had approved the Scheme of Merger by Absorption under Sections 230-232 and other applicable provisions of the Companies Act, 2013 (including any statutory modification or re-enactment or amendment thereof), as may be applicable, for the merger by absorption of Hinduja Leyland Finance Limited (the Transferor Company) into NXTDIGITAL Limited (the Transferee Company) and their respective shareholders wherein upon this Scheme coming into effect, the Transferor Company along with its Undertaking, as defined in the Scheme, shall stand merged with and be vested in the Transferee Company, as a going concern, without any further act or instrument together with all the properties, assets, rights, liabilities, benefits and interest therein, as more specifically described in the Scheme.

While the Company and HLFL were working on completing the formalities, on September 28, 2022, National Stock Exchange of India Limited issued circular specifying revised Standard Operating Procedure (SOP) on the application filed under Regulation 37 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 with respect to the Scheme of Arrangements wherein the Scheme of Arrangement seeking Stock Exchange's NOC under Regulation 37 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 shall be submitted to the Stock Exchange along with all the documents as per the Stock Exchange's checklist within 15 working days of the Board meeting approving the draft scheme of arrangement.

In view of the above, the Board of Directors again met on November 25, 2022 and approved the Scheme of Merger with revised valuations and other reports.

The Scheme is under the process of approval by the relevant regulatory authorities.

CHANGES IN CAPITAL STRUCTURE

The paid-up equity share capital of the Company as on March 31, 2023, was ₹ 33,67,16,210/- comprising of 3,36,71,621 Equity Shares of ₹ 10/- each. The said shares are listed on the BSE Limited (BSE) and the National Stock Exchange of India Limited (NSE). There was no change in the paid-up equity share capital of the Company during the year under review.

As on March 31, 2023, out of the Company's total paid-up equity share capital comprising of 3,36,71,621 Equity Shares, 3,30,39,512 Equity Shares (98.13%) were held in dematerialized mode. The Company's equity shares are compulsorily tradable in electronic form.

ALTERATION OF OBJECT CLAUSE OF MEMORANDUM OF ASSOCIATION OF THE COMPANY

The Company was engaged in the business of providing services of Digital, Media & Communications and dealing in Real Estate. In view of the proposed Merger of Hinduja Leyland Finance Limited, a Non-Banking Financial Company, with the Company, the main business activity of the Company would then need to change to providing financial services and allied activities. The then existing Memorandum of Association did not have as part of its main object clauses, objects which allow the Company to carry on the business of providing financial services. An alteration of the Memorandum of Association of the Company was, therefore, required by adding suitable new object clauses. The Shareholders of the Company approved the alteration of object clause of Memorandum of Association of the Company by passing special resolution at the 37th Annual General Meeting held on September 27, 2022. Such alteration was approved by the Registrar of Companies/Ministry of Corporate Affairs vide its certificate of registration of special resolution confirming alteration of object clause(s) dated October 27, 2022.

NAME CHANGE OF THE COMPANY

As mentioned above, the Digital, Media and Communications Business undertaking of the Company including the investments in subsidiaries along with all their concomitant rights, obligations and liabilities, has been transferred to HGS including all the registered brands/trademarks owned by the Company, particularly "NXTDIGITAL" under the Scheme of Arrangement as sanctioned by NCLT.

The earlier name of the Company i.e., NXTDIGITAL Limited, was still reflecting the brand name "NXTDIGITAL". Considering that the brand "NXTDIGITAL" has been transferred to HGS under the Scheme of Arrangement, the name of the Company was proposed to be changed from "NXTDIGITAL LIMITED" to "NDL VENTURES LIMITED. The same was duly approved by the Shareholders of the Company by passing Special Resolution on January 28, 2023 through postal ballot. Such name change of the Company was approved by the Registrar of Companies, Ministry of Corporate Affairs vide Certificate of Incorporation dated April 20, 2023.

BUSINESS REVIEW

State of the Indian Economy

India's growth continues to be resilient despite some signs of moderation in growth, says the World Bank in its latest **India Development Update**, the World Bank India's biannual flagship publication. The Update notes that although significant challenges remain in the global environment, India was one of the fastest growing economies in the world.

Post the turbulent years of the pandemic which affected the economy and businesses in general, the year in retrospect has been one of defining sustainability and growth for the Indian economy. The financial year 2022-23 has been a year of economic recovery with a push towards sustainability. The economy appears to have moved on after its encounter with the pandemic, staging a full recovery ahead of many nations and positioning itself to ascend to the pre-pandemic growth path in financial year 2022-23. Agencies worldwide continue to project India as the fastest-growing major economy at 6.5-7.0 percent.

Nature of Business and future outlook

The Company which was hitherto in the business of digital media & communication has, with a view to re-organize businesses and create shareholder value made some structural changes in its businesses and re-defined the future course the Company wishes to take. These steps include:

- The demerger of the "Digital Media and Communications" Business undertaking of the Company into Hinduja Global Solutions Limited through the process of a Scheme of demerger duly approved by the Honourable National Company Law Tribunal, vide its order dated November 11, 2022. While this move brought about business synergies, it also enabled the shareholders of the Company to participate in the growth of the "Resulting Company" through the demerger wherein shares were allotted to them in that Company, enabling them to participate in the dividend and share buyback schemes of the "Resulting Company".
- The Board of Directors of the Company approved a Scheme for the merger of Hinduja Leyland Finance Limited, a leading Non-Banking Financial Company with itself, subject to all shareholder and regulatory approvals. This step will enable the shareholders of the Company to participate in the exciting business of financial services which is expected to witness a significant growth in the years to come. The Scheme is under various stages of approvals.

With these changes, the Company will look to focus on the financial services sector going forward subject to all requisite approvals being available. The Company is in the process of obtaining the requisite statutory/regulatory approvals.

IMPACT OF COVID-19 PANDEMIC

With the impact of COVID 19 pandemic having significantly reduced in the last year, the Company has not had to face any adverse situation impacting either its business or the realizability of its assets or meeting of its obligations.

DETAILS OF SUBSIDIARIES / JOINT VENTURES/ ASSOCIATE COMPANIES

As on March 31, 2023, the Company did not have any subsidiary, associate, or joint venture company. As such, a statement containing the salient features of financial statements of subsidiaries of the Company in the prescribed Form AOC-1 is not required to be prepared, hence, does not form a part of this Annual Report.

DIRECTORS

There were the following changes in the Board of Directors during the year under review:

Cessation

During the year 2022-23, Mr. Ashok P. Hinduja (DIN: 00123180) resigned from the position of Chairman -Non-Executive Director and from the Board of the Company with effect from December 19, 2022 in view of re-organization of business of the Company arising out of the demerger of the Digital, Media & Communication business into Hinduja Global Solutions Limited and also the proposed merger of Hinduja Leyland Finance Limited into the Company. The Board of Directors placed on record their deep appreciation for his valuable guidance and support extended by him in the transformation of the Company from a finance Company to a venture hub and then to a digital media Company. Under his valuable prudent guidance, the Company achieved remarkable growth and all-round success.

Owing to the said reorganization of business of the Company (a) Mr. Prashant Asher (DIN: 00274409) resigned from the directorship of the Company with effect from December 19, 2022. He confirmed that there was no other material reason for his resignation. The Board expressed its appreciation for the valuable guidance provided by him during his tenure as a Director and (b) Mr. Vynsley Fernandes (DIN: 02987818) resigned from the position of the Managing Director & Chief Executive Officer and from the Board of the Company with effect from November 14, 2022. The Board placed on record its appreciation for valuable work done by him during his tenure in the Company.

Appointment/Induction

Mr. Sudhanshu Tripathi (DIN: 06431686), Non-Executive Director was elected as the Chairman of the Board of the Company with effect from December 19, 2022.

The Board, based on the recommendation of the Nomination and Remuneration Committee, appointed Mr. Sachin Pillai (DIN: 06400793) as an Additional Director (Non-Executive and Non Independent) on the Board of the Company with effect from January 31, 2023. Mr. Sachin Pillai brings to the Board the expertise and experience in the areas of banking and financial sectors for more than two decades.

On April 19, 2023, the Shareholders of the Company, by way of an ordinary resolution passed through postal ballot, approved the appointment of Mr. Sachin Pillai as Non-Executive Director of the Company, liable to retire by rotation.

Re-appointment

In accordance with the provisions of Section 152(6) of the Act and in terms of the Articles of Association of the Company, Mr. Amar Chintopanth, Director (DIN: 00048789) will retire by rotation at the ensuing 38th Annual General Meeting ("38th AGM") and is eligible for reappointment. The Board recommends his reappointment for the consideration of the members of the Company at 38th AGM.

Mr. Amar Chintopanth was appointed as a Whole Time Director of the Company by the Shareholders through Special Resolution passed at the 35th Annual General Meeting held on September 30, 2020 for a period of three years from September 4, 2020 to September 3, 2023. The Board recommends his reappointment for a further period of two (02) years from September 4, 2023 to September 3, 2025 for consideration and approval of the members of the Company at 38th AGM. A brief profile of Mr. Amar Chintopanth forms part of the Notice convening 38th AGM.

KEY MANAGERIAL PERSONNEL

As on the date of this report, the following are the Key Managerial Personnel of the Company in accordance with the provisions of Section 2(51) read with Section 203 of the Act:

- Mr. Amar Chintopanth, Whole Time Director & Chief Financial Officer and
- Mr. Ashish Pandey, Company Secretary

There was no change in the Key Managerial Personnel of the Company during the year under review except Mr. Vynsley Fernandes who resigned as Managing Director & Chief Executive Officer with effect from November 14, 2022.

DECLARATION BY INDEPENDENT DIRECTORS

The Company has, *inter alia*, received the following declarations from all the Independent Directors confirming that:

- they meet the criteria of independence as prescribed under the provisions of the Act, read

with the Schedule and Rules made thereunder, and the SEBI Listing Regulations. There has been no change in the circumstances affecting their status as Independent Directors of the Company.

- they have complied with the Code for Independent Directors prescribed under Schedule IV to the Act; and

- they have registered themselves with the Independent Director's Database maintained by the Indian Institute of Corporate Affairs.

None of the Directors of the Company are disqualified for being appointed as Directors as specified under Section 164(2) of the Act read with Rule 14(1) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

FAMILIARISATION PROGRAMME FOR THE INDEPENDENT DIRECTORS

In compliance of requirements of Regulation 25(7) of the SEBI Listing Regulations, the Company has put in place a Familiarization Programme for the Independent Directors to familiarize them with the Company, their roles, rights, responsibilities in the Company, nature of the industry in which the Company operates, business model etc.

The details of the Familiarization Programme conducted are available on the website of the Company at http://ndlventures.in/contents/static/hvmedia/abt/pdf/familiarisation-program-independent-directors.pdf .

Your Company's Managing Director & Chief Executive Officer and Whole-Time Director & CFO make presentations to the Board members every quarter, sharing updates about the Company's business strategy, operations, and the key trends in the industry relevant for the Company. These updates help the Board members in keeping abreast of the key changes and their impact on the Company. The Board members are regularly updated on business updates, business models and competitive environment. The Board is also updated on organizational risks, industry review, internal financial controls, changes in corporate and allied laws through presentations and updates made by the respective functional leaders.

CODE OF CONDUCT

The Code of Conduct of the Company is available on the website of the Company at http://ndlventures.in/investors/code-of-conduct/. All the Directors and senior management have affirmed the compliance of the Code of Conduct as approved and adopted by the Board of Directors and a declaration to this effect signed by the Whole Time Director & Chief Financial Officer has been annexed as "**Annexure A**" to this Report in line with the requirement of Regulation 26(3) read with Schedule V(D) of the SEBI Listing Regulations.

BOARD MEETINGS HELD DURING THE YEAR

Regular meetings of the Board and its Committees are held to discuss and decide on various business policies, strategies, financial matters and other businesses. The schedule of the Board/ Committee Meetings to be held in the forthcoming financial year is circulated to the Directors in advance to enable them to plan their schedule for effective participation in the meetings.

During the financial year 2022-23, the Board met 10 (ten) times.

The details of the meetings of the Board of Directors of the Company held and attended by the Directors are given in the Corporate Governance Report which forms part of this Annual Report.

The maximum interval between any two meetings did not exceed 120 days, as prescribed by the Act and the SEBI Listing Regulations.

COMMITTEES

The Board has set up various Committees in compliance with the requirements of the business and relevant provisions of applicable laws and layered down well documented terms of reference of all the Committees. As on March 31, 2023, the Board has 6 (six) Committees:

1. Audit Committee,
2. Nomination & Remuneration Committee,
3. Corporate Social Responsibility Committee,
4. Risk Management Committee,
5. Stakeholders Relationship Committee, and
6. Committee of Directors – Integration Committee

During the year, all recommendations of the Committees of the Board which were mandatorily required, have been accepted by the Board. The details of the composition of the Committees, their meetings held during the year including their terms of reference are provided in the Corporate Governance Report. The composition and terms of reference of all the Committees of the Board of Directors of the Company is in line with the provisions of the Act and the SEBI Listing Regulations.

COMPOSITION OF THE AUDIT COMMITTEE

The Audit Committee comprises of four (4) Members. The Committee is chaired by Mr. Anil Harish, Independent Director. The other Members of the Committee are Ms. Bhumika Batra, Independent Director, Mr. Munesh Khanna, Independent Director and Mr. Sudhanshu Tripathi, Non-Executive Director.

Details of the role and responsibilities of the Audit Committee, the particulars of meetings held and attendance of the Members at such Meetings are mentioned in the Report on Corporate Governance, which forms part of this Annual Report. During the year under review, all the recommendations made by the Audit Committee were accepted by the Board.

EVALUATION OF THE BOARD, ITS COMMITTEES AND DIRECTORS

As required under the provisions of the Act, relevant Rules made thereunder and under the SEBI Listing Regulations, the evaluation of the annual performance of individual Directors including the Chairman of the Company and Independent Directors, Board and Committees of the Board was carried out for the financial year 2022-23.

