

Grievance Redressal Policy of Hinduja Leyland Finance

Objective:

Hinduja Leyland Finance realizes that quick and effective handling of complaints as well as prompt corrective & preventive actions to improve processes are essential to provide excellent customer service to all segments of customers.

To achieve this, HLF has a clearly documented policy for redressal of customer grievances in accordance with the Grievance redressal guidelines circulated by RBI from time to time,

Through this policy, HLF ensures that a suitable mechanism exists for receiving and addressing complaints from its customers with specific emphasis on resolving such complaints fairly and expeditiously.

The policy seeks to ensure that:

1. Adequate information will be made available to all customers on the various channels for seeking redressal of grievances arising out of any perceived deficiency in service by HLF or noncompliance to the Code of Commitment. This will be updated as and when any change occurs in the processes emerging out of internal reasons or change in guidelines from the regulators.

2. Any complaints received - either verbally, via email or in writing - from the customers, will be logged into ERP under respective category.

3. Complaint, once lodged shall be assigned with unique case ID. This categorized complaint shall be uploaded in ERP with a copy of written complaint by customer with supporting documents, if any and assigned to the respective officer for resolution.

4. Complaint shall be lodged in any of office of HLF and later assigned internally to concerned officer/ branch in charge of the complaint. The recipient officer shall ensure the complaint is acknowledged by concerned officer.

5. First time approach/request by customer to any of the officer/branches of HLF shall not be considered as complaint and shall be tagged under "REQUEST".

6. Unique ID shall be assigned to any complaint in the standardized convention: The first name of the complaint shall represent the request/complaint type, followed by year (YYYY) and month (MM), followed by category with chronological serial no 0001.
