5 Background of the Scheme

The Scheme provides for the merger by absorption of Hinduja Leyland Finance Limited with NDL Ventures Limited pursuant to provisions of Sections 230 to 232 of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013.

6 Rationale of the Scheme

The Scheme of Merger by Absorption is being undertaken due to the following reasons: Considering the growth potential in the Non-banking finance sector and with the objective of creating shareholder value, the Transferee Company intends to engage in the business of a Non-Banking Finance Company (NBFC) and accordingly has amended its Memorandum of Association to reflect the same. The Transferee Company believes that the proposed merger by absorption of the Transferor Company, which is a leading NBFC will give the shareholders of the Transferee Company an opportunity to participate in the growing NBFC sector and thereby enhance value.

The Transferor Company, being a successful NBFC, will need growth capital to accelerate growth and believes that merging with the Transferor company will increase the avenues for raising growth capital both from public and interested investors thereby resulting in value enhancement for its shareholders.

The proposed corporate restructuring mechanism by way of a scheme of merger by absorption is beneficial, advantageous and not prejudicial to the interest of the shareholders, creditors and other stakeholders. The proposed merger of Transferor Company into Transferee Company is in consonance with the global corporate restructuring practices which intends and seeks to achieve flexibility and integration of size, scale and financial strength. Therefore, the management and Board of Directors of the Transferor Company and the Transferee Company believe that this Scheme shall benefit the respective companies and other stakeholders of respective companies through value creation, inter-alia, on account of the following reasons:

- a) Enable the Transferee Company to grow by providing significant impetus to its growth in the NBFC sector;
- b) Greater efficiency in capital raising by the merged entity, and unfettered access to both cash flow generated by the business and external capital raising which can be deployed more efficiently to fund growth opportunities;
- c) Avoidance of duplication of administrative functions, reduction in multiplicity of legal and regulatory compliances and cost;
- d) Integrated operational strategies, inter-transfer of resources / costs will result in optimum utilization of assets;
- e) Merger will result in increase in net worth of Transferee Company thereby enhancing its financial strength
- f) Merger shall result in efficient and focused management control and system and higher level of corporate governance as required by listed entity.

There is no adverse effect of Scheme on the directors, key managerial personnel, shareholders, creditors, other security holders and employees of Transferor Company and Transferee Company. However, the Board of the Transferor Company upon merger shall stand dissolved without

prejudice to decisions, actions, taken by the Board of the Transferor Company. The Scheme would be in the best interest of all stakeholders

Due to the aforesaid rationale, it is considered desirable and expedient to enter into this Scheme for amalgamation by absorption of Transferor Company with the Transferee Company, and in consideration thereof issue equity shares of the Transferee Company to the shareholders of Transferor Company in accordance with this Scheme.

Accordingly, in order to achieve the above objectives, the Board of Directors of the Parties have resolved to make requisite applications and/or petitions before the Hon'ble National Company Law Tribunal/ Governmental Authority (as defined hereinafter) as the case may be and as applicable under Section 230 to 232 of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013, the rules framed thereunder and other applicable provisions for the sanction of this Scheme.