For performance evaluation of the Board, it's Committees and individual Directors, the Company engaged the services of an external agency to undertake the evaluation process. The manner in which the Board has carried out the evaluation in consultation with such an external agency has been explained in the Corporate Governance Report, which forms part of this report.

The Independent Directors, at their separate meeting held on March 3, 2023, reviewed the performance of Non-Independent Directors and the Board as a whole, Chairman of the Company after taking into account the views of Executive Director and Non-Executive Directors, the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

The Board also assessed the fulfillment of the independence criteria as specified in SEBI Listing Regulations, by the Independent Directors of the Company and their independence from the management.

DIRECTOR'S RESPONSIBILITY STATEMENT

Pursuant to the requirements of Sections 134(3)(c) and 134(5) of the Act, it is hereby confirmed that:

a. in the preparation of the annual accounts for the year ended March 31, 2023, the applicable accounting standards read with requirements set out under Schedule III to the Act, have been followed and there are no material departures from the same;

b. the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as of March 31, 2023, and of the profit/loss of the Company for the year ended on that date;

c. the Directors have taken proper and enough care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.

d. the Directors have prepared the annual accounts on a going concern basis;

e. the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and

f. the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

REMUNERATION POLICY FOR DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES AND CRITERIA FOR APPOINTMENT OF DIRECTORS

Pursuant to the provisions of the Act and the SEBI Listing Regulations, the Company has adopted a Remuneration Policy for the Directors, Key Managerial Personnel and other employees, such Remuneration Policy forms part of this report. The policy is available on the Company's website at https://www.ndlventures.in/investors/corporate-policies/ .

The Nomination and Remuneration Committee (NRC) has articulated the criteria for determining qualifications, positive attributes and independence of Directors in terms of provisions of Section 178(3) of the Act and Regulation 19 read with Part D of Schedule II of the SEBI Listing Regulations.

Independence: In accordance with the above criteria, a director will be considered as an 'Independent Director' if he/she meets the criteria for Independence as laid down in the Act and Rules framed thereunder, as amended and Regulation 16(1)(b) of the SEBI Listing Regulations.

Qualifications: A transparent Board nomination process is in place that encourages diversity of thought, experience, knowledge, perspective, age and gender. It is also ensured that the Board has an appropriate blend of functional and industry expertise. While recommending the appointment of a Director, the NRC considers the manner in which the function and domain expertise of the individual will contribute to the overall skill-domain mix of the Board.

Positive Attributes: In addition to the duties as prescribed under the Act, the Directors on the Board of the Company are also expected to demonstrate high standards of ethical behavior, strong interpersonal and communication skills and soundness of judgement.

CORPORATE GOVERNANCE REPORT

The Board of Directors reaffirm their continued commitment to good Corporate Governance and ethical practices. The Company is committed to maintaining highest standard of Corporate Governance and elevating the same to the best global practices.

Your Company has complied with the Corporate Governance requirements specified under SEBI Listing Regulations during the year under review. A detailed report on Corporate Governance as required under Regulation 34 read with Schedule V of the SEBI Listing Regulations is annexed as **"Annexure B"** to this report.

As required by Schedule V(E) of the SEBI Listing Regulations, a certificate from Practicing Company Secretary certifying that the Company has complied with the conditions of Corporate Governance as required therein is annexed as **"Annexure C"** to this Report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

In compliance with Regulation 34 of the SEBI Listing Regulations, the separate section on Management Discussion and Analysis, as approved by the Board, which includes details on the state of affairs of the Company, forms part of this Annual Report as "**Annexure D**".

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

Pursuant to Regulation 34(2)(f) of SEBI Listing Regulations, the requirement of submitting the Business Responsibility Report has been discontinued after the financial year 2021-22 and thereafter, with effect from the financial year 2022-23, the top one thousand listed Companies based on market capitalization, shall submit Business Responsibility and Sustainability Report ('BRSR') in the format specified by the SEBI from time to time. Accordingly, BRSR of the Company forms part of the Annual Report and is marked as **"Annexure E"** to this report. Such a report is also made available on the website of the Company at http://ndlventures.in/investors/annual-reports/ .

PUBLIC DEPOSITS

The Company has not accepted any deposits from the public within the meaning of Chapter V of the Act, and rules made thereunder during the financial year 2022-23.

INTERNAL FINANCIAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has laid down an adequate system of internal controls, policies and procedures for ensuring orderly and efficient conduct of the business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, timely preparation of reliable financial disclosures and to ensure compliance with regulatory requirements. The internal financial controls are adequate and operating effectively. Effectiveness of internal financial controls is ensured through management reviews, controlled self-assessment and independent testing by the internal audit team.

Your Company has complied with specific requirements as laid under Section 134(5)(e) of the Act, which calls for establishment and implementation of the Internal Financial Control framework that supports compliance with requirements of the Act in relation to the Director's Responsibility Statement.

The management is committed to ensuring an effective internal control environment, commensurate with the size and complexity of the business, which provides an assurance on compliance with internal policies, applicable laws, regulations and protection of resources and assets.

The Company has an Internal Audit function that identifies the critical audit areas with specific reference to operations, accounting, and finance. The Internal Auditor reviews the adequacy of the internal controls and risks in such audit areas every quarter. The audit is based on the Internal Audit Plan, which is reviewed and approved by the Audit Committee. Based on the observations of the Internal Auditor, corrective actions are undertaken by the owners in their respective areas and thereby strengthening the internal controls.

The Audit Committee, based on its evaluation, has concluded that as on March 31, 2023, your Company's internal financial controls were adequate and operating effectively.

ANNUAL RETURN

As required under Section 92(3) of the Act read with the Companies (Management and Administration) Rules, 2014 as amended from time to time, Annual Return for the financial year 2022-23 is placed on the website of the Company at https://ndlventures.in/investors/annual-reports/.

LOANS, GUARANTEES, AND INVESTMENTS

Particulars of loans given, investments made, guarantees given, and securities provided are given in Note nos. 4 and 5 of the Notes forming part of Financial Statements.

RELATED PARTY TRANSACTIONS

Related party transactions entered during the financial year under review are disclosed in the note no. 25 of notes to the financial statements of the Company for the financial year ended March 31, 2023. These transactions entered were at an arm's length basis and in the ordinary course of business. All transactions with related parties were reviewed and approved by the Audit Committee and were in accordance with the Policy on dealing with and materiality of related party transactions and the related party framework, formulated and adopted by the Company.

The Company, in terms of Regulation 23 of the SEBI Listing Regulations, submits within the stipulated time from the date of publication of its financial results for the half year, disclosures of related party transactions, in the specified format to the Stock Exchanges i.e. BSE and NSE. The said disclosures are available on the website of the Company at https://www.ndlventures.in/investors/financial-results-2/.

The Company's Policy on dealing with and materiality of related party transactions is available on the website of the Company at https://www.ndlventures.in/investors/corporate-policies/. There are no materially significant related party transactions that may have potential conflict with interest of the Company at large. Approval of the Shareholders was sought with respect to the material related party transactions with Hinduja Realty Ventures Limited, Hinduja Global Solutions Limited, IndusInd Media & Communications Limited, IN Entertainment (India) Limited and OneOTT Intertainment Limited, all for the financial year 2023-24, through postal ballot on April 19, 2023.

All related party transactions during the financial year 2022-23 were in the ordinary course of business and at an arm's length basis and do not attract the provisions of Section 188 of the Act, hence, no particulars in Form AOC-2 have been furnished.

AUDITORS

Statutory Auditors

The Board of Directors at their meeting held on August 27, 2022, had appointed M/s S K Patodia & Associates, Chartered Accountants (Firm Registration No. 112723W) as Joint Statutory Auditors of the Company alongwith the existing Statutory Auditors M/s. Haribhakti & Co. LLP, Chartered Accountants for a period of three years commencing from the conclusion of 37th Annual General Meeting till the conclusion of 40th Annual General Meeting of the Company. Subsequently, shareholders of the Company approved the same at the 37th Annual General Meeting of the Company held on September 27, 2022.

M/s. S K Patodia & Associates, Chartered Accountants (Firm Registration No. 112723W) has confirmed their eligibility for appointment as a Joint Statutory Auditors of the Company.

Due to the proposed merger of Hinduja Leyland Finance Limited, a Non-Banking Financial Company, the main business activity of the Company would be financial services regulated by the Reserve Bank of India (RBI). On November 3, 2022, M/s Haribhakti & Co. LLP, Chartered Accountants, one of the joint Statutory Auditors, expressed their inability to continue as a Statutory Auditors due to the Order dated October 12, 2021, issued by the Reserve Bank of India having restricted M/s. Haribhakti & Co. LLP from undertaking audit assignments in any of the entity regulated by the RBI effective April 1, 2022. M/s. S K Patodia & Associates, Chartered Accountants continued as Statutory Auditors of the Company.

M/s. S K Patodia & Associates, Chartered Accountants, Statutory Auditors of the Company have issued an unmodified opinion on the Financial Statements for the financial year 2022-23 and the Auditor's Report forms part of this Annual Report.

Secretarial Auditors

The Board had appointed Ms. Rupal Jhaveri, Practicing Company Secretary (CP: 4225) to undertake Secretarial Audit for the financial year 2022-23 pursuant to the provisions of Section 204 of the Act and Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014. The Secretarial Audit Report in the Form No. MR-3 for the year ended March 31, 2023 is annexed as **"Annexure F"** to this Report.

The Secretarial Audit Report for the year under review does not contain any qualifications, reservations, or adverse remarks.

In accordance with the SEBI Circular dated February 8, 2019, and additional affirmations required under Circulars issued by NSE and BSE dated March 16, 2023, and April 10, 2023, read with Regulation 24A of the SEBI Listing Regulations, the Company has obtained Annual Secretarial Compliance Report from Ms. Rupal Jhaveri, Practicing Company Secretary, confirming compliances with all applicable SEBI Regulations, Circulars and Guidelines for the year ended March 31, 2023.

Ms. Rupal Jhaveri, Practicing Company Secretary, has issued a certificate confirming that none of the Directors on the Board of the Company has been debarred or disqualified from being appointed or continuing as Directors of companies by SEBI/MCA or any such statutory authority. The said Certificate is annexed to the Report on Corporate Governance forms part of this Annual Report.

Cost Auditors

In accordance with Section 148 of the Act and rules framed thereunder, the Board of Directors on the recommendation of the Audit Committee had appointed M/s. ABK & Associates, Cost Accountants, (Firm Registration No. 000036), as Cost Auditors of the Company for the financial year 2022-23 to audit the accounts relating to Dark Optic Fiber Leasing for the financial year ended March 31, 2023.

Due to the said demerger of Digital, Media and Communications business undertaking with HGS with effect from the appointed dated February 1, 2022, the Company is not presently engaged in any activity on which cost audit is applicable. Therefore, the said appointment of cost auditor has become redundant. Keeping in view of non-applicability of cost audit, the Board declined the appointment of cost auditor for financial year 2023-24.

REPORTING OF FRAUDS BY AUDITORS

During the year under review, neither the Statutory Auditors nor the Secretarial Auditors has reported to the Audit Committee under section 143(12) of the Act, any instances of fraud committed against the Company by its officers or employees, the details of which would need to be mentioned in the Board's report.

CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility (CSR) Committee has been constituted by the Board of Directors pursuant to the requirements of Section 135 of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014. The details of membership of the Committee and the meetings held are given in the Corporate Governance Report, forming part of this Annual Report. The contents of the CSR Policy of the Company as approved by the Board on the recommendation of the CSR Committee are available on the website of the Company and can be accessed through the web link: https://www.ndlventures.in/investors/corporate-policies/.

The CSR Committee at its meeting held on March 3, 2023 arrived at a conclusion that considering average loss for the last three years, as computed for the financial year 2022-2023, there would not be any statutory obligation to provide the funds for CSR activities. The Board, at its meeting held on March 3, 2023, reviewed and confirmed the same.

The annual report on CSR is provided in the **"Annexure- G"** to this report.

WHISTLE BLOWER / VIGIL MECHANISM

The Company has a Vigil Mechanism that provides a formal channel for all its Directors, employees and stakeholders to approach the Chairman of the Audit Committee and make protective disclosures about the unethical behaviour, actual or suspected fraud or violation of the Code of Conduct. No person is denied access to the Chairman of the Audit Committee. Your Company affirms that no Director or employee has been denied access to the Chairperson of the Audit Committee and that no complaints were received during the year 2022-23.

The Company has adopted a policy on Whistle Blower / Vigil Mechanism, and the same is uploaded on the website of the Company at the web link: https://www.ndlventures.in/investors/corporate-policies/ .

RISK MANAGEMENT

The Board of Directors of the Company has formed Risk Management Committee in compliance of Regulation 21 of SEBI Listing Regulations with the responsibility of overseeing various strategic, operational and financial risks that the organization faces, along with the adequacy of mitigation plans to address such risks. The Corporate Governance Report, which forms part of this report, contains the details of Risk Management Committee of the Company.

The risk management policy of the Company lays down the risk strategy of the Company and helps in determining the risk factor, categorizing the various forms of risks affecting the Company's strategic and financial goals and modes to manage such risks.

The Audit Committee and Board are updated on how each of the identified risks is monitored during the reporting period to ensure that there is no adverse impact on the Company.

COMPLIANCE OF SECRETARIAL STANDARDS

The Company has complied with the applicable Secretarial Standards (SS) issued by the Institute of Company Secretaries of India as amended from time to time.

CREDIT RATING

As on March 31, 2023, the Company had credit rating "IVR/A+/Stable" assigned by Infomerics Valuation and Rating Private Limited, a Credit Rating Agency. However, financial facilities relating to the Demerged Undertaking pursuant to said Demerger has been transferred to HGS under the sanctioned Scheme of Arrangement by NCLT.

DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

The Company has zero tolerance towards sexual harassment at the workplace. The Company has adopted a policy on prevention, prohibition and redressal of sexual harassment at workplace in line with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the Rules made thereunder.

The Company has complied with the provisions relating to the constitution of the Internal Complaints Committee as per the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

During the financial year ended March 31, 2023, the Company has not received any complaint pertaining to sexual harassment.

INVESTOR EDUCATION AND PROTECTION FUND

Pursuant to Sections 124 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("**IEPF Rules**"), dividends, if not paid or claimed for a period of 7 (seven) years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund **("IEPF")**.

Further, all the shares in respect of such dividends which have not been paid or claimed for a period of 7 (seven) consecutive years are also liable to be transferred to the demat account of the IEPF Authority.

During the year, the Company has transferred the unclaimed and unpaid dividends of ₹ 4,09,860/- (Rupees Four Lakhs Nine Thousand Eight Hundred and Sixty Only) for the financial year 2014-15 to IEPF on November 18, 2022. Further, 266 nos. equity shares on which dividends were unclaimed for seven consecutive years were transferred to IEPF in December 9, 2022.

The unclaimed / unpaid dividend (interim) of ₹ 4,72,903/- (Rupees Four Lakhs Seventy Two Thousand Nine Hundred and Three Only) declared in the financial year 2015-16 has been transferred to the IEPF on May 18, 2023 and details of the same are uploaded on the website of the Company. 3310 (nos.) equity shares, on which the dividend for the financial year 2015-16 and onwards, remained unpaid/ unclaimed for seven consecutive years have been transferred by the Company to IEPF on June 15, 2023.

The details of the said transfers to the IEPF are provided in the Corporate Governance Report of this Report under heading Unpaid/Unclaimed Dividend and are also available on our Company's website at the web link at https://www.ndlventures.in/investors/unclaimed-dividend/ .

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

Pursuant to Section 134(3)(m) of the Act, the details of Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo during the year under review are as under:

Conservation of Energy:

Considering the nature of the Company's business, there is no reporting to be made on conservation of energy in its operations. Adequate measures have been taken to conserve energy wherever possible. The energy saving measures also include installation of LED lighting, selecting and designing offices to facilitate maximum natural light utilisation, optimised usage of lights and continuous monitoring and control of the operations of the air conditioning equipment. The Company evaluates the possibilities and various alternatives to reduce energy consumption.

Technology absorption:

The minimum technology required for the business has been absorbed.

Foreign Exchange Earnings and Outgo:

There was no foreign exchange earnings and outgo during the financial year 2021-22 and 2022-23.

EMPLOYEES PARTICULARS AND RELATED DISCLOSURES

The Company believes that its dedicated and motivated employees are its greatest asset. The Company till now has offered competitive compensation, healthy work environment and the employee performances are recognized through a planned reward and recognition program. The Company intends to develop a workplace where every employee can recognize and attain his or her true power. The Company motivates individuals to undertake voluntary projects apart from their scope of work that help them to learn and nurture creative thinking.

Your Directors would like to take this opportunity to express their appreciation for the passion, dedication and commitment of the employees of the Company and look forward to their continued contribution.

Disclosures pertaining to the remuneration and other details as required under Section 197(12) of the Act read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is annexed as **"Annexure H"** to this Report.

Statement containing particulars of top 10 employees and the employees drawing remuneration in excess of limits prescribed under Section 197 (12) of the Act read with Rule 5(2) and (3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is provided in the "**Annexure-I**" forming part of this report.

GENERAL DISCLOSURES

1) No equity shares with differential rights as to dividend, voting or otherwise were issued.

2) No equity shares were issued to employees of the Company under any scheme.

3) No significant or material orders, except stated above, were passed by any Regulator or Court or Tribunal, which can have an impact on the going concern status and the Company's operations in the future.

4) There are no material changes and commitments that have occurred between the end of the financial year of the Company and the date of this report, which affects the financial position of the Company.

5) The Managing Director/Whole Time Director of the Company does not receive any remuneration or commission from any of its subsidiaries.

6) No application has been made under the Insolvency and Bankruptcy Code, 2016 hence, the requirement to disclose the details of application made or any proceeding pending under Insolvency and Bankruptcy Code, 2016 during the financial year along with their status as at the end of the financial year is not applicable.

7) The requirement to disclose the details of difference amount of valuation done at the time of onetime settlement and the valuation done while taking loan from the Bank or financial institutions along with the reasons thereof, is not applicable.

ACKNOWLEDGEMENTS

The Directors hereby acknowledge the dedication, loyalty, hard work, solidarity and commitment rendered by the employees of the Company during the year. They would also like to place on record their appreciation for the continued co-operation and support received by the Company during the year from bankers, Government Authorities, business partners, shareholders, customers and other stakeholders.

Report on Corporate Governance

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The Company has always believed in complying with the law not only in letter but in spirit as well. The Company, in keeping with its motto 'Better Everyday', strives to do better in all aspects of its functioning, highlighting its focus on better governance. Corporate Governance is the balance between economic and social goals and between individual and societal goals which the Company strives to uphold at all times. The Company treads carefully with a high sense of responsibility towards all stakeholders. Creating value for all stakeholders is the prime goal of the Company. The Company has a duty towards all its stakeholders to operate the business of the Company based on the core principles of good governance, accountability, transparency, integrity, societal, environment and regulatory compliances while creating long-term value for all its stakeholders.

Our corporate governance is a statement of the values we stand by as we conduct our business and engage with our stakeholders. We ensure that we evolve and follow not just the stated corporate governance guidelines, but also best practices. We consider it our inherent responsibility to protect the rights of our shareholders and disclose timely, adequate and accurate information regarding our financials and performance, as well as the leadership and governance of the Company.

The Company is in compliance with the requirements stipulated under Regulations 17 to 27 read with Schedule V and Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**"), as applicable, with regard to corporate governance.

The detailed report on the compliance is given hereunder:

1. BOARD OF DIRECTORS

A. Composition and Category:

The Company's Board has an appropriate mix of Executive, Non-Executive and Independent Directors which enables the Board to provide effective leadership, strategic guidance, objective and independent view to the Company's management.

The Independent Directors of the Company continue to bring a balanced perspective to the Board deliberations including issues of strategy, risk management and overall governance by assessing the matters objectively.

As on March 31, 2023, the Board of Directors of the Company comprised of six (6) Directors. Out of the total six (6) directors, five (5) (i.e. 83.33%) are Non-Executive Directors out of which three (3) (i.e. 60%) are Independent Directors including Women Director.

The composition of the Board is in conformity with Section 149 and 152 of the Companies Act, 2013 ('the Act') and Regulation 17 of the SEBI Listing Regulations.

Composition of Board of Directors is as follows:

Name of Directors	DIN	Category
Mr. Ashok P. Hinduja ~	00123180	Chairman -Non-Executive Director-Promoter

d. Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the Board their appointment, remuneration and removal.

e. Whether to extend/ continue the term of appointment of Independent Directors, on the basis of report of performance evaluation of Independent Directors.

f. Recommend to the Board, all remuneration in whatever form, payable to senior management.

2. While formulating the policy on the basis of criteria enumerated above, the Committee shall ensure that;

a. the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;

b. relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and

c. remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

3. The Committee shall (subject to compliance of the Companies Act and other applicable regulations):

a. Establish the Key Result Areas (KRAs) and clear metrics of performance for Chief Executive Officer and Whole-Time Directors against which their performance shall be appraised at the end of the year.

b. Review and approve KRAs and performance metrics for senior management proposed by the Chief Executive Officer.

c. Document the expectations and the actual achievements for a full Board review as may be taken as an audit.

d. Have the responsibility for a) setting the remuneration for the Chief Executive Officer and Whole-Time Directors and, b) review and approval of Senior Management (one level below MD) remuneration proposed by Chief Executive Officer. Remuneration in this context will include salary; performance based variable component and any compensation payments, such as retiral benefits or stock options.

e. Make available its terms of reference, its role, the authority delegated to it by the Board and what it has done for the year under review to the shareholders in a separate section of the chapter on corporate governance in the Annual Report.

4. The Committee shall be able to appoint external consultants for assistance on policy and compensation inputs, whenever required.

5. The Nomination and Remuneration Committee shall comprise of 3 members, all members shall be Non-Executive Directors. The Chairperson of the Committee shall be Independent Director.

6. The Chairperson of the Committee or, in his absence, any other member of the Committee authorized by him in this behalf shall attend the general meetings of the Company.

B. Composition:

The Committee was reconstituted by the Board of Directors of the Company at their Meeting held on January 31, 2023 by inducting Ms. Bhumika Batra, Non-Executive-Independent Director as a Member of the Committee subsequent to the resignation of Mr. Prashant Asher as an Independent Director. The composition of Nomination and Remuneration Committee (NRC) is as follows:

Chairman: Mr. Anil Harish, Independent Director

Members: Ms. Bhumika Batra, Independent Director (appointed w.e.f. January 31, 2023)

Mr. Sudhanshu Tripathi, Non-Executive Director

Mr. Prashant Asher, Independent Director (ceased w.e.f. December 19, 2022)

C. Meetings and Attendance:

The details of meetings held during the year under review and the attendance thereat are as follows:

Number of Meetings: Three (3)

Date of Meetings: August 05, 2022; August 27, 2022 and January 31, 2023.

Attendance:

Name of Members	Number of NRC meetings attended during the financial year 2022-23
Mr. Anil Harish	3
Mr. Prashant Asher ~	2
Ms. Bhumika Batra *	0
Mr. Sudhanshu Tripathi	3

~ Ceased to be member with effect from December 19, 2022.

** Appointed as a member of the Committee with effect from January 31, 2023*

Mr. Anil Harish, Chairman of the Nomination and Remuneration Committee attended the last Annual General Meeting of the Company held on September 27, 2022.

D. Performance Evaluation:

The Nomination and Remuneration Committee has laid down the criteria for evaluation of performance of all directors of the Company as under:

Factor	Attributes
Role & Accountability	➢ Understanding of nature and role of Independent Directors' position
	➢ Understanding of risks associated with the business
	➢ Application of knowledge for rendering advice to Management for resolution of business issues
	➢ Offer constructive challenge to Management strategies and proposals
	➢ Active engagement with the Management and attentiveness to progress of decisions taken
Objectivity	➢ Non-partisan appraisal of issues
	➢ Own recommendations given professionally without tending to majority or popular views
Leadership & Initiative	➢ Heading Board Sub Committees
	➢ Driving any function or identified initiative based on domain knowledge and experience
Personal attributes	➢ Commitment to role & fiduciary responsibilities as a board member
	➢ Attendance and active participation and not done perfunctorily
	➢ Proactive, strategic and lateral thinking

Pursuant to provisions of the Act and SEBI Listing Regulations, during the year under review, the Board has carried out an annual evaluation of its own performance, and that of its committees, Chairperson and Directors facilitated by an Independent external agency M/s. Deloitte Haskins & Sell LLP to ensure objectivity and equality based on above criteria. The process involved evaluation of the effectiveness of the Board, Committees and Individual Directors and Independent feedback from all Board Members. The Independent Directors also evaluated the performance of Non-Independent Directors, Chairman and the Board as a whole. The Independent Directors also reviewed the quality, quantity and timeliness of the flow of information between the Management and the Board and its Committees which is necessary for Board of Directors to effectively and reasonably perform their duties.

The overall performance evaluation exercise was completed to the satisfaction of Board. The Board of Directors deliberated on the outcome of independent external agency review and feedback from Directors.

E. Remuneration Policy:

The Company has adopted a Remuneration Policy for Directors, KMPs and Senior Executives which is annexed as **"Annexure-1"** to this report. The objective of the remuneration policy of the Company is to attract, motivate and retain qualified and expert individuals that the Company needs in order to achieve its strategic and operational objectives, whilst acknowledging the societal context around remuneration and recognizing the interests of the Company's stakeholders.

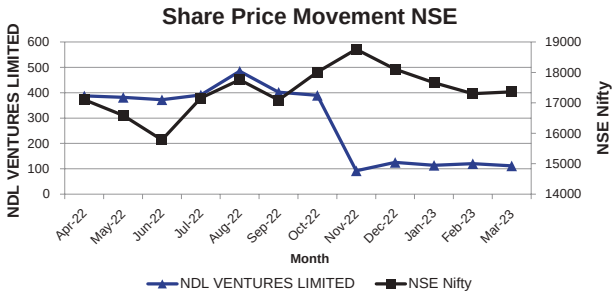
[Source: This information is compiled from the data available from the websites of BSE and NSE]



A. SHARE PRICE MOVEMENT (BSE)

Your Company's closing share price performance on the BSE relative to BSE Sensex closing prices (April 2022 to March 2023).

B. SHARE PRICE MOVEMENT (NSE)

Your Company's closing share price performance on the NSE relative to NSE Nifty closing prices. (April 2022 to March 2023).

15. UNPAID/UNCLAIMED DIVIDEND

Pursuant to Sections 124 and 125 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 **("IEPF Rules")**, dividends, if not claimed for a consecutive period of 7 (seven) years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund **("IEPF")**.

Further, all the shares in respect of such dividends which have not been claimed for a period of 7 (seven) consecutive years are also liable to be transferred to the demat account of the IEPF Authority.

In the interest of the members, the Company sends periodical reminders to the members to claim their dividends in order to avoid transfer of dividends/shares to IEPF Authority. Notices in this regard are also published in the newspapers and the details of unclaimed dividends and members whose shares are liable to be transferred to the IEPF Authority, are uploaded on the Company's website http://ndlventures.in/investors/unclaimed-dividend/

In light of the aforesaid provisions, during the year under review, the Company has credited unpaid/ unclaimed dividend amounting to ₹ 4,09,860/- (Rupees Four Lakhs Nine Thousand Eight Hundred and Sixty Only) to the IEPF for the financial year 2014-15 pursuant to the provisions of Section 124 of the Act and transferred 266 (nos.) equity shares of 10 members to the demat account of the IEPF Authority as per Section 124 of the Act. Accordingly, the voting rights on the shares lying with IEPF Authority shall remain frozen till the rightful owner of such shares claims the shares.

The members who have a claim on above dividend and shares may claim the same from IEPF Authority by submitting an online application in the prescribed Form No. IEPF-5 available on the website www.iepf.gov.in and sending a physical copy of the same, duly signed to the Company, along with requisite documents enumerated in the Form No. IEPF-5. No claims shall lie against the Company in respect of the dividend/shares so transferred.

The unclaimed / unpaid dividend (interim) of ₹ 4,72,903/- (Rupees Four Lakhs Seventy Two Thousand Nine Hundred and Three Only) declared in the financial year 2015-16 has been transferred to the IEPF on May 18, 2023 and details of the same are uploaded on the website of the Company.

3310 (nos.) equity shares, on which the dividend for the financial year 2015-16 and onwards, remained unpaid/ unclaimed for seven consecutive years have been transferred by the Company to IEPF on June 15, 2023.

Those Members who have so far not encashed their dividend warrants for the financial year 2016-17, 2017-18, 2018-19, 2019-20, 2020-21 and 2021-22 are requested to approach the Company's Registrar and Share Transfer Agent (RTA) – Kfin Technologies Limited for claiming the same at the earliest.

16. A. SHARE TRANSFER SYSTEM

As per Regulation 40 of the SEBI Listing Regulations, as amended, securities of listed entities can be transferred only in dematerialized form, with effect from April 1, 2019. Members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Transfers of equity shares in electronic form are effected through the depositories with no involvement of the Company.

Pursuant to SEBI circular dated January 25, 2022, securities of the Company shall be issued in dematerialized form only while processing service requests in relation to issue of duplicate securities certificate, renewal/ exchange of securities certificate, endorsement, sub-division/ splitting of securities certificate, consolidation of securities certificates/folios, transmission and transposition.

SEBI vide its circulars dated November 03, 2021, December 14, 2021, January 25, 2022 and March 16, 2023, has mandated the Companies to alert all holders of physical securities as follows:

a. with effect from January 01, 2022, any service request will be entertained by the RTA only upon registration of PAN, KYC and Nomination details.

b. folios in which PAN / KYC/ Nomination details are not available will be frozen by the RTA with effect from October 01, 2023.

c. that the folios in which PAN is not linked to Aadhaar as on June 30, 2023 or any other date as may be specified by the Central Board of Direct Taxes will also be frozen by the RTA.

d. after December 31, 2025, the frozen folios shall be referred by RTA to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and / or Prevention of Money Laundering Act, 2002. Shareholders holding shares in physical form are requested to furnish / update their PAN, KYC details and Nomination, if not done earlier, with the Company's RTA by using the relevant forms as mentioned at the Company's website at http://ndlventures.in/investors/investors-assistance/

The Company has sent the requisite letters to all the holders of physical securities in line with the above requirement of SEBI Circulars on May 29, 2023.

16. B. DEMATERIALISATION OF SHARES AND LIQUIDITY

The Company has an arrangement with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) for dematerialisation of shares with ISIN INE353A01023. As on March 31, 2023, 98.13% of equity share capital comprising 3,30,39,512 shares were held in dematerialised form.

In accordance with the proviso to Regulation 40(1) of SEBI Listing Regulations, transfers of securities of the Company shall not be processed unless the securities are held in the dematerialised form with a Depository.

Demat status as on March 31, 2023:

The Nomination & Remuneration Committee **("Committee")** is responsible for formulating and making the necessary amendments to the Remuneration Policy for the Directors, KMPs and Senior Executives of the Company from time to time.

(1) formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the board of directors a policy relating to, the remuneration of the directors, key managerial personnel and other employees;

(1A) For every appointment of an independent director, the Nomination and Remuneration Committee shall evaluate the balance of skills, knowledge and experience on the Board and on the basis of such evaluation, prepare a description of the role and capabilities required of an independent director. The person recommended to the Board for appointment as an independent director shall have the capabilities identified in such description. For the purpose of identifying suitable candidates, the Committee may:

a. use the services of an external agencies, if required;

b. consider candidates from a wide range of backgrounds, having due regard to diversify and

c. consider the time commitments of the candidates.

(2) formulation of criteria for evaluation of performance of independent directors and the board of directors;

(3) devising a policy on diversity of board of directors;

(4) identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the board of directors their appointment and removal.

(5) whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors.

(6) recommend to the board, all remuneration, in whatever form, payable to senior management.

The Committee shall, while formulating the policy and making the necessary amendments therein, ensure that:

a) the level and composition of the remuneration is reasonable and sufficient to attract to retain and motivate Directors of the quality required to run the Company successfully;

b) relationship of remuneration to the performance is clear and meets appropriate performance benchmarks; and

c) remuneration to Directors, Key Managerial Personnel and senior management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals

3. Remuneration for Non-Executive Directors

Non-Executive Directors ("NED") are remunerated by way of Sitting Fee for each meeting of the Board/ Committees of the Board attended by them and an annual commission on the profits of the Company. Commission to respective NED is determined on the basis of objective criteria discussed and agreed upon by the Committee Members unanimously. NED's are reimbursed any out of pocket expenses incurred by them for the purpose of the Company.

4. Remuneration for Executive Directors, Key Managerial Personnel (KMP) and Senior Executives

The following elements are taken into consideration for determining the Remuneration of Executive Directors, KMPs and Senior Executives:

- The remuneration policy reflects a balance between the interests of the Company's main stakeholders as well as a balance between the Company's short-term and long-term strategy. As a result, the structure of the remuneration package for the Directors, KMPs and Senior Executives is designed to balance short-term operational performance with the medium and long-term objective of creating sustainable value within the Company, while taking into account the interests of its stakeholders. The Company strives for a high performance in the field of sustainability and aims to maintain a good balance between economic gain, respect for people and concern for the environment.
- To ensure that highly skilled and qualified KMPs/Senior Executives can be attracted and retained, the Company aims for a total remuneration level that is comparable to levels provided by other Companies that are similar to the Company in terms of size and complexity.
- In designing and setting the levels of remuneration for the Directors, KMPs and Senior Executives, the Committee also takes into account the relevant statutory provisions and provisions of the corporate governance regulations, societal and market trends and the interests of stakeholders.
- The Company's policy is to offer the Directors, KMPs and Senior Executives a total compensation comparable to the peer group.

Total Compensation (TC)

The total compensation of the Managing Director and Senior Executives consists of the following components

1. Base salary
2. Variable income –
   - Annual Performance Pay (APP)
   - Performance-related Long-Term Incentive Plan (LTIP)

Base salary

On joining the Company, the Managing Director, KMPs and Senior Executives receive a base salary comparable to the peer group. Every year, base salary levels are reviewed by the Committee.

Variable income

The variable income part of remuneration consists of APP and LTIP. The distribution between APP and LTIP for (on target) performance aims to achieve a proper balance between short-term result and long-term value creation.

The parameters relating to the various elements of the variable income part of the remuneration are established and where necessary adjusted by and at the discretion of the Committee, taking into account the general rules and principles of the remuneration policy itself.

The targets are determined each year by the Committee in consultation with the respective Director/KMPs / Executive, based on historical performance, the operational and strategic outlook of the Company in the short term and expectations of the Company's management and stakeholders, among other things. The targets contribute to the realization of the objective of long-term value creation.

It is one of the long term objectives to reach the proportion of variable compensation upto 50% of the total compensation.

5. Remuneration for other Employees

Remuneration of middle and lower level employees of the Company consists entirely of fixed pay which is reviewed on an annual basis. Increase in the remuneration of employees is effected based on an annual review taking into account performance of the employee and the performance of the Company as well.

6. Employee Stock Options

It is a long term objective of the Company to introduce employee stock options to inculcate a sense of ownership among the employees of the Company

7. Alignment of Remunerations

The Committee strives to achieve that the remunerations of the Directors, Senior Executives, Middle and lower level employees of the Company are aligned to each other.

8. Term of Appointment

The term of appointment of the Managing Director and other Executive Directors is generally for a period of 3 years and renewed for similar periods from time to time, whereas the term of the other employees, generally is upto the age of superannuation. However, the Company may also appoint consultants for shorter periods on need basis.

9. Post Retirement Benefits

All the executive directors and employees are entitled to retirement benefits such as provident fund, superannuation fund and gratuity

10. Severance Arrangements

Contracts of employment with executive directors and regular employees provide for compensation of upto 3 months pay or advance notice of similar period.

11. Loans

There is no system of granting of loans to Directors, KMPs and employees of the Company.

Annexure "2" to the Corporate Governance Report

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Members,
NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)
In Centre, 49/50 MIDC 12th Road,
Andheri (E) Mumbai – 400093.

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of **NDL Ventures Limited** (formerly known as NXTDIGITAL Limited) having CIN L65100MH1985PLC036896 and having registered office at IN CENTRE, 49/50 MIDC, 12th Road, Andheri (E) Mumbai – 400093 (hereinafter referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to me by the Company and its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the financial year ended on March 31, 2023 have been debarred or disqualified from being appointed or continuing as Directors of Companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs, or any such other statutory authority:

Sr. No.	Name of Director	DIN	Date of appointment in Company
1.	Mr. Anil Harish	00001685	November 8, 1995
2..	Ms. Bhumika Batra	03502004	March 11, 2015
3.	Mr. Sudhanshu Tripathi	06431686	August 4, 2015
4.	Mr. Amar Chintopanth	00048789	September 4, 2020
5.	Mr. Munesh Narinder Khanna	00202521	May 13, 2021
6.	Mr. Sachin Pillai	06400793	January 31, 2023

Ensuring the eligibility for the appointment / continuity of every Director on the Board is the responsibility of the management of the Company. Our responsibility is to express an opinion on these based on our verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

CERTIFICATE ON CORPORATE GOVERNANCE

Pursuant to Schedule V Para E of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Members,
NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)
In Centre, 49/50 MIDC 12th Road,
Andheri (E) Mumbai – 400093.

I have examined the compliance of the conditions of Corporate Governance by **NDL Ventures Limited** (formerly known as NXTDIGITAL Limited) ('the Company') for the year ended on March 31, 2023, as stipulated under Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('SEBI Listing Regulations').

The compliance of the conditions of Corporate Governance is the responsibility of the management. My examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of our information and according to the explanations given to me, and the representations made by the Directors and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2023.

I further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Company has during the financial year 2022-23 successfully concluded a demerger of its Digital Media & Communications business to Hinduja Global Solutions Limited, through a Scheme of Arrangement which received final approval of the Hon'ble National Company Law Tribunal on November 11, 2022. The Board of Directors of your Company have approved, subject to shareholders and regulatory approvals, the merger of Hinduja Leyland Finance Limited, a leading Non-Banking Financial Company into the Company. The Company is therefore in a stage of transition to enter into the business of financial services subject to all necessary approvals.

Future plans:

The Company at present has certain land assets in Bangalore. The Company is in negotiations with various parties for disposing the land. While the carrying cost of the land is approximately ₹ 12 Crores, the market value based on an independent valuation is approximately ₹ 180 Crores.

The Board of Directors of the Company have approved, subject to shareholders and regulatory approvals, the merger of Hinduja Leyland Finance Limited, a leading Non Banking Financial Company into the Company. The Company is, therefore, in a stage of transition to enter into the business of financial services subject to all necessary approvals. The Company has made the necessary applications to the Regulatory authorities for approval of the merger.

PERFORMANCE REVIEW

Discussion on financial results:

The Company had during the year placed surplus cash balances with organizations as Inter Corporate Deposits and has earned interest on the same. Apart from this, there was no other major source of income for the Company.

The summary of the financial results for the financial year 2022-23 are given below:

(₹ in Lakh)

For the Year	FY 2022-23	FY 2021-22
Total income	252.11	6930.25
Total expenses	224.71	2608.34
Earnings before tax from continuing operations	27.40	4321.91
Finance Costs	-	-
Depreciation and Amortization	-	-
Profit/(Loss) before tax from continuing operations	27.40	4321.91
Tax Expenses	-	-

(₹ in Lakh)

For the Year	FY 2022-23	FY 2021-22
Net Profit/(loss) after tax from continuing operations	27.40	4321.91
Net Profit/(loss) after tax from discontinuing operations	-	(13221.25)
Net Profit/(loss) for the year	27.40	(8899.24)

Balance Sheet Summary:

(₹ in Lakh)

Particulars	FY 2022-23	FY 2021-22
Liabilities		
Equity & Reserves	6789.37	8109.69
Borrowings	-	-
Lease liabilities	-	-
Other liabilities	1265.57	148.15

COVID-19 Risk

With the impact of COVID 19 pandemic having significantly reduced in the last year, the Company has not had to face any adverse situation impacting either its business or the realizability of its assets or meeting of its obligations.

RISKS, CONCERN AND MITIGATION PLAN

As part of the assessment, the risk slate is periodically revisited through a top-down and bottom-up approach where select employees/risk owners identify key probable risks.

Based on feedback received, risk prioritization is done, key risks are shortlisted and assigned to the risk owners to help them define mitigation plans,

along with key elements for monitoring, including relevant measures and milestones. The identified mitigation plans are monitored at periodic intervals to assess progress and measure if residual risks are within the organization's risk appetite.

The risk management policy of the Company lays down the risk strategy of the Company and helps in determining the risk factor, categorizing the various forms of risks affecting the Company's strategic and financial goals and modes to manage such risks.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY PLEASE TAKE FROM BOARD REPORT

The Company has laid down an adequate system of internal controls, policies and procedures for ensuring orderly and efficient conduct of the business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, timely preparation of reliable financial disclosures and to ensure compliance with regulatory requirements. The internal financial controls are adequate and operating effectively. Effectiveness of internal financial controls is ensured through management reviews, controlled self-assessment and independent testing by the internal audit team.

Your Company has complied with specific requirements as laid under Section 134(5)(e) of the Act, which calls for establishment and implementation of the Internal Financial Control framework that supports compliance with requirements of the Act in relation to the Director's Responsibility Statement.

The management is committed to ensuring an effective internal control environment, commensurate with the size and complexity of the business, which provides an assurance on compliance with internal policies, applicable laws, regulations and protection of resources and assets.

The Company has an Internal Audit function that identifies the critical audit areas with specific reference to operations, accounting, and finance. The Internal Auditor reviews the adequacy of the internal controls and risks in such audit areas every quarter. The audit is based on the Internal Audit Plan, which is reviewed and approved by the Audit Committee. Based on the observations of the Internal Auditor, corrective actions are undertaken by the owners in their respective areas and thereby strengthening the internal controls.

HUMAN RESOURCES/INDUSTRIAL RELATIONS

The Company's human resources system emphasises on the freedom to express views, competitive pay structure, performance-based reward system and growth opportunities and internal job opportunities, critical assignments within the organisation for career options for the employees. It has well-documented and disseminated employee friendly policies to enhance transparency, create a sense of teamwork and trust among employees and align employee interests with organisational strategic goals. The policy assists in a holistic workplace environment and play a key role in right talent on-boarding, talent retention and leadership development. The Company has developed well-designed and documented policies such as Whistleblower policy and Prevention of Sexual Harassment policy in order to prevent discrimination and harassment and discourage any wrong practices. The Company ensures equal access to opportunities in the areas of recruitment, learning & development, career progression and advancement, regardless of gender, age, racial/ethnic background, religion or social status.

CAUTIONARY STATEMENT

Statements in this report describing the Company's objectives, projections, estimates and expectations may be 'forward-looking statements' within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations over which the Company does not have any direct control include among others, climatic conditions, economic conditions affecting demand-supply and price conditions in the domestic market in which the Company operates, changes in the Government regulations, tax laws and other statutes and other incidental factors.

**** The mechanism for customers grievance redressal is provided in Principle 9, point No. 1.

24. Overview of the entity's material responsible business conduct issues. Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format.

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	GHG Emissions	Risk	Electricity and fuel consumption is an energy-intensive activity and generates direct and indirect greenhouse gas (GHG) emissions, including carbon dioxide and methane from fuel use. Uncontrolled pollutants and emissions during operation and associated activities impose legal and environmental risks for the Company	The Company prioritizes sustainable practices and recognize the importance of mitigating greenhouse gas (GHG) emissions.	Negative
2	Climate Change	Risk	Climate change events pose physical risks such as floods and wildfires or transitional risks such as mandatory use of renewable energy regulations. Such events can potentially impact the business. Hence, provide an opportunity to assess and mitigate such risks	The Company's risk mitigation approach for climate change includes assessing and managing the environmental impact of its operations.	Negative
3	Data Security and Privacy	Risk	Companies are assessed based on the amount of personal data they collect, their exposure to evolving or increasing privacy regulations, their vulnerability to potential data breaches, and their data protection systems.	To mitigate data security and privacy risks, the Company has implemented measures such as strong access controls, encryption of sensitive data, regular security audits and employee training on data handling practices.	Negative

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
4	Employee Wellbeing	Risk	Higher employee retention rates convey good Company's policies and practices. However, a high attrition rate indicates low employee satisfaction to investors. Ensuring employee well-being can boost employee morale and reduce hiring and on boarding costs.	The Company focuses on implementing regular health check-ups, promoting work-life balance, offering health support services, and creating a safe and inclusive work environment to ensure the overall well-being and productivity of employees.	Negative
5	Corporate Governance	Risk	Businesses are assessed based on their performance across all key governance issues, which include ownership & control, accounting, business ethics, and tax transparency. This topic examines the effect that a company's corporate governance and business ethics practices have on its shareholders and other investors.	Our mitigation approach for corporate governance involves implementing robust internal controls, conducting regular audits, ensuring compliance with regulatory requirements, fostering a culture of transparency and accountability, and prioritizing strong risk management practices to safeguard stakeholders' interests	Negative
6	Business Ethics	Risk	The key issue relevant to business ethics and management of business ethics issues such as fraud, executive misconduct, corrupt practices, money laundering, or anti-trust violations. Ethics violations can lead to police investigations, hefty fines, settlement costs, and damage to reputation.	The Company ensures ethical practices by implementing a comprehensive risk mitigation approach. We conduct regular training sessions to promote ethical behavior among employees, enforce strict compliance measures, establish strong internal controls, and conduct thorough due diligence on clients. This ensures the protection of our reputation and the trust of our stakeholders.	Negative

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
7	Regulatory Compliance	Risk	Regulatory compliance is of crucial importance for corporations as it helps to ensure that they are operating within the legal and ethical boundaries set by government agencies and industry standards. Failure to comply with these regulations can result in significant financial and reputational consequences for the corporation, including fines, legal action, and damage to their brand and customer trust. We ensure adherence to all applicable laws and regulations, maintain accurate documentation, conduct regular internal audits, provide training to employees, and engage with regulatory authorities to stay updated on evolving requirements.	The Company ensures adherence to all applicable laws and regulations, maintain accurate documentation, conduct regular internal audits, provide training to employees, and engage with regulatory authorities to stay updated on evolving requirements.	Negative
8	Fraud Risk Management	Risk	As a Company, the management of fraud risk is of paramount importance. Fraud can cause significant financial losses and damage the reputation of the Company, leading to loss of customer trust and confidence	The Company implements a robust risk mitigation approach for fraud management. We conduct regular internal audits, establish strong internal controls, promote ethical behavior, and provide ongoing training to employees. By prioritizing proactive measures, we ensure the safety and trust of our stakeholders.	Negative

SECTION B: MANAGEMENT AND PROCESS DISCLOSURES

Policies and processes put in place towards adopting the NGRBC Principles and Core Elements.

The entity does not consider the Principles material to its business (Yes/No)				Not Applicable					
The entity is not at a stage where it is in a position to formulate and implement the policies on specified principles (Yes/No)				Not Applicable					
The entity does not have the financial or/human and technical resources available for the task (Yes/No)				Not Applicable					
It is planned to be done in the next financial year (Yes/No)				Not Applicable					
Any other reason (please specify)				Not Applicable					

SECTION C: PRINCIPLE WISE PERFORMANCE DISCLOSURE

PRINCIPLE 1 : Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.

Essential Indicators

1. Percentage covered by training and awareness programmes on any of the Principles during the financial year:

Segment	Total number of training and awareness programs held	Topics/principles covered under the training and its impact	Percentage of persons in respective category covered by the awareness programmes
Board of Directors	The Directors are regularly updated by the Management on significant developments concerning the Company, industry, business model, risk metrics, and mitigation measures. Independent Directors receive an induction session on their appointment to the Board of Directors. They are provided with necessary documents, reports and internal policies to familiarize themselves with the Company's procedures and practices. The senior management makes presentations at the Board and various Committee Meetings on related matters. These presentations cover the company's strategy, business and performance updates, operations, cyber security, CSR initiatives, regulatory changes, risk management etc. Updates on the Company's financial performance, budget and control process are provided to Directors during the quarterly Board Meetings.		
Key Managerial personnel (KMPs)	Key Managerial Personnel also participate in training and awareness events.		
Employees other than Board of Directors and KMPs	We strive to provide our employees with an inclusive workspace that helps them to grow professionally and personally. The Company believes in promoting employees well-being and providing a supportive environment to all employees and guidelines on employees health and safety		
Workers	Not applicable		

2. Details of fines / penalties /punishment/ award/ compounding fees/ settlement amount paid in proceedings (by the entity or by directors / KMPs) with regulators/ law enforcement agencies/ judicial institutions, in the financial year, in the following format (Note: the entity shall make disclosures on the basis of materiality as specified in Regulation 30 of SEBI (Listing Obligations and Disclosure Obligations) Regulations, 2015 and as disclosed on the entity's website)

   There are no monetary or non-monetary actions on the Company or its Directors / KMPs with regulators / law enforcement agencies / judicial institutions, in the financial year.

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed.

   Not Applicable

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web link to the policy.

   The Company has Code of Conduct covering anti-corruption or anti-bribery policy and the same is accessible on the Company's website at http://ndlventures.in/investors/corporate-policies/. The Company has zero tolerance for any form of bribery or corruption and is committed to acting professionally, fairly, and with integrity in all its business dealings.

   Our Code of Conduct prohibits the employees from taking or giving or offering of bribe or illegal gratification. Employees or their family shall not accept any offer, payment, gift or authorization to pay any money, gift, or anything of value from customers, vendors, consultants or persons associated directly or indirectly with the business of the Company.

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:

   There have been no cases involving disciplinary action by any law enforcement agency for the charges of bribery / corruption against directors / KMPs / employees that have been brought to our attention.

6. Details of complaints with regard to conflict of interest:

   None

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest:

   Not Applicable

PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

Category	Current Financial Year	Previous Financial Year	Details of improvements in environmental and social impacts
R&D	Since, we are not manufacturing any product and have any manufacturing processes, further, the Company is not currently providing any major services, pending proposed merger, therefore, Company has not made any R&D and Capex investments.		
Capex			

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)-

   No, the Company use of resources is mainly limited to electricity, office supplies, communication and IT equipment. Being in the service industry, the Company is less resource-intensive in terms of material requirements. Despite the limited scope, the Company ensures responsible sourcing of all its office requirements.

   b. If yes, what percentage of inputs were sourced sustainably?- Not Applicable

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for –

   (a) Plastics (including packaging) - The Company being in the services sector does not manufacture any products related to Plastics. Measures have been taken to reduce the usage of plastics, such as the replacement of plastic bottles with glass bottles and the use of bio-degradable plastic bags. Further plastic waste if any, is disposed of in an eco-friendly manner.

   (b) E-waste - Our e-waste includes UPS, electrical fittings, mobile phones, laptops, desktops, modems etc. The e-waste is disposed off as per the regulatory guidelines.

   (c) Hazardous waste - Not Applicable. Given the nature of the business, the Company provides services to its customers and does not manufacture any products. Hence, the Company does not produce hazardous waste.

   (d) Other waste. - The food and wet waste are collected by the local government bodies for efficient disposal.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.-

   Not Applicable to the Company, as it is in service industry, it does not manufacture any product.

PRINCIPLE 3: Businesses should respect and promote the well-being of all employees, including those in their value chains

Essential Indicators

1. a. Details of measures for the well-being of employees (Permanent Employees).

Category	% of employees covered by

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.

    Not Applicable

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders.

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

   The Company place great emphasis on stakeholder identification and its pivotal role in the triumph of our projects. Our meticulous approach commences with a thorough analysis to discern the vital stakeholders, encompassing employees, customers, shareholders, government entities, and regulatory authorities. By comprehending the needs and concerns of our stakeholders, we proactively address their expectations, mitigate potential risks, and cultivate enduring relationships that are indispensable to our prosperity. Our stakeholder identification process remains a continuous undertaking, enabling us to remain informed, engaged, and responsive to the ever-evolving needs of our stakeholders.

   Throughout the year, we engage formally and informally with our stakeholders to explore ESG focus areas, along with trends and developments relevant to our industry. We endeavour to consider the views of our stakeholders when we make business decisions by acknowledging their viewpoints and demonstrating respect for our shared priorities. We believe this approach reflects our commitment to transparency and accountability, and ultimately contributes to long–term value. We communicate with our team members through numerous platforms and channels, including town halls, meetings, the internet, internal messages, social media, blog posts, and newsletters that report on Company's sustainability efforts and other key business activities. We will be conducting employee surveys to gauge our team members' views of the Company's vision and strategy, the work environment, work relationships, and job satisfaction.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

S. No.	Stakeholder Group	Whether identified as Vulnerable & Marginalized Group (Yes/No)	Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website), Other	Frequency of engagement (Annually / Half yearly / Quarterly / others – please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagement
1	Shareholders	No	Annual General Meeting, email, Stock Exchange (SE) intimations, annual reports, quarterly results, media releases and Company website	Quarterly	To share updates of the Company and to call for meetings
2	Other Customers	No	Email, SMS, Newspaper, Website	As required	To share new offerings, intimate about interest rate changes
3	Employees	No	Email, Website	As required	To share updates of the Company, health and safety related information and work-related updates
4	Government and Regulators	No	Email	As required	To update on various compliances and to seek approvals
5	Communities	Yes	Meets of community / local authorities / location heads, community visits and projects, partnership with local charities, volunteerism, seminars/ conferences.	Ongoing	We work closely with the community through our various CSR initiatives.

PRINCIPLE 5: Businesses should respect and promote human rights

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity.

   The Company's Code of Conduct and various HR policies demonstrate our commitment to the protection of Human Rights in employment and upholding the highest level of ethical business practices. Our Code of Conduct reiterates its commitment to human rights. We made significant progress in strengthening our culture of diversity and inclusion. That commitment continues to drive our ability to identify and develop the best talent to create an inclusive culture where our workforce can thrive, advocate inclusive behaviour, and integrate diversity and inclusion into our policies and practices. Company's policies and processes are explained in detail to the employees during their induction training.

Parameter	FY 2022-23	FY 2021-22
Water withdrawal by source (in kilolitres)		
(i) Surface water	Nil	Nil
(ii)Groundwater	Nil	Nil
(iii)Third party water	Nil	Nil
(iv)Seawater / desalinated water	Nil	Nil
(v) Others	Nil	Nil
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	Nil	Nil
Total volume of water consumption (in kilolitres)	Nil	Nil
Water intensity per rupee of turnover (Water consumed / turnover)	-	-
Water intensity (optional) – the relevant metric may be selected by the entity. KL / of	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency- No.

Note- Given the nature of business, the Company is into the business of providing services. In addition to this, major business of the Company demerged with Hinduja Global Solutions Limited alongwith concomitant rights, obligations, assets, liabilities, manpower etc. under sanctioned scheme of arrangement by NCLT vide its Order dated November 11, 2022 with effect from appointed dated specified in the scheme i.e. February 1, 2022. Further, the Company water consumption is limited to drinking water and sanitisation. However, the Company undertakes initiatives to save this resource wherever possible. Owing to the nature of business, there is no ground or surface water withdrawal.

4. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation- No.

5. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

   Given the nature of business, this indicator is not applicable.

   Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.- No.

6. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2022-23	FY 2021-22
Total Scope 1 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)		Nil	Nil
Total Scope 2 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)		Nil	Nil
Total Scope 1 and Scope 2 emissions per rupee of turnover	/ rupee of turnover	-	-
Total Scope 1 and Scope 2 emission intensity (optional) – the relevant metric may be selected by the entity	/ of	-	-

   Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency- No.

   Note - The Company operates in the service sector, hence the likelihood that GHGs emission is either negligible or non-existent.

7. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

   The Company operates in the service sector, the likelihood that GHGs emission is very low or non-existent. The Company does not have any specific project. The Company is dedicated to reducing its overall emissions resulting from operations. To achieve this goal, the Company continuously evaluates how its operations affect the environment, identifies key factors that contribute to its impact. One of the keyways the Company achieves this is by ensuring low electricity consumption through a variety of energy-saving measures and the Company has adopted one of the measures i.e. using LED lighting.

8. Provide details related to waste management by the entity, in the following format:

Parameter	FY2022-23	FY2021-22
Total Waste generated (in metric tonnes)		
Plastic waste (A)	Nil	Nil
E-waste(B)	Nil	Nil
Bio-medical waste (C)	Nil	Nil
Construction and demolition waste (D)	Nil	Nil
Battery waste (E)	Nil	Nil
Radioactive waste (F)	Nil	Nil
Other Hazardous waste.Please specify, if any. (G)	Nil	Nil
Other Non-hazardous waste generated (H). Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)	Nil	Nil
Total (A + B + C + D + E + F + G + H)	-	-
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		

Parameter	FY2022-23	FY2021-22
Category of waste		
(i) Recycled	Nil	Nil
(ii) Re-used	Nil	Nil
(iii) Other recovery operations	Nil	Nil
Total	**-**	**-**

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.- No.

Note- Given the nature of business, the Company is into the business of providing services. In addition to this, major business of the Company demerged with Hinduja Global Solutions Limited alongwith concomitant rights, obligations, assets, liabilities, manpower etc. under sanctioned scheme of arrangement by NCLT vide its Order dated November 11, 2022 with effect from appointed dated specified in the scheme i.e. February 1, 2022. Accordingly, details of waste management under this indicator are miniscule, hence, not reportable.

9. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.-

   Given the nature of the business, there is no usage of hazardous and toxic chemicals by the Company. We strive for minimum generation of waste in our offices and ensure that the waste is disposed-off in an eco-friendly manner.

10. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
Our office is not located in ecologically sensitive site.			

11. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

S. No.	Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
Not Applicable						

12. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

S. No.	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
Yes, the Company follows all the applicable environmental laws / regulations / guidelines in India. No fine/ penalty/action was initiated against the entity under any of the applicable environmental laws / regulations / guidelines				

PRINCIPLE 7: Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations - Nil

   b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to. – Not Applicable

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities.

   No Adverse order form Regulatory Authorities passed on any issues related to anti-competitive conduct by the entity.

PRINCIPLE 8: Businesses should promote inclusive growth and equitable development

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

   There is no statutory obligation for the Company to provide the funds for CSR activities, therefore, no Social Impact Assessment of Projects have been undertaken by the Company in the current financial year.

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

   Not Applicable

3. Describe the mechanisms to receive and redress grievances of the community.

   The Company interacts with the community to understand and address their concerns. After interacting with the community, the Company makes a plan on how the issues can be sorted out and takes appropriate action for the same.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

Category	Current Financial Year	Previous Financial Year
Directly sourced from MSMEs/ small producers	Not Applicable considering the business model of the Company.	
Sourced directly from within the district and neighbouring districts		

PRINCIPLE 9: Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.-

   Customer satisfaction is a top priority of the Company and we have established several mechanisms to address customer queries, complaints, and suggestions. All queries are promptly recorded and forwarded to the relevant departments for resolution.

2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:

Category	As a percentage to total turnover
Environmental and social parameters relevant to the product	Not Applicable
Safe and responsible usage	Not Applicable
Recycling and/or safe disposal	Not Applicable

3. Number of consumer complaints in respect of the following:

	FY 2022-23			FY 2021-22		
	Received during the year	Pending resolution at end of year	Remarks	Received during the year	Pending resolution at end of year	Remarks
Data privacy	Nil	Nil	Not Applicable	Nil	Nil	Not Applicable
Advertising	Nil	Nil	Not Applicable	Nil	Nil	Not Applicable
Cyber-security	Nil	Nil	Not Applicable	Nil	Nil	Not Applicable
Delivery of essential services	Nil	Nil	Not Applicable	Nil	Nil	Not Applicable
Restrictive Trade Practices	Nil	Nil	Not Applicable	Nil	Nil	Not Applicable
Unfair Trade Practices	Nil	Nil	Not Applicable	Nil	Nil	Not Applicable
Other	Nil	Nil	Not Applicable	Nil	Nil	Not Applicable

4. Details of instances of product recalls on account of safety issues:

Category	Number	Reasons for recall
Voluntary recalls	Not Applicable	Not Applicable
Forced recalls	Not Applicable	Not Applicable

Considering the nature of Company's business, instances of product recalls on account of safety issues did not arise.

5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Yes, the policy is placed on the website of the Company at http://ndlventures.in/investors/corporate-policies/

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services.

Not Applicable (No penalties/regulatory action has been levied/ taken on the above-mentioned parameters)

Annexure "F" to the Board's Report

Form No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)
In Centre, 49/50 MIDC 12th Road,
Andheri (E) Mumbai – 400093.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **NDL Ventures Limited** (formerly known as NXTDIGITAL Limited) **("the Company")**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended March 31, 2023 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;

2. Foreign Exchange Management Act, 1999 ('FEMA') and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, overseas Direct Investment and External Commercial Borrowings;

3. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;

4. The Depositories Act, 1996 and the Regulations and Bye- Laws framed there under;

5. The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable: -

(a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

(b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

(c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **(to the extent applicable)**

(d) The Securities and Exchange Board of India (Share Based Employee Benefits Sweat Equity) Regulations, 2021; **(Not Applicable)**

(e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 **(Not Applicable)**

(f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not Applicable)**

(g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 **(Not Applicable)**;

(h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not Applicable)**

(i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

(j) The Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2019; and

(k) The Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003.

6. Laws specifically applicable to the industry to which the Company belongs up to November 12, 2022, as identified by the management, that is to say:

   (a) Information Technology Act, 2000

   (b) Cable Television Networks (Regulation) Act, 1995

   (c) Cable Television Network (Regulation) Rules, 1994

   (d) Indian Telegraph Act, 1885

   (e) Telecom Regulatory Authority of India Act, 1997 and regulations, guidelines and directions issued by the Telecom Regulatory Authority of India (TRAI)

Subsequently, Digital, Media and Communications Business of the Company was demerged/transferred into Hinduja Global Solutions Limited vide Order dated November 11, 2022 issued by Hon'ble National Company Law Tribunal, Mumbai Bench.

7. Other laws to the extent applicable to the Company as per the representations made by the Company;

   I have also examined compliance with the applicable clauses of the following:

   (1) Secretarial Standards issued pursuant to section 118(10) of the Act, by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the above-mentioned Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate Notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance except in certain cases, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per minutes of the meetings duly recorded and signed by the Chairman, no dissenting views have been recorded.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period:

1. The Scheme of Arrangement between the Company and Hinduja Global Solutions Limited was duly approved by the Shareholders of the Company at the NCLT convened meeting held on September 2, 2022 and by the Hon'ble National Company Law Tribunal, Mumbai Bench vide their Order dated November 11, 2022.

2. The company has altered the Memorandum of Association and made necessary changes in the main object clauses, and the said alteration has been approved by the shareholders in the Annual General Meeting held on September 27, 2022 and subsequent approval of the Registrar of Companies vide the Certificate of Registration of Special Resolution confirming alteration of object clause(s) dated October 27, 2022.

3. The Company has changed its name from "NXTDIGITAL LIMITED" to "NDL VENTURES LIMITED", pursuant to approval by the Shareholders of the Company through postal ballot on January 28, 2023 and subsequent approval of the Registrar of Companies vide the Certificate of Incorporation dated April 20, 2023.

4. Mr. Sachin Sundaram Pillai has been appointed as the Non-Executive – Non Independent Director of the Company by the Board of Directors on January 31, 2023 and the said appointment was approved by the Shareholders of the Company through postal ballot after the completion of the financial year ended March 31, 2023, i.e. on April 19, 2023.

5. Approval of the Shareholders was sought with respect to the material related party transactions with Hinduja Realty Ventures Limited, Hinduja Global Solutions Limited, IndusInd Media & Communications Limited, IN Entertainment (India) Limited, and OneOTT Intertainment Limited, all for the financial year 2023-24, through postal ballot and the transactions were approved by the Shareholders after the completion of the financial year ended March 31, 2023 i.e., on April 19, 2023.

ANNUAL CORPORATE SOCIAL RESPONSIBILITY ("CSR") REPORT

(Pursuant to Section 135 of the Companies Act, 2013)

1. Brief outline on CSR Policy of the Company

NDL Ventures Limited (formerly known as NXTDIGITAL Limited) (hereinafter referred to as the "Company") is inspired by the pioneering thoughts of late Shri Parmanand Deepchand Hinduja- Founder of the Hinduja Group. For us, at NDL Ventures Limited, Corporate Social Responsibility (CSR) encompasses engagements in socially relevant events for the under-privileged sections of society. Our commitment to CSR is focused on initiatives that make a constructive contribution to the community and encourage sustainable development.

Programs:

Taking note of the importance of synergy and interdependence at various levels, the Company has adopted a strategy for working directly or in partnership, whichever appropriate.

- Priority is given to Rural Development and Education.
- However, specific programs might be expanded beyond this purview and upscaled.
- All the CSR spends would be formulated based on need assessment using different quantitative and qualitative methods.
- All the interventions would be adopted based on concurrent evaluations and knowledge management through process documentation.
- Social Mobilization, advocacy at various levels, and appropriate policy changes form part of the interventions in each sector.

2. Composition of CSR Committee:

SL. No.	Name of Director	Designation / Nature of Directorship	Number of meetings of CSR Committee held during the year	Number of meetings of CSR Committee attended during the year
1.	Mr. Munesh Khanna (w.e.f. January 31, 2023)	Chairman - Independent Director	1	1
2.	Mr. Prashant Asher (Till December 19, 2022)	Chairman - Independent Director	1	1
3.	Mr. Sudhanshu Tripathi	Member - Non-Executive Director	1	1
4.	Mr. Amar Chintopanth	Member - Whole-Time Director & CFO	1	1

During the year ended March 31, 2023, a meeting of CSR Committee was held on March 3, 2023.

3. Web-link where Composition of CSR committee, CSR Policy and CSR projects are disclosed on the website of the Company

The Members of NDL Ventures Limited
(Formerly known as NXTDIGITAL Limited)

Report on the Audit of the Financial Statements

1. We have audited the accompanying Financial Statements of **NDL Ventures Limited** (formerly known as NXTDIGITAL Limited) **("the Company")**, which comprise the Balance Sheet as at March 31, 2023, the statement of Profit and Loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year ended on that date and notes to the Financial Statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

   In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and are in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("IND AS") and other accounting principles generally accepted in India and give a true and fair view of the state of affairs of the Company as at March 31, 2023 and its profit, total comprehensive income, the statement of cash flows and the statement of changes in equity for the year ended on that date.

   Basis of Opinion

2. We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

   Key Audit Matters

3. Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

   Discontinued Operations

   Pursuant to the Scheme of Arrangement (the 'scheme'), duly sanctioned by the National Company Law Tribunal, Mumbai Bench (NCLT) vide its Order dated November 11, 2022 with effect from the Appointed Date i.e., February 01, 2022, the digital, media and communications business activities of development, operation, marketing, sale and distribution of television channels through the medium of various modes of transmission undertaken by the Demerged Company and investment in its subsidiaries (Demerged Undertaking) of the Company stands transferred to and vested in Hinduja Global Solutions Limited" (Resulting Company) as a going concern.

   We have identified this transaction relating to discontinued operations, as a key audit matter because of significant complexities in its accounting and disclosure requirements.

   Principle Audit Procedures

   We obtained and read the key documents relating to the transfer of the Demerged Undertakings (scheme of arrangement and approval granted by NCLT).

   We have evaluated whether the method of accounting followed by the Company is in accordance with the scheme approved by NCLT and the relevant accounting guidelines.

   We assessed the adequacy and appropriateness of the disclosures in the Financial Statements, relating to the discontinued operations and the transfer of segment, as required by the Indian accounting standards.

   Based on the above procedures performed, the method of accounting and disclosures relating to the transfer of the Demerged Undertakings are considered to be adequate and reasonable.

Independent Auditor's Report

Information other than the Financial Statements and Auditor's Report Thereon

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Board's report, but does not include the Financial Statements and our auditors report thereon.

   Our opinion on the Financial Statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work, we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the Financial Statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements, that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and free from material misstatement, whether due to fraud or error.

   In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or cease the Company's operations, or has no realistic alternative but to do so.

   The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements:

6. Our objectives are to obtain reasonable assurance about whether the Financial Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material, if individually or in the aggregate, they could reasonably be expected to influence economic decision of users taken on the basis of these Financial Statements.

   As part of an audit in accordance with SAs, we exercise professional judgment and maintain profession skepticism throughout the audit. We also,

   - Identify and assess the risks of material misstatement of the Financial Statements whether due to fraud or error design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for resulting from error as fraud may involve collusion forgery, intentional omissions, misrepresentation or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing an opinion on whether the Company has adequate internal financials controls system in place and operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management use of the going concern basis of accounting and based on the audit evidence obtained whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that material

Independent Auditor's Report

uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Company to cease to continue as a going concern.

- Evaluate the overall presentation structure and content of the Financial Statements including the disclosures and whether the Financial Statements represent the underlying transactions and events in the manner that achieves fair presentation.

We consider quantitative materiality and qualitative factors in (i) planning of the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding among other matters the planned scope and timing of the significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied relevant ethical requirements independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We have relied on the report of the predecessor auditor on the comparative financial information for the year ended March 31, 2022 who expressed an unmodified opinion vide their audit report dated May 18, 2022. We further draw attention to Note no. 19 of the Financial Statements with respect to Scheme of Arrangement (the 'scheme'), duly sanctioned by the National Company Law Tribunal, Mumbai Bench vide its Order dated November 11, 2022 with effect from the Appointed Date i.e., February 01, 2022. The scheme has been considered and accordingly the Financial Statements for the year ended March 31, 2022, have been restated. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

7. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure A" a statement on the matters specified in the order.

8. As required by Section 143(3) of the Act, we further report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account;

   d) In our opinion, the aforesaid Financial Statements comply with the IND AS specified under section 133 of the Act.

   e) On the basis of the written representations received from the Directors as on March 31, 2023 taken on record by the Board of Directors, none of the Directors are disqualified as on March 31, 2023 from being appointed as a Director in terms of Section 164(2) of the Act.

   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.

Independent Auditor's Report

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

- The Company has shown the impact of pending litigation in the Financial Statements – Refer note 22 of the Financial Statements.
- The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses; and
- There has been no delay in transferring amounts, required to be transferred, to the Investors Eduction and Protection Fund by the Company.
- A) The Management has represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

  B) The Management has represented, that, to the best of their knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

  C) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard, nothing has come to our notice that has caused us to believe that the representations under sub-clause A) and B) above, contain any material mis-statement.

h) As stated in Note no 33(b) to the Financial Statements:

- The final dividend proposed in the previous year, declared and paid by the company during the year is in compliance with Section 123 of the Act as applicable;
- The Board of directors of the company have proposed a final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in compliance with Section 123 of the Act as applicable.

i) In our opinion, according to information, explanations given to us, the remuneration paid / provided by the company to its director during the year is in accordance with the provisions of Section 197 of the Act and the rules thereunder.

9. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, as amended is applicable for the Company only w.e.f. April 1, 2023, therefore, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended, is not applicable.

Yours Sincerely,

'Annexure A' To The Independent Auditor's Report

(Referred to in paragraph 7 under 'Report on other Legal and Regulatory Requirements' section of our report of even date)

(i) a) The Company does not have anything held under Property, Plant and Equipment hence reporting under clause (i)(a) of the Order is not applicable.

b) According to the information and explanation given to us, the Company is not required to get the the Property, plant and equipment physically verified by the Management in accordance with the regular programme of verification.

c) The Company does not have any immoveable properties of freehold or leasehold land and building and hence reporting under clause (i)(c) of the Order is not applicable.

d) According to the information and explanations given to us, the Company has not revalued its property, plant and Equipment (including Right of Use assets) and its intangible assets. Accordingly, the requirements under paragraph 3(i)(d) of the Order are not applicable to the Company.

e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder. Accordingly, the provisions stated in paragraph 3(i)(e) of the Order are not applicable to the Company.

(ii) According to the information and explanations given to us and based on our examination of the records of the company, we report that;

a) In respect of the inventory (Land), physical verification of the title deed and regular site visit were done by the management and no material discrepancies were noticed on such verification.

b) The Company has not been sanctioned working capital limits. Accordingly, the requirement under paragraph 3(ii)(b) of the Order is not applicable to the Company.

(iii) According to the information and explanations provided to us, the Company has granted a loan repayable on demand. The details of the same are as follows:

	All Parties	Promoters	Related Parties
Aggregate amount of loans/ advances in nature of loans - Repayable on demand (A) - Agreement does not specify any terms or period of repayment (B)	₹ 5400 Lakhs -	- -	₹ 5400 Lakhs -
Total (A+B)	₹ 5400 Lakhs		₹ 5400 Lakhs
Percentage of loans/ advances in nature of loans to the total Loans			100%

(iv) In our opinion and according to the information and explanations given to us, the company has not either directly or indirectly, granted any loan to any of its directors or to any other person in whom the director is interested, in accordance with the provisions of section 185 of the Act and the Company has not made investments through more than two layers of investment companies in accordance with the provisions of section 186 of the Act. Accordingly, provisions stated in paragraph 3(iv) of the Order are not applicable to the Company.

(v) According to the information and explanations given to us, the Company has not accepted any deposit during the year and hence directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provision of the act and rules framed thereunder are not applicable.

(vi) Having regard to the nature of the company's business/activities, reporting under clause (vi) of the Order with respect to maintenance of cost records under section 148(1) of the Act is not applicable.

(vii) According to the information and explanations given to us and based on our examination of the records of the Company, we report that in respect of statutory dues:

a) The Company has generally been regular in depositing undisputed statutory dues including provident fund, income tax, Goods and Service tax and other material statutory dues applicable to it to the appropriate authorities.

'Annexure A' To The Independent Auditor's Report

b) There were no undisputed amounts payable in respects of provident fund, income tax, Goods and Service tax, cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.

(viii) According to the information and explanations given to us, there are no transactions which are not accounted in the books of account which have been surrendered or disclosed as income during the year in Tax Assessment of the Company. Also, there is no previously unrecorded income which has been now recorded in the books of account. Hence, the provision stated in paragraph 3(viii) of the Order is not applicable to the Company.

(ix) According to the information and explanations given to us and based on our examination of the records of the Company, we report that;

a) There are no loans or borrowings made by the Company and hence the provision stated in paragraph 3(ix)(a) of the Order is not applicable.

b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

c) No money was raised by way of term loans. Accordingly, the provision stated in paragraph 3(ix)(c) of the Order is not applicable to the Company.

d) There are no funds raised on short term basis. Accordingly, the provision stated in paragraph 3(ix)(d) of the Order is not applicable to the Company.

e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

f) The Company has not raised loans during the year on the pledge of securities held in its securities, joint ventures or associate companies.

(x) According to the information and explanations given to us and based on our examination of the records of the Company, we report that;

a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the provisions stated in paragraph 3 (x)(a) of the Order are not applicable to the Company.

b) The Company has not made any preferential allotment or private placement of shares or convertible debenture (fully or partly or optionally) during the year and hence reporting under clause (x)(b) of the Order is not applicable to Company.

(xi) According to the information and explanations given to us and based on our examination of the records of the company, we report that;

a) During the course of our audit, examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company nor on the Company.

(xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the provisions stated in paragraph (xii) (a) to (c) of the Order are not applicable to the Company.

(xiii) According to the information and explanations given to us and based of our examination of the records of the company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the Financial Statements as required by the applicable accounting standards.

(xiv) In our opinion and based on our examination, the Company does not require to comply with provision of Section 138 of the Act. Hence, the provisions stated in paragraph 3(xiv) (a) to (b) of the Order are not applicable to the Company.

(xv) In our opinion, during the year, the Company has not entered into any non-cash transactions with any of its directors or persons connected with such directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi) According to the information and explanations give to us, in respect of Registration RBI Act:

a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

b) The Company has not conducted any Non-Banking Financial activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year

(xviii) There has been resignation of the statutory auditors during the year due to guidelines issued by Reserve Bank of India for appointment of statutory auditors via RBI/2021-22/25 Ref.No.Dos.CO.ARG.SEC.01/ 08.91.001/2021-22 dated April 27, 2021 and there were no issues, objections or concerns raised by the outgoing auditors.

(xix) According to the information and explanations given to us and based on our examination of financial ratios, ageing and expected date of realization of financial assets and payment of liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of audit report and the Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) According to the information and explanations given to us, the provisions of Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause (xx)(a) and clause (xx)(b) of the Order is not applicable to the Company.

(xxi) Since the Company is a standalone entity, hence reporting under clause (xxi) of the Order with respect to qualifications or adverse remarks in CARO reports of group companies is not applicable.

Yours Sincerely,
For **S K Patodia & Associates**

'Annexure B' To The Independent Auditor's Report

(Referred to in paragraph 8(f) under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **NDL Ventures Limited** (formerly known as NXTDIGITAL Limited) **("the Company")** as of March 31, 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.

2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

'Annexure B' To The Independent Auditor's Report

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit issued by the ICAI.

Notes to the financial statements for the year ended March 31, 2023

1. Corporate information

NDL Ventures Limited (formerly known as NXTDIGITAL Limited) ("the Company") is a public limited company incorporated and domiciled in India and governed by the Companies Act, 2013 ("Act"). The Company's registered office is situated at IN CENTRE, 49/50, MIDC, Andheri East, Mumbai – 400 093, Maharashtra, India.

The Company's equity shares are listed on two stock exchanges in India namely, National Stock Exchange of India Limited and BSE Limited.

The name of the Company "NXTDIGITAL Limited" is changed to "NDL Ventures Limited" vide revised certificate of incorporation dated April 20, 2023 issued by Ministry of Corporate Affairs/Registrar of Companies.

A. Basis of Preparation of Financial Statements

1. Statement of compliance

These Financial Statements are the separate Financial Statements of the Company prepared in accordance with Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

2. Functional and Presentation currency

The Financial Statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest Lakh, unless otherwise indicated.

3. Basis of measurement

The Financial Statements have been prepared on the historical cost basis except certain financial instruments that are measured at fair values at the end of each reporting period as explained.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly and
- Level 3 inputs are unobservable inputs for the asset or liability.

All assets and liabilities have been classified as current or non-current as per Company normal operating cycle and presented as per criteria set out in the Division II format of Schedule III to the Act. The Company has identified its operating cycle as twelve months.

Notes to the financial statements for the year ended March 31, 2023

B. Significant Accounting Policies

The significant accounting policies are detailed below

B.1 Use of Estimates

The preparation of financial statements are in conformity with the recognition and measurement principles of Ind AS which requires management to make critical judgments, estimates and assumptions that affect the reporting of assets, liabilities, income and expenditure.

Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions to the estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amount of assets and liabilities within the next financial year, is in respect of:

1. Useful lives of property, plant and equipment (refer note no. B.6)
2. Impairment of property, plant and equipment as well as intangible assets (refer note no. B.8)
3. Employee benefits (refer note no. B.4)
4. Expense Provisions & contingent liabilities (refer note no. B.10)
5. Valuation of deferred tax assets (refer note no. B.5)

B.2 Revenue recognition

The Company has adopted Ind AS 115 “Revenue from Contracts with Customers” which sets forth a single comprehensive model for recognising and reporting revenues.

Revenue is recognised upon transfer of control of promised services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those services in the normal course of business.

To recognise revenues, we apply the following five step approach:

(1) identify the contract with a customer,

(2) identify the performance obligations in the contract,

(3) determine the transaction price,

(4) allocate the transaction price to the performance obligations in the contract and

(5) recognise revenues when a performance obligation is satisfied.

Performance obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to the client and is the unit of accounting in Ind AS 115.

The performance obligations of the Company are satisfied over time as services are rendered.

Determination of transaction price

Revenue is measured based on transaction price which includes variable consideration only to the extent it is probable that a significant reversal of revenues recognised will not occur when the uncertainty associated with the variable consideration is resolved. Revenues also exclude taxes collected from customers.

Allocation of transaction price

A contract’s transaction price is allocated to each distinct performance obligation and recognised as revenue when, or as, the performance obligation is satisfied. For contracts with multiple performance obligations, we allocate the contract’s transaction price to each performance obligation based on the relative standalone selling price. The primary method used to estimate standalone selling price is the adjusted market assessment approach, under

which the Company evaluates the price in that market that a customer is willing to pay for those services. While determining relative standalone selling price and identifying separate performance obligations require judgment, generally relative standalone selling prices and the separate performance obligations are readily identifiable as we sell those performance obligations unaccompanied by other performance obligations.

Rendering of other services

Revenue from services is recognised when the services are rendered in accordance with the specific terms of contract and when collectability of the resulting receivable is reasonably assured.

Interest Income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Dividend Income

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Other Income

Other income comprises of income from ancillary activities incidental to the operations of the Company and is recognised when the right to receive the income is established as per the terms of the contract.

Accounting treatment of assets and liabilities arising in course of sale of goods and services is set out below:

Trade receivable

Trade receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due)

Contract balances

Contract Asset

A contract asset is right to consideration in exchange of services that the company has rendered to a customer when that right is conditioned on something other than passage of time. Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract Liability

A contract liability is the obligation to render services to a customer for which the company has received consideration from the customer. If a customer pays consideration before the company renders services to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Company renders services as per the contract.

B.3 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in statement of profit or loss in the period in which they are incurred.

B.4 Employee benefits

Employee benefits include contributions to provident fund, employee state insurance scheme, gratuity fund, compensated absences, pension and post-employment medical benefits.

Notes to the financial statements for the year ended March 31, 2023

Retirement benefit costs and termination benefits

Payments to defined contribution plans i.e., Company's contribution to Government administered provident fund, superannuation fund and State plans namely Employees State Insurance and Employees' Pension Scheme other funds are determined under the relevant schemes and/ or statute and charged to the Statement of Profit and Loss in the period when the services are rendered by the employees entitling them to the contributions and the Company has no further obligation beyond making its contribution.

For defined benefit plans i.e. Company's liability towards gratuity (unfunded), other retirement/ terminations benefits and compensated absences, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Re-measurement.

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to statement of profit or loss. Past service cost is recognised in statement of profit or loss in the period of a plan amendment Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

Short-term employee benefits

A liability is recognised for benefits accruing to employees in respect of salaries, performance incentives, annual leave, medical benefits and other short term benefits in the period the related service is rendered, at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Long-term employee benefits

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

B.5 Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax for the year are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

Provisions for current income taxes and advance taxes paid in respect of the same jurisdiction are presented in the balance sheet after offsetting these balances on an assessment year basis.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be

available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

B.6 Property, plant and equipment

Cost

Property, plant and equipment held for use in the supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost (net of duty / tax credit availed) less accumulated depreciation / amortisation and accumulated impairment loss if any. Cost includes freight, duties, taxes, professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

The residual values and useful lives of Property, plant and equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.

Subsequent expenditure

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is possible that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of profit or loss during the reporting period in which they are incurred.

Depreciation / amortisation

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives of the assets specified in Schedule II of the Companies Act, 2013, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Particulars	Estimated Useful life
Plant and machinery	6-18 years
Office Equipment	5 years
Computers	3 years
Furniture and fixtures	10 years
Vehicles	8 years

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of Property, Plant and Equipment.

Notes to the financial statements for the year ended March 31, 2023

De-recognition

An item of property, plant and equipment is derecognized upon disposal or retired from active use or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of profit or loss in the year of occurrence.

B.7 Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately is capitalised and carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Useful lives of intangible asset

Estimated useful lives of the intangible asset is carried out by the management based on technical assessment.

De-recognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in profit or loss when the asset is derecognised.

B.8 Impairment of tangible and intangible assets

At the end of each reporting period, the Company determines whether there is any indication that its assets have suffered an impairment loss with reference to their carrying amounts. If any indication of impairment exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and value in use) of such assets is estimated and impairment is recognized, if the carrying amount exceeds the recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

B.9 Inventory

Real Estate (Land) inventories are stated at lower of cost and net realisable value. Cost includes cost of land, registration charges, stamp duty, brokerage costs and incidental expenses. Net realisable value represents the estimated selling price for inventories less all estimated costs necessary to make the sale.

B.10 Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

Provisions and contingent liabilities are reviewed at each balance sheet date.

B.11 Non-current assets held for sale (Discontinued operation)

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations. The results of discontinued operations are presented separately in the statement of profit and loss.

Non-current assets are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and its sale is highly probable. The Management must be committed to the sale, which should be expected to qualify for recognition as completed sale within one year from the date of classification as held for sale, and actions required to complete the plan of sale should indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Upon classification, non-current assets held for sale are measured at the lower of carrying amount and fair value less costs to sell and are presented separately from the other assets under 'Current Assets' in the balance sheet. Liabilities associated if any, with non-current assets classified as held for sale, are disclosed under 'Current liabilities' in the Balance Sheet.

B.12 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

After initial recognition

(i) Financial assets (other than investments and derivative instruments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flow and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Interest Income on such debt instruments is recognised in profit or loss and is included in the "Revenue from Operations".

Notes to the financial statements for the year ended March 31, 2023

(ii) Financial assets (i.e. derivative instruments and investments in instruments other than equity of subsidiaries and associates) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g. any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the "Revenue from Operations".

Investments in equity instruments of subsidiaries and other equity instruments

The Company measures its investments in equity instruments of subsidiaries at cost less impairment, if any, in accordance with Ind AS 27.

All other equity investments are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the Company has irrevocable option to present in OCI subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Where the Company classifies equity instruments as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

Impairment of financial assets

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive, discounted at the original effective interest rate) and credit risk exposure on the following financial assets;

a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.

b) Trade receivables - The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit losses at each reporting date, right from its initial recognition. Trade receivables are tested for credit impairment on a specific basis after considering the sanctioned credit limits, security like letters of credit, security deposit collected etc. and expectations about future cash flows.

Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, it estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units' ('CGU') fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent to those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. For the purpose of assessing impairment of the cash inflows from other assets or Company's assets cash-generating units (CGU).

Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

Reassessment of the discount rates, revisiting the growth rates factored while arriving at terminal value and subjecting these variables to sensitivity analysis.

De-recognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue, or cancellation of the Company's own equity instruments.

Financial liabilities

All financial liabilities (other than derivative instruments) are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

B.13 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term deposits (with an original maturity of three months or less) highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management.

B.14 Cash flow statement

Cash Flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing, and financing activities of the Company are segregated.

Notes to the financial statements for the year ended March 31, 2023

B.15 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

B.16 Critical accounting judgments and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the financial statements that are not readily apparent from other sources. The judgements, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the critical judgements and estimations that have been made by the Management in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements and/or key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

(i) Taxation

Tax expense is calculated using applicable tax rate and laws that have been enacted or substantially enacted. In arriving at taxable profit and all tax bases of assets and liabilities, the Company determines the taxability based on tax enactments, relevant judicial pronouncements and tax expert opinions, and makes appropriate provisions which includes an estimation of the likely outcome of any open tax assessments / litigations. Any difference is recognised on closure of assessment or in the period in which they are agreed.

Deferred income tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, unabsorbed depreciation and unused tax credits could be utilised.

(ii) Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuations in order to determine the fair values based on the appropriate valuation techniques and inputs to fair value measurements.

(iii) Estimation of defined benefit plans

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates, and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligation.

(iv) Contingent liabilities

Contingent liabilities are not recognised in the financial statements but are disclosed in the notes. They are assessed continually to determine whether an outflow of resources embodying economic benefits has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as a contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

Notes to the financial statements
for the year ended March 31, 2023

B.17 Foreign currency transactions

Foreign exchange transactions are recorded using the exchange rates which approximate to the rates prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date.

Any income or expense on account of exchange difference either on settlement or translation of monetary items is recognised in the Statement of profit and loss.

B.18 Changes in Accounting Standards and other recent accounting pronouncements

In March 2023, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment Rules, 2023 which amended certain Ind AS as explained below:

Ind AS 1 – Presentation of Financial Statements

The amendment prescribes disclosure of material accounting policies instead of significant accounting policies. The impact of the amendment on the Financial Statements is expected to be insignificant basis the preliminary evaluation.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendment added definition of accounting estimate and clarifies what is accounting estimate and treatment of change in the accounting estimate and accounting policy. There is no impact of the amendment on the Financial Statements basis the preliminary evaluation.

Ind AS 12 – Income taxes

The definition of deferred tax asset and deferred tax liability is amended to apply initial recognition exception on assets and liabilities that does not give rise to equal taxable and deductible temporary differences. There is no impact of the amendment on the Financial Statements basis the preliminary evaluation.

The above amendments are effective from annual periods beginning on or after 1st April, 2023.

Description of nature and purposes of reserves :

(i) Capital Reserve :

Excess of net assets acquired over consideration paid/payable.

(ii) Securties premium :

This reserve represent the premium on issue of shares and can be utilised in accordance with the provisions of the Companies Act, 2013.

(iii) Retained earnings :

This reserve represents the surplus of the statement of profit and loss. The amount can be distributed by the company as dividends to its equity shareholders and is determined based on the financial statements of the Company and also considering the requirements of the Companies Act, 2013.

(iv) Reserve for equity instruments measured at fair value through Other Comprehensive Income (FVTOCI)

The Company has elected to recognised changes in the fair valuation of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVTOCI equity investments reserve within equity.

Notes to the financial statements for the year ended March 31, 2023

(v) Cash Flow hedge reserve

Cash flow hedge reserve represents the cumulative effective portion of gains or losses arising on changes in fair value of hedging instruments entered into for cash flow hedges. The cumulative gain or loss arising on changes in fair value of the hedging instruments that are recognised and accumulated in this reserve are reclassified to profit or loss only when the hedged transaction affects the profit or loss.

(vi) Remeasurement gain / (loss) on defined benefit obligations

The Company has recognised remeasurement loss on defined benefit plans in other comprehensive income (OCI). These changes are accumulated within the OCI reserve within Other equity. The company transfers amounts from this reserve to retained earnings when the relevant obligations are derecognised.

19 Scheme of Arrangement

a) Pursuant to the Scheme of Arrangement (the 'scheme'), duly sanctioned by the National Company Law Tribunal, Mumbai Bench vide its Order dated 11 November, 2022 with effect from the Appointed Date i.e., February 01, 2022, the digital, media and communications business activities of development, operation, marketing, sale and distribution of television channels through the medium of various modes of transmission undertaken by the Demerged Company and investment in its subsidiaries ("Demerged Undertaking") of the Company stands transferred to and vested in "Hinduja Global Solutions Limited" (Resulting Company) as a going concern. The scheme has been considered in these financial statements by transferring the carrying amount of assets and liabilities pertaining to Demerged Undertaking with effect from the Appointed Date to the Resulting Company with the corresponding debit to the Other Equity.

b) Further, the statement of profit and loss for the year ended March 31, 2022 have been restated by the management to give effect of the Scheme. The transferred business as defined in the 'Scheme have been disclosed as Discontinued Operations' in the financial statements for the year ended March 31, 2022, as per the requirements of Ind AS 105 (Refer note 20). As a result, operations of the Demerged undertaking have been reclassified and re-presented as discontinued operations for all previous periods. Balance Sheet as at March 31, 2022 and Statement of Cash Flow for the year ended March 31, 2022 are not comparable with the previous year Balance Sheet and Statement of Cash Flow, respectively, since these include the Demerged undertaking's figures.

c) The impact of the demerger on these financial statements is as under :

The whole of the assets and liabilities of the transferred business became the assets and liabilities of the resulting company and were transferred at their book value as per the scheme, as appearing in the books of the Company with effect from the appointed date (i.e.February 01,2022). The details of assets and liabilities transferred to the resulting company are as under:

Notes to the financial statements for the year ended March 31, 2023

22 Litigations and claims

As a part of its real estate activity, the Company had acquired approximately 47 acres of land in Devanahalli Bengaluru from a party in terms of Agreement of Sale Deed dated 28.07.1995. However, as the said party, though in receipt of sale consideration did not fulfil its legal obligation to transfer the title in the name of the Company, the Company filed a suit for specific performance in the Civil Court in 2011. An order granting temporary injunction was passed on 11.03.2013 restraining the said party from alienating or in any way encumbering the land in Devanahalli. A criminal complaint was also filed at the Devanahalli Court on 10.11.2014 and subsequently, the Hon'ble High Court of Karnataka vide order dated 19.07.2019 has quashed the criminal complaint filed before the Court at Devanahalli and the proceedings is disposed of as such. The suit for Specific Performance in the Civil Court is pending. The Department of Revenue, Government of Karnataka, has also raised certain issues relating to the title of the land which are being addressed by the Company.

(ii) Financial instruments - Financial risk management

The Company's activities expose it to a variety of financial risks: Market risk, credit risk, liquidity risk. The Company has a risk management policy which covers risks associated with the financial assets and liabilities. The risk managemet policy is approved by the Board of Directors. The focus of the policy is to assess the upredictability of the financial environment and to mitigate potential adverse effects on the financial performace of the company.

i. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk.

a. Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's inter corporate deposits. The Company's inter corporate deposits with fixed interest rate is primarily short-term, which do not expose it to significant interest rate risk.

Notes to the financial statements for the year ended March 31, 2023

b. Foreign Currency Risk and Other price risk

The Company is not exposed to any foreign currency risk and other price risk as the company is not dealing in any foreign operation nor it is having any investments.

i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company is not exposed to credit risk as there are no trade receivables as on March 31, 2023.

Inter Corporate Deposits

Inter Corporate Deposits of ₹ 5,400 Lakhs receivable as on March 31, 2023 are with a Group Company having a good financial position & credit rating in the market.

ii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

Liquidity risk management

The Company's corporate treasury department is responsible for liquidity and funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The Company ensures that it has sufficient cash on demand to meet expected operational expenses for a month, including the servicing of financial obligations, this excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters and epidemics such as COVID-19.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

(₹ in Lakh)

Particulars	Carrying amount	Contractual cash flows

Trade payables	6.74	6.74	-	-	-	6.74
Other financial liabilities	141.41	141.41	-	-	-	141.41

Equity share capital and other equity are considered for the purpose of Company's capital management. The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on management's judgment of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market

confidence. The management and the Board of Directors monitors the return on capital to shareholders. The Company, if necessary, may take appropriate steps in order to maintain or adjust its capital structure.

iii. Capital Management

The Company's aim is to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement and in order to maintain or adjust the capital structure the Company may adjust the amount of dividend if any paid to shareholders, returned capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with the focus on total equity so as to maintain investors, creditors and market confidence and to sustain future development and growth of its business.

27 Employee benefits expense

The Company has classified various benefits provided to employees as under:

i. **Defined contribution plan**

a) Provident fund

b) State defined contribution plans

i. Employer's contribution to employees' state insurance

ii. Employer's contribution to Employees' Pension Scheme, 1995.

(f)	Return on Capital employed[5]	PBIT over capital employed	0.40%	53.29%

Explanation for variance exceeding 25%

1. Decline in current ratio due to increase in payables at the year end and reduction of other financial assets which were available at the beginning of the year.
2. Improvement in Return on equity ratio on account of loss in the previous year from discontinued operations not being there in the current financial year.
3. The Trade payables turnover ratio has declined due to increase in the payable balances at the year end.
4. Change in net capital turnover/net profit ratio due to Nil turnover during the current year.
5. Decline in return on capital employed on account of decline in profit for the current year as compared to previous year since there was sale of land in the previous year.

Notes to the financial statements for the year ended March 31, 2023

29 Loans (current)

HINDUJA LEYLAND FINANCE

Sub: Undertaking regarding the association of the promoter and promoter group with public shareholders in connection with the Scheme of Merger by Absorption

In connection with the proposed scheme of Merger by Absorption of **Hinduja Leyland Finance Limited ('Transferor Company')** into **NDL Ventures Limited (formerly known as NXTDIGITAL Limited) ('Transferee Company')** and their respective shareholders under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013, we, Hinduja Leyland Finance Limited (the '**Company**'), hereby confirm, declare, and undertake as follows:

(i) The Promoters and Promoter Group of the Company, as defined under the provisions of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, are identified in accordance with applicable laws and regulations.

(ii) We confirm that the Public Shareholders of the Company constitute a class distinct from the Promoters and Promoter Group.

(iii) Except to the extent disclosed in the Scheme of Merger, the explanatory statement, shareholding pattern, and other documents submitted to the Stock Exchanges and regulatory authorities, none of the Public Shareholders proposed to be considered as public shareholders are part of the Promoter or Promoter Group of the Company.

(iv) We further confirm that no Public Shareholder has been incorrectly classified as a Promoter or Promoter Group member and no Promoter or Promoter Group entity has been classified as a Public Shareholder.

(v) The Company has made all reasonable inquiries and due diligence regarding the relationship, control, and association between the Promoters, Promoter Group entities, and Public Shareholders and has disclosed all material information relevant to the Scheme.

(vi) The Company undertakes to promptly inform the Stock Exchanges, SEBI, NCLT, and any other regulatory authority of any change or discovery of information that may affect the correctness of this undertaking.

(vii) This undertaking is furnished in connection with the proposed Scheme of Merger between Hinduja Leyland Finance Limited into NDL Ventures Limited (formerly known as NXTDIGITAL Limited) and for compliance with applicable provisions of the Companies Act, 2013, SEBI regulations, Stock Exchange requirements, and other applicable laws.

Kindly take the above on records.

Thanking You,
